Useful fundraising tools

Every journey needs a plan. Below are some useful tools to help you get your fundraising plan together and put it into action. More details about each section are on the back of the sheet.

Motivate yourself

Remind yourself everyday what an amazing thing you're doing and stay motivated by keeping this message where you're going to see it every day; on your fridge, on your desk at work or in your phone case.

Fundraising planner

Your fundraising planner is a great way to set out your fundraising activities. Use it to capture ideas, plan regular activities and keep on top of actions. Don't forget, we are here to support you throughout your fundraising journey and always happy to talk over anything.

Donation jar

Cut out the donation jar label and use it on your own glass jar or cardboard box for collections at home or on private property, then use the paying in slip to send in your hard-earned funds.

Official collection tins are essential for public collections, you can order one by calling **0345 845 1945**.

Paying slips

Please complete the paying in slips and send them back to us along with the money you have raised, so we can make sure that the money you send is correctly allocated to you. Please ensure that all cheques are made payable to **The Royal British Legion**.

Please included your completed sponsorship forms with your cheque so we can claim Gift Aid where applicable.
