## **At Lister House, we share something special**

Rediscover the unique sense of camaraderie and belonging that you felt as part of the Armed Forces community. Set in the beautiful city of Ripon – often referred to as the gateway to the Yorkshire Dales – our care home caters to the needs of ex-service members and their families, bringing together those who already share a common bond.

## Welcome home

Lister House Care Home is a place where ex-servicemen and women and their spouses can feel completely at home. Our residents' shared experiences in the Armed Forces create a truly unique and supportive community, where everyone looks out for one another.

We have 76 en suite bedrooms in our main building, as well as comfortable lounges, a bar and beautiful landscaped gardens. We're pleased to be able to provide an expert level of care, and operate a specialist dementia care wing, catering for up to 16 people.

My team and I take great pride in the fact that our residents feel so at home at Lister House, and we're privileged to look after those who have given so much to our country.

### Where comfort meets companionship

Make the most of every day in Lister House. Relax in your spacious en suite bedroom or the cosy lounge areas. Socialise with friends and family in the bar, enjoy some quiet time in the library, or take a stroll in the extensive landscaped garden. We even have a chapel which hosts regular services.

Social interaction and community play a big part in the day-to-day life of our home. Our activity coordinator can help you pursue your hobbies through events such as live music, bingo, quizzes, crafts and much more.
