## **At Galanos House, we share something special**

Rediscover the unique sense of camaraderie and belonging that you felt as part of the Armed Forces community.

Situated on the edge of Southam in rural Warwickshire, Galanos House is close to the Burton Dassett Hills and not far from Stratford-upon-Avon. We cater to the needs of ex-service members and their families, bringing together those who already share a common bond.

## Welcome home

Galanos House Care Home is a place where ex-servicemen and women and their spouses can feel completely at home. Our residents' shared experiences in the Armed Forces create a truly unique and supportive community, where everyone looks out for one another.

We have 101 en-suite bedrooms as well as comfortable lounges, a bar, and lovely gardens designed by our residents, including a new bowling green. We're pleased to be able to offer both nursing and residential care in the main home and support for people living with dementia in Poppy Lodge.

My team and I take great pride in the fact that our residents feel so at home at Galanos House, and we're privileged to look after those who have given so much to our country.

### Where comfort meets companionship

Make the most of every day in Galanos House. Relax in your modern and spacious en-suite bedroom or the comfortable lounge. Enjoy time with friends and family in the bar, take a stroll in the memorial garden, or visit the café in our new Community Hub. Some residents go to the local church or attend regular services at the house.

Social interaction and community play a big part in the day-to-day life of our home. Our dedicated Wellbeing Team can help you pursue old and new hobbies with our wide range of activities including cooking, painting, photography, gardening, jazz, curling, and making personal memory books.

### What makes Galanos House so unique?

Whether you're planning for your own future or looking on behalf of a loved one, here are a few of the features that make our care home special.

- It's a community where everyone looks out for each other, designed exclusively for ex-service personnel and their dependants
- Residents play an active part in making choices about day-to-day life, the environment, menus and activities
- We encourage our residents to be involved with the local community from going to church and college to entering art and gardening shows, plus regular days out
- Our Poppy Lodge offers dedicated dementia care with each resident

having their life history plotted on a board outside their room

- Experienced, registered nurses and a team of care assistants provide 24-hour care, plus an Occupational Therapist and Physio onsite
- Each resident has a personalised care plan as well as an assigned nurse and/or keyworker
- Our new Community Hub and café offers a welcoming, multipurpose space, open to all. Hosting groups, wellbeing activities and events, the Community Hub allows people to connect with new friends, the Armed Forces community, and the wider work of the RBL.

“Mum came to Galanos House  
in May 2021 and it’s great to see  
her enjoying life to the full.  
It’s all thanks to their amazing team.”
