At Maurice House, we share something special

Rediscover the unique sense of camaraderie and belonging that you felt as part of the Armed Forces community. Near the coastal town of Broadstairs on the Isle of Thanet in Kent, Maurice House enjoys picturesque views of Joss Bay. We cater to the needs of ex-service members and their families bringing together those who already share a common bond.

Welcome home

Maurice House Care Home is a place where ex-servicemen and women and their spouses can feel completely at home. Our residents' shared experiences in the Armed Forces create a truly unique and supportive community, where everyone looks out for one another.

We have 77 en-suite bedrooms as well as comfortable lounges, a bar and 12 acres of beautiful grounds and gardens. We're pleased to be able to provide an expert level of care, and operate a specialist dementia care lodge, catering for up to 30 people.

My team and I take great pride in the fact that our residents feel so at home at Maurice House, and we're privileged to look after those who have given so much to our country.

"I really enjoy living here at Maurice House. I am very happy, there is plenty of company and I'm well looked after. I wouldn't want to live anywhere else – the staff are marvellous."
