

# Volunteer for the Royal British Legion

We provide vital support for the Armed Forces community.  
How can you help us?

RBL volunteers share their skills, experience, and time to support those from the Armed Forces community. That community is diverse – so our volunteers come from all backgrounds and skills as well – regardless of direct military experience.

ROYAL BRITISH LEGION

Volunteering with us opens a world of opportunity to use and build a wide variety of skills, meet new people, and make new friends. And you can be certain that the volunteer work you do will make an important and positive impact on the brilliant people we're here to support.

### Poppy Appeal Volunteers

Get in on the annual Poppy Appeal action! Every year our dedicated volunteers get out into their communities to proudly sell our Remembrance poppies and raise the money we need to support our Armed Forces community. From collecting at your local store to being a Poppy Appeal Organiser for your area, we have plenty of exciting roles to fill.

### Care Home Volunteers

Could you be the friendly, welcoming face that our care home residents, relatives, and visitors need to see? You'd be getting right to the heart of the communities we serve across our six homes, as a Volunteer Bar Assistant, Gardener, Befriender, Activity Organiser, or by taking on a fundraising or administration role.

### Events Volunteers

Our Event Volunteers make sure everyone taking part in an RBL fundraising challenge gets the amazing experience they deserve! The team takes on all manner of important jobs including marshalling runs and giving out medals, setting up and packing down, or simply giving participants a huge cheer to help them across the finishing line. Join the team and join the fun!

### Support Volunteers

Support Volunteers connect with people right across our organisation, including from our Battle Back centre which supports wounded, injured, and sick service personnel. As part of this dedicated team, you'll see first-hand how the time and energy you give have a positive impact on the day-to-day lives of our Armed Forces community.

### Group Volunteering

Get friends, family, and colleagues together and share your collective skills with us! Many of our volunteering opportunities work brilliantly as group endeavours. So, build your team, do some good, have fun, and enjoy great company while lending your support to RBL – what could be more rewarding than that?
