About the Membership Handbook

This handbook has two sections:

- **Policy guidance** guides you in your day-to-day Legion activities.
- **Information** tells you how the Legion membership organisation works.

It also has two purposes:

- To help you to comply with UK charity law and with the Legion's policies when going about your Legion activities. Where you see the words 'must' and 'must not', or 'do' and 'do not', these instructions are a requirement of law or of Legion policy.
- To help you to run a happy and successful Branch, County, District or Section. Where you see 'may', 'ought' and other conditional words and phrases, that means the instruction is good practice but not a legal or policy requirement.
- This book is detailed but not completely comprehensive, so if you have any questions that aren't addressed here, ask your Membership Engagement Officer (MEO) for help.
- Where you see the word 'County' or 'Counties', these terms cover all Counties, Districts and Sections.

The Royal Charter

The Royal Charter directs all of the Legion's work. It is a governance document that is recognised by the Government and the Charity Commission. It is enforceable in law. You can read the Royal Charter through the Legion's [website](#).

This handbook sits alongside the Royal Charter. It was created to help Legion officers; committee members and Legion members make sure they're acting within the rules of the Royal Charter.

Policy Guidance

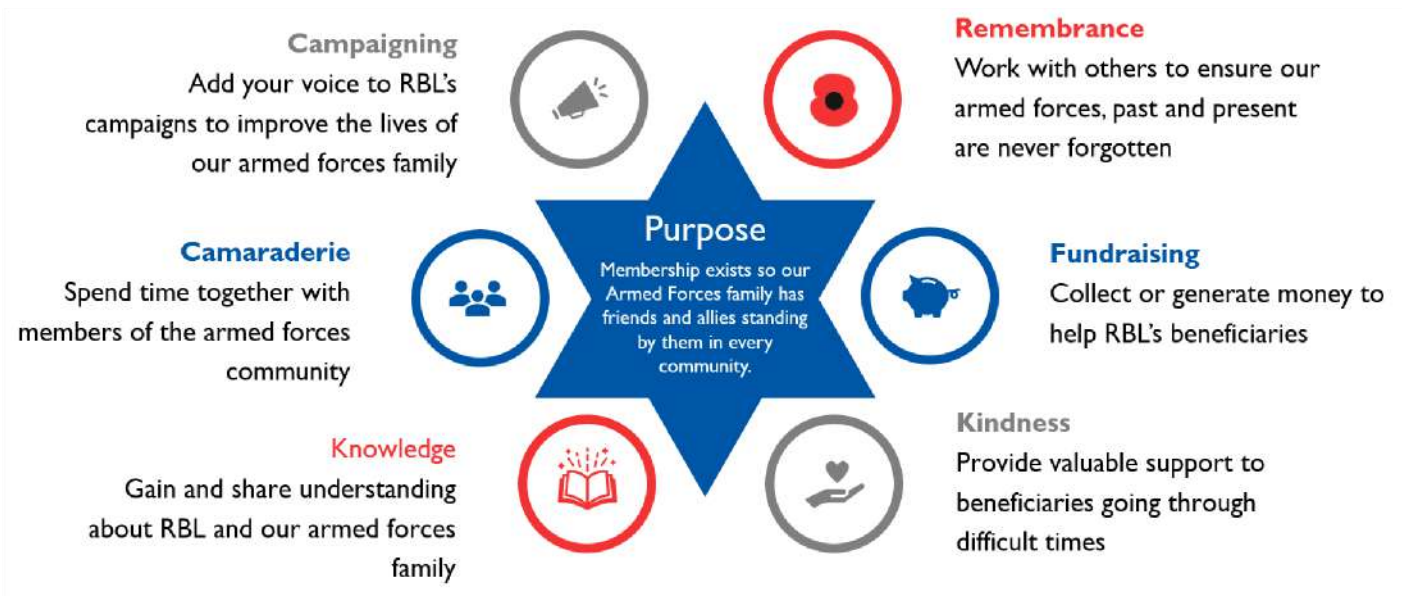

This section of the handbook will guide you in day-to-day Legion matters. If you follow the guidance in the following pages, you will be acting within the law and in accordance with the Royal Charter and Legion policy.

Everyone is welcome to become a Legion Member. You can join membership via www.britishlegion.org.uk, by phone or by calling our free helpline or by completing a membership application form available from branches. Every member has to join a branch and pay an annual fee. Membership will be renewed annually, and unpaid membership will be cancelled. If you decide not to be a member for any reason, your membership can be easily cancelled at any time.

1. Purpose and Value of Membership

Membership exists so our Armed Forces family has friends and allies standing by them in every community.

Our members bring value to the RBL through six core functions as shown below:

What it means to be a Legion member

Values and conduct

As local representatives of the Legion, members are expected to behave with integrity, to work together and to trust each other. Our values apply as much when dealing with people face to face as when communicating online, whether through official Legion channels, social media or personal emails.

We have ten guiding principles:

1. Respect and maintain the confidentiality of Legion information (unless you need to disclose something to prevent harm to yourself or to others, or to prevent financial or reputational risk).
2. Follow the organisation's policies and procedures.
3. Remain neutral and unbiased in all Legion activities.
4. Promote equality and diversity without being discriminatory.
5. Be dedicated to the responsibilities you have agreed to.
6. Be respectful and considerate towards others.
7. Guard the reputation of the Legion and build positive relationships internally and externally.
8. Ensure that no personal benefit or conflict of interest arises from your actions.
9. Be responsive and proactive in dealing with others.
10. Put comradeship at the heart of what you do.

We have five values that we maintain:

1. Service

We support and serve.

We are compassionate.

We provide great customer care to all the people who come in to contact with us.

We are accountable and act with integrity.

2. Excellence

We strive to be the best we can.

We are effective and efficient.

We are bold.

We are open to new ideas and approaches, challenge each constructively and are willing to learn.

3. Collaboration

We value working together and with partners to achieve shared goals. Through strong communication and support, we build trust with each other and treat everyone with respect and honesty.

4. Valuing our people

We support, encourage and provide opportunities for all our people, ensuring we recognise and value everyone's contribution.

5. Passion

We are passionate about our role and contribution.

With a positive outlook, we are committed to our work.

For details of how national meetings are held, please refer to the [Royal Charter](#); and to the Standing Orders, available through Microsoft Office 365 (O365) or your Membership Engagement Officer (MEO), for the Conduct of Annual Conference.

2.a.(2) Administering the Membership

Branch membership lists are kept online on the Microsoft Office 365 (O365) portal. For access and information, speak to your Membership Engagement Officer (MEO). Branches may decide to set a joining fee and/or an annual subscription fee, both of which must be decided by the members at the Branch Annual General Meeting. Each of these fees must not be less than £1.

The Branch Committee must tell Head Office what their membership, joining and subscription fees are using the Branch rates letter each year. If the membership team at

Head Office does not receive this information before the reply date on the Branch rates letter, then the fees for the forthcoming membership year will revert back to £0.00/€0.00. Branches should actively help members to renew their membership. Their Membership Engagement Officer (MEO) can help with any queries. Please forward any cheques or applications within 30 days of receipt to avoid delays processing them.

Members may transfer their membership to another branch. If they have paid their membership fee and any subscriptions due to their current Branch, they will not need to make any additional payment in their current membership year.

Branches must not refuse membership unless they have valid reasons. Any objections to an application must be made to the County Committee via the Membership Engagement Officer (MEO). The Membership Council will make the final decision on whether the application should be accepted in consultation with the County Committee.

2.a.(3) Financial Management

For an explanation of Legion funds, click [here](#).

Branch and County banking

Branches must have only one bank account. This must be a current account held preferably with Lloyds Bank or Barclays. It must be held in the name of 'The Royal British Legion – [Branch name]'. Personal accounts or accounts in the name of Committee members must not be used for Branch transactions, even as a temporary measure.

If a Branch has more than one account, it must close the additional account(s) and transfer the money to the [Branch Funds Initiative](#) (BFI). If you're not sure what to do with a bank account, contact your Membership Engagement Officer (MEO) for help.

Branches should keep enough money in their current account to meet their day-to-day requirements. For most Branches, this will be £1,000 or less. All funds that are surplus to day-to-day requirements must be placed in the Branch Funds Initiative. The maximum amount of funds that Branches can hold in their current account is £5,000; anything more than this must be placed in the Branch Funds Initiative.

If your Branch banks with Lloyds, you can access internet banking via the Legion's corporate internet banking platform. If you need help to set this up, contact your Membership Engagement Officer (MEO) or Branch Accounts team in Head Office. Branches banking with other banks are not permitted to set up internet banking without the express permission of the Finance Department. This is to ensure that appropriate financial controls are in place over all Branch transactions.

How to manage Branch funds

The Branch Committee, under the leadership of the [Branch Chair](#), is responsible for the Branch funds. It must make sure:

- That there are adequate controls and accounting records.
- That Branch expenditure complies with the policies and procedures of the Legion and with charity law.

Branches should create a simple budget for the year, setting out the income they expect to generate and what they expect to spend.

Day to day, the [Branch Treasurer](#) maintains the Branch accounts. The Branch Committee should approve the Branch Treasurer's [delegated authority limit](#), generally between £250 and £500, depending on the size of the Branch.

Branches may choose to record their income and expenditure in separate funds (Benevolent Fund or General Fund). A fund is simply a way of recording income, expenditure and cash separately in the Branch accounts. This does not mean that each fund requires a separate bank account. A Branch can have more than one fund in its current account and [Branch Funds Initiative](#). At the end of the financial year, the sum total of all funds held by the Branch should equal the total amount of cash held in the current account and BFI.

If Branches have funds that are surplus to requirements, they should consider making a donation to the [Poppy Appeal](#), making a transfer to the County Welfare Fund or donating to a Legion Care Home. This will ensure that the funds are used to support the Legion's beneficiaries. You can ask your local Community Fundraising team or check the Fundraising Handbook about other projects and ideas.

VAT (Value Added Tax)

Branches and Counties sit outside of the Legion's VAT arrangements. This means that Branches and Counties are unable to register for VAT. Branches must not charge VAT on any invoices they raise and are unable to reclaim any VAT they are charged by suppliers and other third parties. Branches cannot sell merchandise and cannot give away merchandise for a suggested donation of more than £1, e.g., jewellery, bags, clothing, etc. Doing so would constitute a taxable supply. It is permissible to give away small items in exchange for a suggested donation, provided the value of the item is £1 or less, e.g., a pen.

Gift Aid

Members are encouraged to Gift Aid their membership fee when they join. Gift Aid Members can add or remove a Gift Aid declaration at any time by contacting the Membership Services team via email to membershipservices@britishlegion.org.uk or by logging into the Membership Self-Service Portal.

Note that any Gift Aid donations cannot be paid into Branch funds as Branches cannot claim Gift Aid directly. The Legion will claim Gift Aid centrally and only on donations and gifts received directly to its accounts.

Branch Funds Initiative (BFI)

To withdraw funds from the [BFI](#), you can apply by post/email using the appropriate form or via [LOMAS](#). The Finance Department will transfer the funds within a week of receiving a correctly completed and authorised BFI withdrawal form.

To deposit funds in the BFI, send a cheque to the Finance Department made payable to The Royal British Legion with the BFI deposit form.

Dos and Don'ts for spending Branch and County funds

Do:

- Use funds to further the charitable aims of the Legion.
- Spend funds on events (for example, to recruit new members, for Remembrance events or to raise funds for the Legion).
- Keep invoices or receipts for everything you buy with Legion money. By law, all invoices, receipts and vouchers must be securely retained for seven years. If you don't have an invoice or receipt, the person who has spent the money must create and sign a voucher, detailing what the money was spent on and how much. The voucher must be countersigned by a Branch officer who had nothing to do with the purchase.
- Keep the Branch cheque book and paying-in book in a locked safe or drawer.

Don't:

- Use funds for the purchase, construction, repair or maintenance of memorials unless the memorial is owned by the Branch and responsibility hasn't been passed on to another party. Memorials are usually the responsibility of the local authority.
- Use funds to accumulate more money.
- Sign blank or partially completed cheques.
- Sell goods. The Royal British Legion as a charity cannot trade; that is why goods can only be sold through a separate trading company (Poppy Shop). Branches and Counties are part of the charity and therefore must not trade under charity law. However, they can offer low-value items sourced from the Legion (such as pins, pens and wristbands) for a suggested donation (not a minimum donation) to raise funds. Please note that any income from items produced by the Poppy Appeal must be sent to Poppy Appeal.
- Use funds to subsidise another Branch, a Legion club or any other third party. That includes loans or making reductions or deferrals of charges due to the Branch. If

this happens, the Branch Committee members responsible may be found personally liable to reimburse the charity.

- Give grants or make donations to other charities. The only exceptions are a donation to a local ex-Service charity with the approval of the Operations Directorate through the local Membership Engagement Officer (MEO), or a donation to the Central Benevolent Fund to be allocated to a grant that the Board of Trustees has already agreed.
- Use funds for paid employment.
- Procure your own resources – Branded products are available via your Membership Engagement Officer (MEO) all year round and from Poppy Shop during Poppy Appeal.
- Enter into any financial credit or lease agreement (including the rental of property or equipment).

Rules on cheque and cash handling

You can read the full policy (SOP131) if you request it from your Membership Engagement Officer (MEO), but below are some day-to-day rules to help you keep your transactions in order – and to help protect the Legion from fraud.

- A Branch's bank account must have up to four mandated signatories, all of whom must be Branch Committee members. At least two signatories who are not related to each other must sign every cheque. It is the Branch Committee's responsibility to make sure the list of mandated signatories is up to date when members leave or join the Committee.
- Check bank statements as soon as you receive them. Investigate any unexplained entries immediately. If you suspect fraud, tell your Membership Engagement Officer (MEO).
- Reimburse petty cash only when you see a receipt and only directly to the claimant.
 - Keep the Branch petty-cash float as low as possible and reconcile it monthly. Any expenditure above £50 should be reimbursed by cheque. You can find the petty cash policy (SOP3) on Microsoft Office 365 (O365) or request it from your Membership Engagement Officer (MEO).
- All expense claims should comply with the Legion's expenses policy (SOP42), which is available on Microsoft Office 365 (O365) or from your Membership Engagement Officer (MEO). All claims must be submitted on [the correct form](#), signed by the claimant and with receipts attached. All expense payments must be approved by the Branch Committee (at least their Treasurer and Chair) before payment.
- Issue a receipt for any cash or cheques given to the Branch, unless the donation is part of a cash collection. Any cash received should be counted as soon as practically possible in the presence of two people. Use the SOP131 form, available on Microsoft Office 365
- (O365) or from your Membership Engagement Officer (MEO), to record the amount counted.

- If cash or cheques cannot be banked immediately, they should be placed in a sealed envelope, petty-cash tin or collection box and locked in a safe or a drawer.
- Ideally, cash and cheques should be banked within three days of receipt. Any cash receipts in excess of £1,000 should be banked within 24 hours. The longest you should leave it to bank cash and cheques is one week after receipt.

How to submit your annual return

Please refer to the Guide to completing the year-end Branch Return, which is updated annually and sent to Treasurers with the Branch Return Forms. You can also get a copy of this guide electronically from your Membership Engagement Officer (MEO) or Membership Administration Portal (MAP)).

New Branches are not required to submit a Branch return in their first financial year until they have been operating for six months.

Each year, a number of Branches are selected for audit by the Legion's statutory auditor or the internal audit and compliance team. Branches are more likely to be selected for audit if they are holding substantial Legion funds, have failed to submit their return on time or have failed to respond to queries on their return from the Membership Engagement Officer (MEO) or the Finance Department.

Funding and insuring Branch events

Branches must attempt to secure services for their events at little or no cost where possible. Any expenditure associated with the event must be reasonable and proportionate. All [Branch events](#) should be discussed and approved at a minuted Branch Committee meeting in advance of the event.

The Royal British Legion holds public liability insurance in the event that it is held legally liable for injury to a third party or for damage to third-party property.

Branch events are covered by the Legion's insurance policy. This includes Branch Standards paraded at such events, whether within the UK or overseas.

As far as Remembrance events are concerned, responsibility for organising Remembrance parades should be passed to the local authority.

Parade safety for Remembrance events is the responsibility of a Civic Authority. Temporary Traffic Management Operation (TTMOs) may only be organised and deployed by the Civic Authority and on no account should RBL staff or volunteers be deployed to manage. Where RBL has to be the Event organiser (because the Civic Authorities refuse) RBL may take this role but there can be no street Parade, no road closure and, therefore, no need for a TTMO unless this aspect of the event is owned by a Civic Authority. Whilst the branch can be

involved in determining a Parade route, it should not itself contract with a third party and may not take responsibility for the design, and deployment of a TTMO.

The Legion does not own or insure TTMOs. That is because the law relating to the safe deployment and removal of a TTMO is complex and should be left to local authorities or the police, who are the experts. These are formal arrangements and Branches should not seek to make local arrangements with their local police or any other organisation or individuals as these would also not be covered. The requirements of the various Health & Safety regulations and Road Traffic Acts are complex, leaving the branch and RBL vulnerable to the human cost of dealing with serious road accidents and liability issues. As a result, our insurers will not provide cover. This policy does not only apply to Remembrance events, but any Branch event where a road closure is being considered.

Therefore, any Branch owned and organised event, including Remembrance Events, must be:

- i. Static ie: no parade on the public highway or movement of participants and crowd from one location to another along or near roads.
- ii. Completely off-road for both participants and other observers, including ensuring that any attending members of the Public would not be on or near to a road in such a way that management of traffic would be required to ensure safety.
- iii. Organised by and agreed by the Branch and recorded as such in Branch minutes. Individuals members may be the lead for a Branch event but should not organise events, including Remembrance events, acting as an individual.

Any events organised by members that are of a social nature, such as Christmas meals, or travel, such as trips to the National Memorial Arboretum, visits to Regimental Museums or trips overseas, are not Legion events and therefore are not covered by the Legion's insurance policy. Any income and costs related to these events are not charitable income and expenditure and should not pass through the Branch accounts. They must be held and accounted for separately. Under no circumstances may Legion funds be used to subsidise social events for members.

If you're planning a large fundraising event (with expenditure of more than £1,000), please check with your Community Fundraiser that it doesn't clash with any other large event.

How to deal with legacies

If a Branch is notified of a legacy, the Branch must contact the Legacy Admin Team at the earliest opportunity on legacies@britishlegion.org.uk or call the Legacy Administrator on 020 3207 2389.

The Legacy Admin Team manage, receipt and allocate all legacy income to ensure that the correct amount is received and that funds are used in the manner specified in our Royal Charter and the Will. All correspondence relating to legacies must be sent to the Legacy Admin Department as soon as possible.

Where a legacy is specifically gifted to the Branch the legacy shall be paid to the Branch if under £5,000, those legacies over £5,000 will be placed into a Trust held for the benefit of the Branch. The Royal Charter sets out that legacies should only be used for furthering the Legion's Objectives which means use is restricted to welfare and remembrance activities, so it is not possible to place the legacy income into the Branches BFI account.

To make a withdrawal from a legacy Trust the Branch should use form SOP163 which is available from the Legacy Admin Team or on the intranet. In accordance with Charity Commission requirements to prevent funds being held in trusts indefinitely the Legacy Admin Team will review the legacy trust portfolio annually and, where funds remain unspent, will liaise with the Branch to find ways to spend it.

To prevent double accounting, legacies held in Legacy Trusts at Head Office should not be listed in Branch Accounts as this would mean they are accounted for twice.

2.a.(4) Recruiting and retaining members

Branch members, County Recruiting Officers and Recruiting Advisers are responsible for recruiting activities, but it's up to every member to bring new people into the Legion. Find out everything you need in the Recruitment Handbook, available through Microsoft Office 365 (O365) or from your Membership Engagement Officer (MEO).

2.a.(5) Training

Training is provided by the Membership Training team in Head Office or by the [County Training Officers](#). Any queries about membership training should be sent to the Membership Training team via email on membershiptraining@britishlegion.org.uk. More information about training can be found in the Membership Training Handbook, available in the Membership Administration Portal (MAP).

2.a.(6) Forming, amalgamating and closing Branches and Counties Amalgamating Counties and Branches

These are the steps that must be taken:

1. The Chairmen and Committees of the Counties agree to the restructuring and to write to the Chair of the Membership Council for approval, copying in the relevant Membership Council representative.
2. Once the Membership Council has agreed, the Counties (Branches) must call a joint Special General Meeting of their County Conferences at which Branch delegates must vote by simple majority whether to approve the formation of the new County. The relevant Membership Council representative should be at this meeting.

3. If approved, Branch delegates must elect the new County Committee, Chair and Vice Chair to serve until the next Annual Meeting of County Conference. Following the election of the new County Committee, Chair, and Vice-Chair, the previous County Committee, Chair and Vice-Chair retire immediately. Branch delegates must also elect three non-County Committee Members as members of a new County Conference Committee.
4. County Treasurers must close their accounts on the date of the Special General Meeting at which the amalgamation was approved, prepare them for independent examination or audit and for adoption of the annual accounts at the next Annual Meeting of County Conference.
5. All of the funds of the constituent Counties must be passed to the new County Treasurer to form the new County funds.
6. The old County Standard should be laid up, with a new one obtained and dedicated.
7. Alternatively, the panel of one of the previous County Standards may be altered.
8. [Remembrancetide](#) must continue to be conducted on the basis of the constituent
9. Counties until the new County is formed at the first Annual Meeting of County
10. Conference. After that, the new County assumes responsibility for the co-ordination of events during Remembrancetide.
11. As soon as possible after their election, the new County Committee must set the date of the Annual Meeting of County Conference and draft new County bye-laws for approval by the Annual Meeting of County Conference. The Committee should appoint:
 - A [County Treasurer](#)
 - A County Secretary
 - A [County Training Officer](#)
 - A County Recruiting Officer
 - A [County Youth Officer](#)
 - A County Parade Marshal
 - A County Standard Bearer (until the next competition)
12. For the remainder of the first Legion financial year, the new County budget is to comprise the sum of the budgets of its component Counties. The balance of the County budgets for the financial year is to be channelled through the new County instead of the former Counties. The County must propose its own budget bid for the following year.
13. At the next Annual Meeting of County Conference, delegates must approve the accounts of the constituent Counties closed at the date of formation of the new County. At the conference, the results of the postal ballot for County Chair and Vice Chair should be announced. The Chair should be elected for three years and the Vice Chair two years, to allow for continuity. After that, the Vice- Chair's term should be three years. The full County Committee should also be elected following normal [election rules](#). Retiring Committee members may stand for re-election. The County Treasurer should be appointed and the County bye-laws adopted.
14. This process is followed for amalgamation of Branches.

Forming a County

These are the steps that must be taken:

1. The Chairmen and Committees of the Branches wishing to form a new County agree to the restructuring and to write to the Chair of the Membership Council for approval, copying in the relevant Membership Council representative.
2. After the Membership Council has approved the new County, the Branches that will form the new County must organise Branch meetings to put forward nominations for the County Founding Committee. Head Office staff will distribute nomination forms for Committee Officers and members, guidelines and a timetable to all Branches concerned.
3. The nomination forms are to be returned to Head Office and the subsequent election will be coordinated by Head Office.
4. The founding County Committee consists of seven elected members, a County
5. Chair and County Vice-Chair. All are elected for three years. The seven candidates with the most votes will be the members of the County Founding Committee.
6. Less than four weeks after their election, the County Founding Committee must appoint a County Treasurer and County Secretary. Each must be appointed until the first Annual Meeting of County Conference.
7. The County Founding Committee should set the date of the Annual Meeting of County Conference and start the process of drafting new County bye-laws for approval by the Branch delegates at the Annual Meeting. The County Founding Committee will act as the County Conference Committee for the first Annual Meeting. Minutes of the first meeting of the County Founding Committee must be sent to Head Office.
8. At the first Annual Meeting of County Conference after the Special General Meeting, up to a further eight Committee members may be elected by Branch delegates. County Committee members will serve for one, two or three years (initially decided by County Conference to avoid all the committee changing at once).
9. The Branch delegates must elect a new County Conference Committee.
10. As soon as possible after their election, the new County Committee should appoint a County Training Officer, a County Recruiting Officer and a County Youth Officer. The
11. County Treasurer and County Secretary appointed at the first County Founding Committee meeting remain in post until the Annual Meeting of County Conference the following year.
12. The County Committee can appoint a County President.
13. A new County Standard is to be obtained and dedicated in accordance with Legion practice. The County Committee shall also arrange the appointment of a County Standard Bearer.
14. The County Committee must appoint a County Parade Marshal.
15. Remembrancetide must continue to be conducted on the basis of the constituent
16. Counties until the new County is formed at the first Annual Meeting of County
17. Conference. After that, the new County assumes responsibility for the co-ordination of events during Remembrancetide.

18. Once a bank account has been opened, all Branches in the new County will make a donation to the new County Committee in order to meet initial administration costs. The County Founding Committee will make a recommendation to Branches on the amount to be paid into the County account.
19. The County must propose its own budget bid for the following year.

Forming a Branch

A new Branch needs at least 15 members or potential members aged 18 or over to have a meeting about it. It must pass the following resolution:

“That this meeting hereby accepts the Objects of the Royal Charter, the Schedule of Rules and the Membership Management Handbook and formally establishes a Branch.”

A County representative must attend the meeting where the proposal to form a Branch is being discussed to offer guidance and support. If the meeting agrees to form a new Branch, then form MS9, available from your Membership Engagement Officer (MEO), must be completed. The Membership Engagement Officer (MEO) must send the completed MS9 to the relevant Membership Council rep and to Head Office for approval by the Membership Council. A County Committee may stop the formation of new Branches where there is already a Branch in existence.

Closing a Branch

If a Branch cannot be revived and it is impractical to amalgamate it with a neighbouring Branch or form a County-supported Branch, Branch members or the County Committee may decide to close the Branch. Such closure must be approved by the Membership Council.

- Branch hold a Special/ Extraordinary General Meeting where the following are discussed, decided on and minuted accordingly:
 - a) to close the branch.
 - b) where the branch members wish branch funds, including any branch legacies or any BFI1 funds that are not connected to a Branch Property Trust (BPT), to be allocated. Accounting documents such as cheques or BFI transfer forms to be completed and signed at this meeting. If there is a BPT and timing cannot wait then all branch monies must be transferred to the branch general BFI account pending the BPT (Property) BFI being set up with the branch members indicating their preference for how remaining balances not connected to a branch property or legacy trust should be allocated.
 - c) if a branch has a BPT and funds within the General Account are derived from the BPT (rental income) then this money must be transferred into a BPT (Property) BFI account held at Head Office.

d) what to do with the Branch Standard. Is it going to be laid up or passed to the County/District for either safekeeping or training purposes?

- Membership Engagement Officer (MEO) contacts Finance to see if there is a BFI, BPT or legacy trust.
- Membership Engagement Officer (MEO) also contacts Audit team to see if there is an open audit or any other concerns.
- Membership Engagement Officer (MEO) offers opportunity for members to transfer to another suitable branch.
- At this stage it should be clearly identified what type of BFI Account(s) the branch holds, what, if any is BPT or legacy trust money and what is unrestricted Branch funds for disposal with the bank balance as per the branch's wishes.
- The Membership Engagement Officer (MEO) completes the MS5A and submits it, along with all other supporting paperwork to the Membership Council Representative and County Chair for examination before the application is presented to County/District Committee for approval.
- County/District Committee consider and agree to closure application being put forward to the Membership Council once branch has arranged for bank account(s) to be closed, submitted a final set of accounts and cheque(s) for the branch's final balance(s) made payable to wherever specifically within the Legion, the branch wishes their funds to go to.
- Membership Services team sets the branch status as pending closure on CARE, until able to update status on CARE as closed.
- Closure forms sent to Membership Governance Co-ordinator (MGC) who checks all necessary parties have signed and then forwards all paperwork to the Branch Finance Compliance Group where (Membership Council Representative s) will request that the Membership Council approve the branch closure to complete the audit trail in the Membership Council meeting minutes.
- Once confirmation of closure of bank account(s), including BFI's has been received along with a zero-balance statement(s) uploaded to branch accounts database on SharePoint by the Membership Engagement Officer (MEO) the branch's status can be set as closed on all systems.
- The following are worth noting:
 - a) branch cannot become a CSB unless it has fully completed the process of closing its bank account(s), including BFI, and transferring all funds to the County/District.
 - b) The same criteria should apply when a branch is closing.
 - c) Obtaining cheque(s) for the branch's final balance(s) should be an absolute requirement as this ensures the funds are allocated and accountable. In the past branches have claimed they have sent closing balance cheques to various parts of the Legion, for example the Poppy Appeal, but there has been no record of these cheques having been received or paid in.
 - d) BFI Accounts are essentially another bank account and therefore it is important branch members are aware of their existence and given the opportunity to

identify where, in the case of BFI's not associated with a property, they wish these funds to go.

- e) Under this approach we should be in control of knowing where the branch funds have gone thereby preventing future phantom branches.

Becoming a County-Supported Branch

A County-supported Branch (CSB) is a method of operating for Branches that are struggling to form a Committee. To become a CSB, a Branch applies to County Committee and the Committee will approve the new Branch status if:

- The Branch is no longer viable in its present form for a specified reason (eg unable to form a Committee, unable to recruit a Treasurer).
- The Branch is unable to fully comply with the Legion [compliance](#) requirements (governance and financial).
- Other than the specified reason for not being viable, the Branch is active in its local area and closing would result in a loss of Legion representation in its local area.
- There is no likelihood of potential Committee members coming forward, even if the Branch were to face closure.

Outgoing officers will close the bank account and hand over any funds to their County to be held as a restricted fund for the Branch – these funds are available to CSB through the County Treasurer. The CSB will appoint two members to act as Point of Contact, who must be able to communicate electronically.

CSBs are only required to submit their MS1's by the 31st of December to be considered compliant. Once CSBs are deemed complaint, they can participate in elections and send delegates to annual conference.

A branch in administration, whereby the County Committee are the surrogate Branch Committee, is not compliant and therefore is not permitted to vote in elections or send delegates to annual conference, including where the branch was compliant in the preceding year during a period where it was not in County administration.

Returning to full branch status from County- Supported Branch

County Supported /branches may apply to return to full branch status with their County approval when the branch is able to form a full committee and regain control over their funds. Membership Engagement Officer (MEO) and County Committee will be able to guide a branch through this process which will involve elections of the new committee.

County Administration

The decision to take a Branch into County Administration is a serious matter and is for the judgement of the County Committee. County Administration is a temporary measure where the Branch is supported by the County Committee instead of a Branch Committee and all

branch affairs including bank account, are under the control of County until the branch can return to normal. A Branch may be taken into County Administration where:

- A branch is unable to form a committee or a committee stands down.
- A branch is temporarily unable to function.
- A branch is not demonstrating the Legion's values and behaviours, have not followed the rules as laid down in the Royal Charter and the Membership Handbook or have not followed relevant RBL instruction, policy and procedures. In this circumstance, prior to taking a Branch into administration, the County Chair should appoint a member of the committee to work alongside the Membership Engagement Officer (MEO) to support the Branch to resolve the issues within a given timeframe.

The County Committee should advise the Membership Council Representative why it is felt necessary to take the Branch into County Administration. The Membership Council must then be kept informed at all stages. To take a Branch into administration the County Committee should appoint two committee members as Points of Contact for the Branch.

A letter should be sent to any existing Branch Committee informing them that the Branch is being taken into administration, that they no longer hold committee roles and that all required documentation should be handed to the County Point of Contact.

All members of the Branch should then be informed that the Branch has been taken into administration. The Points of Contact should then work with the Membership Engagement Officer (MEO) to resolve any existing issues within the branch before aiming to re-establish a Branch Committee via an SGM. Once a new committee is in place, a member of the County Committee should remain as a point of contact and mentor for the new committee until it is properly established.

In many instances it may be necessary to inform one or all of previous committee members that they are not permitted to stand for election at the SGM and these members must receive written permission from Membership Council Representative to stand for any future officer appointment or to become a committee.

The process for the Membership Council taking a County into administration should follow the same guidance as above.

b. Activities for members

Members who take part in activities with their local Branch or County will often find that they get more out of their membership and feel more connected to the Legion's work. During the course of the year, Branches should carry out their fundraising and community support responsibilities, but they should also spend time on other activities.

Events of a social nature (funded by members and not by Branch funds) might include trips to the National Memorial Arboretum, Christmas meals, visits to Regimental museums or travelling to places of interest. Members can also participate in sports competitions with

other Branches at County and Regional level. There are currently competitions for bowls, snooker and darts in some areas.

Members driving on behalf of the Legion in a volunteer role must be legally entitled to drive and have a full driving license. Once a person reaches the age of 70, they have to renew their driving license every three years. When a volunteer is using their own vehicle in their voluntary activities, they should tell their insurers but make it clear that they will only receive out-of-pocket expenses and that this is not commercial use of the vehicle. Association of British Insurers insurance companies do not charge an extra premium for volunteer drivers. Branches often help with local Remembrance events and funerals. Guidance for ceremonial activities for Branches can be found [here](#).

2.b.(1) Branch Community Support

Branch community support is how Branches promote the objectives of the Legion and provide support for local Legion beneficiaries. Every Branch wishing to carry out BCS should appoint a [Branch Community Support Representative](#).

The Membership Engagement Officer (MEO) can provide advice on how a Branch can register for Branch Community Support and can arrange the required training courses. Through Branch Community Support members can support individuals as Telephone Buddies or Home and Hospital Visitors. Branches can also take part in Community Activities that bring communities together in comradeship, Remembrance or providing a touchpoint which put the Branch at the heart of their community.

Anyone taking part in Telephone Buddy, Visitor or Touchpoint roles must meet strict training and screening requirements; these are necessary to protect the organisation, our volunteers, members, and beneficiaries.

2.b.(2) Publicising your events

Social media is a great way of promoting the Legion and telling your community about your activities. The Legion has some rules for using social media that will help you to get the most out of it, and you can request these from your Membership Engagement Officer (MEO).

Please check [our website](#) for tips on how to publicise your events.

2.b.(3) Going to Annual Conference Sending delegates to Annual Conference

Every [compliant](#) Branch and County can send a delegate to [Annual Conference](#). Branch and County delegates can speak, but only Branch delegates can vote. Branches with more than

300 members may send a second delegate. Branches with more than 1,000 members may send one further additional delegate for every 500 members over 1,000.

Members of Legion staff may not attend Annual Conference as voting delegates. Branches and Counties may put forward motions for Annual Conference, as long as they have been approved at the relevant Annual County Conference. Two delegates of the same Branch may not propose and second the same motion.

How things work at conferences

Read the Standing Orders, available through Microsoft Office 365 (O365) or by request to membershipservices@britishlegion.org.uk for conference protocol and process.

Delegates' expenses

Delegates are able to claim their [travel expenses](#), part of which will be paid by Head Office and the remainder by the Branch or County.

3 Complaints

The Legion takes seriously all complaints about the services it delivers to its members and stakeholders; about the integrity and propriety of all its employees, members and volunteers; and about its policies and procedures.

The Legion is committed to making its complaints-management process accessible, fair and transparent. All complaints made will be appropriately investigated as quickly as possible and, where appropriate, the complainant informed of outcomes and any action taken in line with the current complaints and grievance procedures.

a. Procedures for different kinds of complaints

If you have received a complaint about a member or you want to make a complaint about a member, you can contact the Legion Complaints Committee (LCC) via email legioncomplaints@britishlegion.org.uk or on the Membership Administration Portal (MAP)) on Microsoft Office 365 (O365). More on handling complaints is covered under the Membership Council section of this handbook. In exceptional circumstances, the Membership Council Chair has the power to expel a member where necessary.

If you are unhappy with how your membership queries have been handled, please contact membershipservices@britishlegion.org.uk

For complaints about fundraising activities, refer to the Poppy Appeal Organiser Handbook, available through Microsoft Office 365 (O365) or your Poppy Appeal Organiser/Manager. Where you receive a complaint about a BCS Supporter or a BCS Supporter makes a complaint, this should be referred to and dealt with by the Head of Membership Engagement and handled in accordance with the Operational Complaints Procedure.

Following the investigation, the Branch BCS Rep will be informed of the outcome. It should be noted that if a complaint about a BCS Supporter is upheld then action may be taken to remove that person from the BCS role. The branch must uphold any decision made.

If you are making or have received a complaint that relates to club membership, the club committee should be approached first.

4 Elections

For information on how the Legion is organised, see sections 'About the Legion' and 'About Formations' later in this handbook. Many roles within the Legion are elected by members.

b. Standing for election

Candidates are not allowed to canvass. But they can:

Create a CV no longer than one page of A4, with a passport-size photo attached.

- Consider what will help the decision of voters: for example, Legion-specific experience, relevant professional experience and a personal statement.

They should bear in mind that CVs may be edited before they're distributed to voters. Candidates may be asked to make alterations (which they can accept or decline).

You can find the template ballot paper for elections [here](#)

5 Fundraising

Counties and Branches have a key role in fundraising and should play their part in the Poppy Appeal. There will be committees looking after County Funds and Branches will look after Branch Funds.

In addition, Counties and Branches may raise funds for their General funds but must keep this activity separate from the Poppy Appeal and not use Poppy Appeal branding for this purpose. This is because Poppy Appeal branding may suggest fundraising for the Poppy Appeal and create confusion over how the funds will be spent. Also fundraising for the General Fund must not take place during [Remembrancetide](#).

Counties/Districts and branches are not permitted to produce their own branded merchandise.

It is good practice for Counties to form a County Fundraising Committee. This may comprise people who are not Legion members but have been chosen because of their local standing and influence or their experience in fundraising.

Bear in mind that fundraising is a regulated activity with its own [national code of practice](#).

This code applies to volunteers as much as to paid fundraisers, so if you're doing any fundraising at all, you should be aware of it. If you have any questions, contact your Poppy Appeal Manager (PAM) or Supporter Care (supportercare@britishlegion.org.uk).

a. The Poppy Appeal

1. Key timings

The Poppy Appeal is the Legion's largest fundraising campaign; it launches at the end of October and concludes on Remembrance Sunday. The Poppy Appeal dates will be communicated each year. Street collections take place during this time with London Poppy Day generally being held on the first Thursday of November.

2. Roles and responsibilities

The Poppy Appeal is run by a community of just under 4,000 Poppy Appeal Organisers (PAOs). PAOs oversee the behind-the-scenes organisation of volunteers, collection locations and stock and are inducted and trained before they start their role. Branches should support the PAOs and Poppy Appeal Managers (PAM) in the successful delivery of the Poppy Appeal.

3. PAO and volunteer appointment and removal

PAOs are recruited and appointed by the Community Fundraising Team who have overall responsibility for delivering the appeal. Please note that new PAOs can only be recruited by the Community Fundraising team and not by branches.

As well as the above, the Community Fundraising team also manage the retirement, resignation and, in some cases, removal from post of PAOs. The decision to remove a PAO from post will be at the discretion of the Director/Head of Poppy Appeal only.

4. Charity and trading activity

Please be aware that during the Poppy Appeal both charity and trading activity take place. The provision of poppies on stands, and affiliated lower value products, are offered for a donation only (these are the items likely to be seen on stands in local towns and supermarkets); there is no 'suggested donation'. All donations for these items must be freely given i.e., we cannot refuse to give away the product if no donation is forthcoming. Other items available during the appeal, such as wreaths, are classed as trading activity due to the allocation of VAT to these items. Items sold on Poppy Shop, including those used at City Poppy Days, are trading items also and RRP is received on all products.

If you have any questions regarding the difference between charity and trading activity, please consult your Membership Engagement Officer (MEO).

5. Where to go to for help and support

If you have any questions regarding Poppy Appeal activity or collections, please contact the Community Fundraiser for your area. In the event of a complaint or concern please contact your Membership Engagement Officer (MEO) and they will be able to escalate the issue according to the appropriate procedure.

For branch members who are also PAOs, please refer to the PAO Handbook, as this is the primary source of information for the Poppy Appeal. This is reviewed on an annual basis and may be updated, so please ensure you are referring to the most recent version, along with any communications from your Community Fundraiser during the year, such as the seminars and various mailings.

Counties and the Poppy Appeal

Counties should work with Poppy Appeal Managers (PAM) to ensure that proper arrangements are in place for the distribution of Poppy Appeal materials (poppies, trays, posters, etc) and merchandise, and for the collection, security and banking of the monies received.

Remember that this merchandise can be used only for raising funds for the charitable objectives of the Legion and not for the running costs of the Branch. Branches must make it clear to their donors if they raise funds (outside of the Poppy Appeal) for the Branch funds and not the Poppy Appeal.

Poppy Appeal Managers (PAM) will organise regional seminars as required, so that Poppy Appeal Organisers can be trained and briefed.

Counties should also make full use of [awards](#) and certificates for achievements in the Poppy Appeal for Counties, Branches, clubs, individuals and businesses.

Branches and the Poppy Appeal

Branches should be guided and assisted by the Community Fundraiser to organise the Poppy Appeal. The Community Fundraiser will appoint a Poppy Appeal Organiser with support of the Branch and needs to be kept up to date if the person holding the role of Poppy Appeal Organiser changes.

All fundraising during the Poppy Appeal must be for Poppy Appeal and not the General Fund. Poppy Appeal merchandise can be used only for raising funds for the charitable objectives of the Legion via the Poppy Appeal and not for the running costs of the Branch. Outside of the Poppy Appeal Branches must make it clear to their donors if they are raising funds for the Branch funds and not the Poppy Appeal.

This is important because charities are subject to VAT regulations when they trade. PAO does not need to be the member of the Branch to be appointed for this role.

Please refer to VAT section, under Financial Management.

b. Raising money for other causes

Branches may sometimes join with other charities but it must be made clear to donors who they are giving their money to. When Legion merchandise is being used, the funds raised are always for the Legion charity.

If Branches want to raise money jointly with other charities, this is not permitted during the Poppy Appeal period (14 October to 14 November) and the Legion logo and merchandise must not be used for it.

With any questions, contact your local Community Fundraiser or Membership Engagement Officer (MEO).

c. Grants

Branches may apply for funding from statutory funding bodies, trusts, and foundations or from local Government organisations. Bids for grant funding must:

- Be agreed by the Branch committee at a committee meeting and the decision minuted.
- Be for projects or activities which are within a Branch's remit.
- Reflect the purpose and functions of Membership.
- Be ringfenced within the accounts, and the associated expenditure must be accounted for as restricted.
- Only be made where there are insufficient funds within the Branch funds, BPT or BFI, the use of such funds would leave the Branch with insufficient funds for their normal operation or where Branch funds are not permitted to be used for the required purpose.
- Branches must inform their Membership Engagement Officer (MEO), County Chair, and the Donor Relationship team at Head Office at donorrelationships@britishlegion.org.uk of their proposed bid.

A member of the Donor Relationship team will confirm whether the Legion already has a relationship with any potential funders and so whether the proposed application can go ahead. This is to protect significant relationships with trusts, where the relationship can be managed without breaking prior agreements (e.g. limited number of applications permitted per year) which the branches may not be privy to.

In addition, where the bid is for a specific purpose, such as being property related, the relevant staff from that department must also be informed.

Branches must not submit any grant applications without prior agreement from the above staff. Doing so could harm the Legions reputation, interfere with the national fundraising efforts, or even break legal requirements. Fundraising regulations may force a return of grant obtained without prior agreement.

If a bid is successful, the Branch should inform the Membership Engagement Officer (MEO), County Chair, Donor Relationship Team and any other departmental staff who were required to approve the bid submission. Depending on the period of the funding, the Branch will be required to report to the above staff as the project progresses and must inform them of any issues or concerns with either the use of funds against the project or any failure to achieve the outcomes set by the funder.

Any funds from a successful bid must be placed into the branch bank acct and must be kept ringfenced for the specific project for which it was granted.

6 Handling media requests

All local PR work is coordinated by Regional PR Officers. Any members who are contacted by the media for comment or interview should direct the journalist to the RBL Regional Press Officer for the area, the contact numbers for which can be found on the website at www.britishlegion.org.uk/quick-links/press-office-contacts.

The Press Officers will ensure that an appropriate response is provided or will be able to give you a brief and advice for you to respond. The press team will also help if a crisis occurs or if you are simply unsure of how to handle an issue.

a. What to do if you get approached for comment

If you're approached for comment on Legion activities by the media, please get in touch with the Legion's [press office](#) straight away. They will be able to give you a brief and advice. The press team will also help if a crisis occurs or if you are simply unsure of how to handle an issue.

7 Protecting people's data

Members' details are held in the central database managed by Legion staff. Branches and members should report any changes, such as changes of address, here or by emailing membershipservices@britishlegion.org.uk to or via the Membership Self-Service Portal [Log In \(britishlegion.org.uk\)](#).

It is the responsibility of those who process people's data to do so within reason and within data protection laws. You can read the Legion's privacy policy and promise here.

a. General Data Protection

The Royal British Legion is committed to using good practice in the handling of personal data in order to comply with the requirements of the General Data Protection Regulation (GDPR). The Legion aims to be fair and lawful in the way it uses, processes and stores personal data, and will keep members informed about the purpose for which we collect their

data, adhering to individual rights of access to their data and any objections they may have regarding the use of their personal information.

All general TRBL policies and procedures relating to data protection can be obtained from the Membership Engagement Officer (MEO).

Members must inform the Membership Engagement Officer (MEO) or membershipservices@britishlegion.org.uk of any data breaches.

b. Data Protection at Membership level

All members, including the Membership Council, County and Branch Officials, who process personal data which includes collecting, accessing and storing, must adhere to the following principles:

<p>Obtaining data</p>	<ul style="list-style-type: none"> •Personal data obtained on the membership application form should be sent to the relevant office as soon as possible, preferably by recorded delivery. Any copies kept locally must be kept securely and destroyed as soon as the new joiner’s membership is confirmed. •Members who collect personal data from others must always clearly explain the purpose for which the information is being collected and how it will be used.
<p>Accessing data</p>	<ul style="list-style-type: none"> •Membership listings can be accessed online via Microsoft Office 365 (O365) system. Users must not share their login details with others. Only authorised Branch Officers who signed the form can have access to membership listings. •Membership data can also be obtained via email or post from the Membership Engagement Officer or the Membership Department staff. Only Branch/County Officers who signed the MS1(A) form and Membership Council members can obtain membership data.
<p>Storing data</p>	<ul style="list-style-type: none"> •Personal data must be stored securely: •Hard copies must be kept in a safe place e.g. locked room, drawer, cupboard, or box. •Electronic copies must be kept on a device which is password protected (e.g. laptop, memory stick); ideally the folder / file should also be password protected. Members must take care to avoid having the devices lost or stolen. Where a device or paper records containing personal data is lost you must report this as a data security breach to the Membership Engagement Officer (MEO) or Membership Services as soon as possible. Data should not be kept if it is no longer needed and should be securely disposed of or deleted.

Processing data	<ul style="list-style-type: none"> •Members’ data must not be used for any other purpose than communicating information relating to TRBL. Mailings or information unrelated to TRBL activities, in particular third party marketing materials, must not be sent or emailed. Membership listings or any other materials based on these listings (e.g. address labels) should be used within one week of receipt and then destroyed, as they quickly become out of date. The central database is modified on a daily basis as a result of address changes, lapses, deaths, resignations, changes of membership type and new members. •When emailing more than one person, members’ email addresses should not be typed into the ‘To’ field, but placed in the BCC (Blind Carbon Copy) section.
Retaining data	<ul style="list-style-type: none"> •Data must not be retained for longer than necessary. General retention rules can be found in the Members Retention Schedule in paragraph 12 below. If you cease to be a TRBL member you must hand over to the branch or Head Office any paper materials containing members’ personal data such as lists or labels, and delete any electronic formats of membership data you hold.
Sharing data	<ul style="list-style-type: none"> •Members have not given consent for their details to be made available to anyone except TRBL authorised staff and Branch Officers. Consequently, a member’s personal details (including addresses, telephone numbers and email addresses) must never be shared with the public, other organisations, other members, unauthorised staff or other volunteers, without the member’s prior written consent.

Information

This section of the handbook is designed to give you an understanding of how the Legion works and is financed.

8 About the Legion

a. How the Legion is financed

All funds held by the Legion (by Branches, Counties and centrally) are charitable funds and are the responsibility of the [Board of Trustees](#). The funds must be used only according to instructions and policies from the Board of Trustees. These instructions and policies are always in accordance with the Royal Charter, charity law, financial laws and other regulations concerning use of charitable funds, as well as codes of practice, rules of good practice and other professional compliance advice the Legion receives.

The use of charitable funds for purposes other than those laid down by the Board of Trustees is strictly forbidden and may be illegal.

The Board of Trustees is responsible for two funds defined in the [Royal Charter](#)

The Benevolent Fund

This contains gifts of money or property from public or private subscription or other sources, and is the charity's main source of income. The Poppy Appeal provides a large part of this income. The Royal Charter requires formations to give active support to the organisation of the Poppy Appeal, which is a year-round activity, and not just confined to Remembrance tide.

The General Fund

This funds the membership organisation. It draws its income mainly from the annual membership fees paid by members and from Gift Aid on those fees. It covers:

- Membership administration, governance, grants, training grants and events grants ([the application process for which can be found here](#)) for Counties.
- Producing *Legion* magazine
- Membership Support
- Membership Training
- Membership staff costs

Both funds will be examined annually by an independent examiner or a qualified auditor.

b. The Legion's governance

The Board of Trustees is the Legion's governing body. It instructs and advises the Membership Council, Counties and Branches. Find out more about how the Board of Trustees works on our website [here](#).

The Membership Council represents the members of the Legion. Find out more through your local branch.

Legion staff implements the policies and procedures agreed by the Board of Trustees and the Membership Council.

9 About formations

a. What formations are and how they are structured

- **A formation is a Branch, County, District or Section. In this handbook, including in this section, when we talk about Counties, we mean Counties, Districts and Sections.**
- Counties, Districts and Sections are administrative regions of the Legion. They have different names but the same functions.
- A Branch is a group of Legion members, which may be formed based on locality or shared interest. Counties are made up of several Branches.
- To become a member of the Legion, a person has to join a Branch. Every Legion member is therefore a Branch member.
- A member can join up to four branches, so can belong to a maximum of four branches at one time and pays only one membership fee. They will have to pay admin fees for each Branch they joined.
- A member who sits on more than one Branch Committee, must be a member of that Branch and this does not exceed four branches at any given time.
- An individual, who is a member of multiple branches, is not allowed to be nominated as a Conference delegate by more than one branch.
- No more than two Branch representatives, elected or co-opted, will hold positions on Group, District, and County Committees unless approval to waiver this is granted by the Membership Council.
- Where it may cause confusion, Branches which share a geographic name with branches in other areas in the UK or Overseas can request permission to include the county or district in their Branch name. The MS5D form should be used for this purpose.

Four kinds of Branches:

- Branches that cover a defined geographical area. These are the most common kind and each one comes under the responsibility of a County.

- Overseas Branches. Read more about these [here](#).
- National Branches. These are non-geographical and are often created by special-interest Groups. National Branches are overseen by the National Branches District.
- Branches of the [Women's Section](#).

A Branch must have a Committee of at least seven members, elected and appointed. If a Branch isn't able to form a Committee, it can apply to its County for [County-supported Branch](#) status.

A County-supported Branch has no Committee, just two points of contact, and no bank account. The County manages its funds.

All Branches are part of a County (with some exceptions Overseas and National) and are guided by their Counties. A Branch not happy with any decision of its County Committee, may within 28 days raise a complaint to the Membership Council. A copy of the complaint must be sent to the County Committee at the same time.

Branches can form Groups, particularly in large Counties. Groups can help Branches to support each other, act as a forum and provide a link between Branch and County. More on Groups can be found [here](#).

Counties and Branches each have their own Committee. Counties also have their own Conference.

b. Committees and the roles people can hold

	Branch	County/District
Committee roles	Chair, Vice- Chair (Optional), Treasurer (appointed), Secretary, Branch Community Support Committee or Representative, Branch Recruiting Officer (non-compulsory)	Chair, Vice- Chair, County Community Support Committee or Representative, County Recruiting Officer, County Training Officer
Committee-appointed roles (but not Committee members)	President (non-compulsory)	President and Treasurer (both compulsory)
Number of additional Committee members allowed	Three to seven	Seven to 15

Quorum	Four	Half the members entitled to attend and to vote
---------------	------	---

Rules for all Legion Officers

They must:

- Follow the duties and responsibilities outlined by the Board of Trustees and the Membership Council.
- Adhere to all Legion policies and procedures.
- Ensure the formation complies with charity law.
- Serve the interests of the Legion at all times.
- Undergo appropriate training for their role.
- (For Branch officers) not serve as officers of an associated club Committee.
- (For Branch officers) not be a tenant or representative of a tenant of properties held in trust by the Branch.
- Any Membership Officer (Branch Chair, County Chair, Membership Council Representative, BoT member) cannot hold a position of National Parade Marshal, Deputy or Assistant National Parade Marshal whilst in membership office.

Community Support

Branches are there to promote Legion's work in their communities and the best way to accomplish that is to register for Branch Community Support Scheme (BCS). There are two roles that members can hold that support Branch Community Support. At Branch level a registered Branch should have a BCS Representative who is responsible to the Branch Committee for the community support activities of the Branch. They must follow strict confidential working practices and complete appropriate training.

At County level there should be a County Community Support Coordinator who encourages and advises Branches on the delivery of BCS support. They work closely with the Membership Engagement Officer (MEO) who can provide professional advice and support.

Both roles are required to attend training and have appropriate checks completed. There are opportunities for members to become telephone buddies, case workers or visitor volunteers. Find out more about these roles [here](#).

What happens if a role suddenly becomes vacant?

If this happens to the role of Chair or Vice-Chair, the next highest placed candidate in the latest election fills the vacancy. If there is no such person, the Committee may co-opt a temporary replacement for the remainder of the term unless there are more than 15 months

until the next election. In this case the Committee must initiate an election within one month and complete it within four months to fill the vacancy.

If a vacancy occurs for any other position, the Committee may co-opt a suitable member of a Branch within the County as a temporary replacement until the next annual meeting or special meeting, when a fresh election must be held for the rest of its term. A member elected or appointed in this way may be elected for up to three further terms in the office concerned.

What County Committees do:

- Oversee the activities of the Branches in their Counties and establish Groups.
- Recommend to the [Membership Council](#) the closures, openings and status changes of Branches.
- Oversee Branch Community Support.
- Prepare County Plans.
- Can authorise any person, whether or not a member of the Legion, to visit any meeting of any Branch or Branch Committee in its County at any time on its behalf and to have access to all deeds, documents, books and accounts of this Branch.
 - Take a Branch into administration where necessary, keeping the Membership Council informed at all stages. A branch unable to form a committee or in other ways unable to temporarily function, is supported by the County Committee instead of Branch Committee where all branch affairs including bank account, are under the control of County until the branch can return to normal.
- In case of a local resolution which identified a need for a member to be suspended or excluded, the County Committee refers this back to the LCC for action.
- Make sure that every Branch submits copies of its annual Branch accounts to Head Office.
- Hold an annual meeting, which may put motions forward to the Legion's [Annual Conference](#).
- Help the [Board of Trustees](#) and the Membership Council to carry out the work of the Legion.
- Help to organise the [Poppy Appeal](#) and any other fundraising activities in their Counties.
- They can establish sub-Committees.
- They should act on resolutions passed at the Annual Meeting of County Conference (or at a Special Meeting of the County Conference), as long as they do not conflict with the Royal Charter or with the Board of Trustees' instructions.
- Encourage payment of membership fees by Direct Debit and encourage members to Gift-Aid their subscription where appropriate.
- For more about their responsibilities, see the [Royal Charter](#).

The County Committee, in discussion with the Membership Council Representative , may elect to remove a Branch officer or committee member from their position, or

prevent them from taking a position on a committee where they have not demonstrated the Legion's values and behaviours, have not followed the rules as laid down in the Royal Charter and the Membership Handbook or have not followed relevant RBL instruction, policy and procedures.

c. Bye-laws

Bye-laws lay down how a formation is organised and structured and how it works. They also contain all the terms of reference of County sub-Committees. They are based on the [Model Bye-Laws](#). For Counties, any amendments or additions must be approved at a Meeting of County Conference by a two-thirds majority and then approved by the Membership Council. For Branches, byelaws are covered in the MS1 form and annually to the Membership Engagement Officer (MEO).

d. County Plan

Counties must have a three-year plan based on Legion aims and policies and the county objectives. County plans are live agenda items which the County Committee reviews at each committee meeting and should also be reviewed annually by the County Committee at their annual meeting.

e. Overseas Districts and Branches

There are two kinds of overseas Branches: those that operate within an overseas District and those that are stand-alone. Stand-alone Branches come under the responsibility of the Membership Council.

Overseas Districts (Germany, Spain North and Spain South) operate in the same way as UK Counties but should be aware that some activities (for example, fundraising and property ownership) will be regulated by local laws. If there is a conflict, then the law of the home country of the District or Branch must prevail. The Legion's Membership Engagement Officer (MEO)(Overseas) offers support and guidance to all overseas formations.

Overseas Districts have their own supplementary Model Bye-Laws, found [here](#).

f. Legion-licensed Clubs

Legion members can join Legion-licensed clubs (referred to here as TRBL Clubs). Club membership is additional to Branch membership and club members may need to pay an additional club membership fee directly to their club.

TRBL Clubs are independent, not-for-profit, registered mutual trading societies, which are not part of the charity. They must apply to the Legion for a licence to use the charity name and logo. They must be run in accordance with the law, the registered club rules and the conditions of the licence under which the club uses the name of the Legion in its title and the Legion logo.

The Legion provides model club rules, approved by the Financial Conduct Authority, and on the basis of the agreed rules, the club is correctly registered.

Each club is granted a licence in perpetuity by the Legion, allowing it to use the Legion's name and logo. Failure to comply with the conditions of the licence and rules can result in the withdrawal of the licence. Clubs are required to submit an annual application to obtain or renew their Legion licence, attaching supporting accounts and a recommendation from the Regional Club Relationship Manager to obtain or maintain a licence. The County Committee will have the opportunity to challenge or support the Regional Club Relationship Manager's recommendation.

The issue of a full or conditional licence and the withdrawal of a licence must be approved by the Membership Council. The issue of a full licence needs to be approved for the first time; following the first approval, if there are no recommendations for a licence change or withdrawal, the club will be automatically granted a full licence without the need for further approvals from the Membership Council.

The activities of Legion clubs are supported by the following staff members: Regional Club Relationship Managers and the National Clubs Administration Manager. Staff can provide management advice for clubs, but clubs must make their own decisions when it comes to running the business.

If a club occupies a building in corporate trusteeship, the club is the Legion's tenant. The occupation of the club is regularised through a lease or other tenancy arrangement. Rent is charged to the tenant in accordance with the Charities Act 2011, the Landlord and Tenant Act and Royal Institute of Chartered Surveyors standards. For more information about property issues, contact commercialadmin@britishlegion.org.uk or your Regional Property Manager.

Overseas Districts must ensure that Branches do not use the Legion's name or their Branch accounts in connection with any bar or club used by the Branch. They must also make sure that Branches do not use the Legion's name on any financial accounts connected with bars and clubs.

Counties should monitor the activities of clubs to ensure that a club is not in breach of its Legion licence and that it is not bringing the name of the Legion into disrepute. Any issues must be reported to the Regional Club Relationship Manager and the National Clubs Administration Manager. Counties must, however, recognise that clubs are independent trading societies and therefore they cannot interfere with the internal running of a club. Counties must work with the Regional Club Relationship Managers and Membership Engagement Officer (MEO)s to recommend the issue and withdrawal of the Legion licence to and from clubs.

Counties must not provide business advice or guidance to clubs – the first point of call for any business matters are the Regional Club Relationship Managers and National Clubs Administration Manager.

Counties are encouraged to appoint [Club Liaison Officers](#).

It is illegal for Branches to subsidise Legion clubs (or any other social purpose) from charitable funds. That means they mustn't pay for things that the club should pay for. They also must not loan money to clubs. To do so would be to use charitable funds wrongly and might lead to the Branch Committee members facing criminal proceedings.

Branches must not collect club rent – the Legion's Commercial Department has a duty to ensure that a proper rent is charged in accordance with charity law and the lease, and that rent is received when due.

Branch officers must not also serve as club officers and vice versa. Committee members who sit on both Branch and club Committees must declare their interest and withdraw from that part of a meeting of the Branch Committee when decisions affecting the relationship between the Branch and club are to be made.

g. Premises occupied by Branches

Branches that occupy or control properties must make sure that building is safe. The Branch Chair is responsible for this, although he or she can delegate day-to-day management to another Legion member.

Everything you need to know on building safety legislation is in the Branch Occupied Premises Statutory Compliance Policy available through the Commercial Team at the Head Office.

11. Formation finances

a. Legion funds – general notes

All money held by Branches, Counties and Districts are charitable funds and belong to the Legion. The Board of Trustees is responsible for the management and administration of this money.

The Legion's corporate financial year runs from 1 October to 30 September. The financial year for Branches, Counties and Districts runs from 1 July to 30 June. The Legion's accounts are audited annually.

To find more information about funds held by the Legion, please consult the [Royal Charter](#).

b. Membership funds The General Fund

Membership fees go into the General Fund, an unrestricted fund. General Fund and Gift Aid claimed on those fees and donations also go here. It pays for:

- Membership governance and administration, including Annual Conference.
- Grants to Counties and Districts for administration, training and events.
- Producing *Legion* magazine.
- Membership support, development and training.
- The costs of staff involved in activities that support the membership.

Branch and County funds

They are unrestricted funds, the day-to-day administration of which has been delegated to Branch and County Committees. These funds must be used to further the Legion's charitable aims through activities, [almonisation](#) of welfare grants or through donations to the Poppy Appeal or other Legion services and activities.

Some Branches and Counties also have their own restricted funds. These funds may contain money from [Branch Property Trusts](#), legacies and other donations and can only be spent in accordance with the relevant terms or wishes of the donor.

Branch Crisis Grants

Branches, who are registered and have trained supporters conducting Branch Community Support, can issue a Branch Crisis Grant up to £200 where an immediate response is required out of office hours. This enables branches to respond quickly where support is needed by our beneficiaries who are facing a crisis need for the basics of life, food, shelter etc. The Branch Crisis Process must be adhered to when issuing a grant.

c. The Branch Funds Initiative (BFI)

The Branch Funds Initiative is a savings scheme administered by Head Office. Funds are pooled and invested on long-term deposits with banks approved by the Finance Committee. This helps Branches and Counties to benefit from a higher rate of interest than they would normally achieve independently and keeps their funds secure.

d. Legion Online Accounting Management System (LOMAS)

The Legion Online Membership Accounting System (LOMAS) is an electronic accounting system for Branches, Counties and Districts maintained by the Finance Department. Its purpose is to provide Branches and Counties with a secure online platform for maintaining their accounts and to automate the production of the annual Branch return. LOMAS is not an online banking platform.

If your Branch is interested in using LOMAS, contact your Membership Engagement Officer (MEO).

If you need help with LOMAS, email LOMAShelpdesk@britishlegion.org.uk

e. Branch Property Trusts

Some Branches are connected to properties that are held on trust.

If you need more information on your Branch's Property Trust please contact the Regional Property Manager.

12. About the Membership Council

a. Aims and how it works

For guidance on Membership Council elections, click [here](#).

The Membership Council is a sub-committee of the Board of Trustees. It represents the needs of Legion membership. It usually meets six times a year, right after the meetings of the Board of Trustees. The Membership Council Chair can also call a special meeting of the council if needed.

The Membership Council exists to:

- Help with membership policy matters at the request of the Board of Trustees or Legion directors.
- Manage and administer Counties.
- Manage and administer Branches that do not belong to a County.
- Approve the formation, amalgamation and closure of Counties, Branches.
- Approve County model bye-laws, County bye-laws and Branch model bye-laws.
- Approve, amend and withdraw Legion club licences.
- Monitor the General Fund Budget and make recommendations on income and expenditure.
- Make recommendations for the improvement of membership administration and systems to make sure that members' needs are being met.

It helps to develop the Legion's strategic membership plan and oversees:

- The Membership complaints procedure.
- Membership Training
- The Ceremonial Handbook.
- The Legion's Youth policy.
- The Legion's Bands policy.
- The Legion's Cups and Shields Guidelines.

Details of these can be found on Microsoft Office 365 (O365) or through your Membership Engagement Officer (MEO).

The Membership Council is made up of the following:

- Two members of the Board of Trustees appointed by the Legion's National Chair.
- These two members are the Chair and Vice-Chair of the Membership Council.
- 19 members, including one from each electoral region and one from Overseas, the Women's Section and National Branches.

Geographical Electoral Regions:

- Merseyside/Cheshire (Cheshire, West Lancashire)
- Manchester/Lancashire (Greater Manchester, Lancashire)
- Northern (Cumbria, Isle of Man, Northumbria)
- Ireland (Northern Ireland, Republic of Ireland)

At meetings, there needs to be at least one trustee member and seven elected members present for the meeting to be [quorate](#). In addition, the Legion's Executive Director of Membership should be present and heads of department and managers from the Legion's membership division if they are needed. Other members of Legion staff may be invited to help with specific agenda items. The Legion's Director of Operations may have a standing agenda item so that they can brief the membership council and feedback on matters relating to the Legion's operation.

The Chair of the Membership Council chairs the meetings. Therefore, he or she needs the skill and experience to guide the council, including good knowledge of the Legion's activities. Anything he or she says in this role should reflect Legion views and policy. In the absence of the Chair, meetings are Chaired by the Vice-Chair of the Membership Council.

The meeting participants work through the agenda. Reports that have been produced for the Membership Council to consider (including sub-committee work) are circulated at fourteen days ahead of the meeting to Membership Council members by email.

The Membership Council provides the Board of Trustees with minutes of meetings and detailed reports on specific proposals where needed. Members of the Membership Council can see meeting agendas, briefing papers and decision minutes on the Legion intranet. Confidential items are published in the secure area.

The Membership Council can also advise the Conference Committee on motions for [Annual Conference](#).

Members of the Membership Council represent the views of themselves and their regions. However, once a majority decision is taken by the Membership Council, it must be honoured by all members. The Chair can ask a Membership Council member to relinquish his or her position if there is a conflict with the Legion's values and aims, they do not accept a majority decision or if they have been absent for three consecutive meetings in a year.

13. What Membership Council members do

Membership Council members always act in the best interests of the Legion. They must not gain financial or other benefit from membership of the council. Council members take decisions together and are collectively responsible for their implementation. They delegate responsibility for the day-to-day running of the membership to the membership department. They ensure that the membership organisation acts within the terms of the [Royal Charter](#). They are also responsible for organising briefings in their electoral regions.

Membership Council members undergo training when they take up their role. They are paid reasonable expenses. They should attend Annual Conference and can attend County

Committee meetings in their electoral region without invitation. They should attend the annual general meetings of Counties in their electoral region.

Membership Council members must not be Chairmen or Vice-Chairmen of Counties or Branches, or voting members of County or Branch Committees. They can only take the role of a President. Any conflict of interest must be declared.

14. Membership Council Working Groups

Ceremonial Working Group

This group maintains the Ceremonial Handbook, which can be found on Microsoft Office 365 (O365) or through your Membership Engagement Officer (MEO), and considers all matters to do with ceremony. It meets at least three times a year and the agenda is circulated at

least one week before each meeting. The Chair of this group presents the minutes to the Membership Council.

The members are:

- Three members of the Membership Council, one of whom is appointed as the Chair by the Membership Council Chair.
- The National Parade Marshal (or an assistant if he or she cannot attend).
- The Women's Section National Parade Marshal (or an assistant if she cannot attend)

The Membership Governance Coordinator coordinates the meetings of the Ceremonial Working Group. Three members of this group must be at a meeting for it to be quorate. Votes are taken by a show of hands.

Membership Awards Working Group

This group decides on the application criteria and the Annual Membership Awards. It meets twice a year and the agenda is circulated at least one week before each meeting. The Chair of this group presents the minutes to the Membership Council.

The members are:

- Four members of the Membership Council. One is appointed as the Chair by the Chair of the Membership Council.
- The Secretary, who is a member of the Membership Directorate.

Members serve for three years and can serve multiple terms. Three members of this group must be at a meeting for it to be quorate. Votes are taken by a show of hands.

Legion Complaints Committee

For guidance on dealing with complaints, click [here](#).

This groups deals with membership complaints and reports to the Membership Council. It is briefed on all formal complaints and discusses them at meetings, where it decides whether to investigate. The Chair of the group can consult members of Legion staff if he or she needs to.

If the group decides that there needs to be a formal investigation, the group Chair sets up an investigation panel. This panel consists of three or five members and has its own Chair, appointed by the complaints committee Chair.

If there is a complaint against a member of the Board of Trustees or a member of the Membership Council, the Complaints Committee Chair will refer that case to the Legion's Governance Committee.

The Complaints Committee may suspend a member or volunteer from any County, Branch, committee or sub-committee for up to 90 days before a formal investigation. The Complaints Committee may revoke or extend the suspension if needed.

The members are:

- Five members of the Membership Council, one of whom is appointed as Chair by the Membership Council Chair.

Members serve for three years and can serve multiple terms. The Members of Legion staff can be invited to meetings to help with specific agenda items. The Legion's Membership Liaison Officer is the secretary and is required to attend all complaints committee meetings. The secretary convenes meetings, issues an agenda and briefing papers before meetings, and issues minutes to Complaints Committee members and other relevant people. Four members must be at a meeting for it to be [quorate](#). If the Complaints Committee Chair is absent, another member of the Complaints Committee can take their place. 15. Annual Conference

The Legion holds an Annual Conference, as required by the [Royal Charter](#). It is held over two days normally on the weekend before the spring bank holiday. Its location is decided at Annual Conference four years earlier. Conference is set by the Standing Orders of Conference (a copy of which is available from the local Membership Engagement Officer (MEO)).

Annual Conference comprises:

- Reports and accounts for the past year.
- The Legion Director General's address.
- Review of the corporate plan.
- Motions, including the proposal of amendments to the Royal Charter and the membership rules.
- Nominations for membership of the Conference Committee.
- All decisions at Annual Conference are taken in the form of voting by Branch delegates.

The Conference Committee

The Board of Trustees appoints a Conference Committee to oversee the preparation of the Annual Conference and its agenda. This committee consists of:

- Two members of the Membership Council nominated by the Membership Council Chair.
- Three members or life members elected by Annual Conference.
- Members of the Board of Trustees, Membership Council and staff members may attend and can speak at Annual Conference. However, they may not vote or attend as the delegate of any Branch or County Conference.

The Legion President presides at the opening of Annual Conference. The conference is chaired by the Legion Chair (or in the Chair's absence by the Legion Vice- Chair). Read the Standing Orders, available through Microsoft Office 365 (O365) or your Membership Engagement Officer (MEO), to find out how Annual Conference works.

13. County Conference

Every conference agenda should include, as a minimum:

County Conference organisation

The County/District Conference Committee are responsible for the planning and delivery of the conference and should use the 'Standing Orders for Annual Conference and TOR for the Conference Committee', making adjustments where appropriate to allow for where the County Conference differs from the Annual Conference. This Standing Order is available on Membership Administration Portal (MAP)).

14. Awards

The Legion recognises outstanding contributions or achievements that go well beyond what might normally be expected of a Legion officer or member.

National awards

To be considered for a national award, a person must have already been awarded a County or Branch Certificate of Appreciation. National awards are decided by the National Chair.

- **The National Certificate of Appreciation** is the highest honour. It may be awarded to a member who has made a conspicuous contribution to the Legion for at least 12 years. Certificates are presented at Annual Conference and are accompanied by a lapel badge inscribed 'For Merit'.
- **Life Membership** is awarded to a member who has given at least 10 years meritorious and conspicuous service to the objectives of the Legion as defined by the [Royal Charter](#). This member usually holds the Legion Gold Badge. The recipient remains a member without having to pay a membership fee for the rest of his or her life. When Life Membership is approved, a certificate is sent to the member, together with a Life Membership card and badge.
- **The Gold Badge** may be awarded to a member who has given at least eight years meritorious and conspicuous service to the objectives of the Legion as defined by the Royal Charter. Following the National Chair's approval, the Branch or County proposing the award must meet the cost of the badge. When the recipient passes away, the badge becomes the property of the next of kin, who may retain it or return it to the Branch.
- Application forms for national awards can be obtained from the Membership Engagement Officer (MEO)s or from Microsoft Office 365 (O365). Applications must:
 - Demonstrate the individual's service to the Legion.
 - Be signed by the Chair of the nominee's Branch, Group or County. If the Chair is the nominee, the application must be signed by the President. Where two or more offices are combined, it may be necessary to involve the Treasurer.
 - Be recommended by the County Committee.
 - It is advisable not to tell the nominee about recommendations to avoid disappointment if the application isn't successful.

Every member, excluding Youth Members, Life Members and Members awarded a National Certificate of Appreciation, must pay an annual membership fee to the Legion.

County award

A County Certificate of Appreciation may be awarded to a member who has made a conspicuous contribution to the County.

Branch award

A Branch Certificate of Appreciation may be awarded to a member who has made a conspicuous contribution to the Branch or Legion in general.

King's Birthday and New Year Honours

Legion members may be recommended for inclusion in the King's Birthday and New Year Honour List. Recommendations are normally for the Order of the British Empire – Officer of the Order (OBE), Member of the Order (MBE) or British Empire Medal (BEM). The Legion has its own Honours Group who oversee the nominations process; the Honours Group is chaired by the National President.

The member being nominated should have given exceptional and outstanding service to the Legion. Citations must be submitted on the dedicated Cabinet Office Citation form which contains a record of offices/roles held and date and demonstrates the distinctive nature of the nominee's work. References should be made to service in HM Forces and any voluntary work with other organisations and in the local community.

The Legion has guidance on the Honour process, which along with the form can be requested via your Membership Engagement Officer (MEO) or the Director General's Office. Please note only the Cabinet Office citation form will be considered, no additional information such as supporting letters will be reviewed as part of the citation. All citations should have the 'nominated by' completed in case any queries arise.

The timetable for nominations is set by the Cabinet Office and therefore subject to change. The Director General's Office will e-mail County Chairs and Membership Engagement Officer (MEO) with the timetable with an expected return date of end of January for New Year Honours and end of August for the King's Birthday Honours. Please send these to:

Executive Assistant to the Director General, The Royal British Legion, 199 Borough High Street, London SE1 1AA or e-mail your County Chair or Membership Engagement Officer (MEO) for forwarding to the Director General's office.

Due to the complicated process around Honours, it is better to avoid telling the nominee that they have been nominated to avoid disappointment if the recommendation is not successful.

22. Groups

Counties can use a Group system if they wish. All Counties need an efficient method of two-way communication with their branches. The Group system, used correctly, can be a valuable, vital, administrative and management tool for any County Committee. Group meetings, held at regular intervals, provide a local point of contact and advice, mutual support and assistance. County officers can make good use of Group meetings to discuss policy matters and plan forthcoming events where Group/Branch support would be advantageous.

Optimum Group Size

Counties wishing to adopt, and use, the Group system should look carefully at the size and shape of the County area when it is deciding the Group areas and in which Group to place a Branch. Equally, it is important to determine the optimum Group size to provide an efficient and effective structure. Too large a Group can be cumbersome to organise, too small a Group can have little effect to which there is no advantage. The ideal size is therefore thought to be between 7-10 branches for a large, widely dispersed County and between 5-7 for a smaller County.

Group Naming

Groups are to be named to identify them. It can be by known and accepted regional terms, by town name, by district name or by reference to the area through points of the compass.

Model Group Rules

The Membership Management Handbook (MMHB) provides guidance for the management, responsibilities and work of the Group. The County Committee is charged with defining their responsibilities. Counties should provide a set of model rules for Groups which are to be endorsed by the County Committee. Where the model rules are to be modified for local use, again, they are to be endorsed by the County Committee before they are taken into use.

Group Members on the County Committee

The workload of County Committee members can be demanding. These members must be individuals who are able and willing to give their time freely throughout the year. A heavy and demanding workload can lead to a paucity of committee members, which may require some committees to co-opt individuals to vacancies. Having to co-opt individuals can have an adverse effect on the committee, reducing the number of elected committee members and therefore can affect the numbers required for a quorum. This in turn can restrict the committee from carrying out its business on behalf of the County membership.

County Committees should consider using one or two members from each Group to populate their County Committee. This spreads the County committee members across the entire County area giving representation to all branches and ensures that the County remains quorate.

Communication between County, Group and Branches.

Communication is the key to County, Group and Branch harmony. The County, its Groups and Branches must embrace technology and remain current.

Counties, Groups and Branches should use a calendar for planning events/activities. This requires effective and consistent co-ordination with the full co-operation of all concerned. This will reduce conflicts with shared dates for some smaller events and may ensure that larger County events can be supported by the Groups and Branches.

Compliance

Group officers will be elected by the Branches they represent at the Group Annual General Meeting. See County Model Rules for Group Officers.

Group finances and Accounts

There is no requirement for a Group to hold a Branch Funds Initiative (BFI) Account and this fund, if held, should be closed immediately and the income disposed of within the current rules.

If a Group needs to hold a Group R&P Account a justification case should be put forward to the County Committee and the Group must comply with the guidance given. The Group R&P Account must not exceed £250, unless authorisation is given by the County Committee, and the Group must submit its account for audit annually within the given timeframes. A failure to comply may result in the County withdrawing its permission for the Group to hold an account and the account will be closed.

The principal expenditure will be on travel expenses of Committee members (those named on the Group MS1) and on administrative expenses incurred by the Group Secretary. It may also be necessary to provide for the hire of a hall for meetings (if branches within the Group are unable to provide premises). On this basis there is no need to build up a reserve for financial contingencies.

A Group Committee does not qualify for financial support from membership fees and there can be no official Legion source of funding for Groups. All Group funding must be raised from within the Group. Groups may raise subscriptions from their Branches and hold Group fundraising activities to provide funds to finance their activities. Branch subscriptions to the Group should be at a fixed rate per Branch to be decided at the Group Annual General Meeting (AGM) and made annually. The money obtained constitutes charitable funds and must be treated as such.

Formation of Groups:

Each County Committee may divide its area into geographical divisions to be known as Groups (a number of Branches that the Committee thinks appropriate for administrative purposes). As communication is the main priority, Group task the Group structure should be based on the geographical proximity of Branches. Groups are to conduct their business using the same policies and procedures as those for Branches contained within the Membership Management Handbook (MMHB), with the following exceptions:

Groups can operate in one of two ways:

A Group of Branches operating with Group Officers. They hold meetings with Branch Representatives at regular intervals. A Group Representative is appointed to represent the Group and its Branches at County Committee meetings where they are appointed to the County Committee.

A Group of Branches operating without Group Officers. They do not hold meetings. Each Branch is contacted as required by a County Committee member who is nominated by the County Committee to look after each Group of Branches.

If a County operates either Group system, every branch within the County must be allocated to a Group, without exception, the Group name should easily identify the Group and its area.

Groups operating with Group Officers are to submit a MS1 containing the contact details of the Chair, Secretary and if applicable the Group Treasurer, Standard Bearer and Group Representative.

Each Branch within the Group may send a representative to Group Meetings to discuss and vote on issues and whilst any Branch member can attend Group Meetings only one representative from each Branch can vote.

Each Branch is to provide an official Branch Representative, authorised to take appropriate decisions, within the remit of the Group, on behalf of the Branch; otherwise the representative is to refer to their own Branch Committee all matters requiring consultation. The Branch Representative elected to the Group Committee is to provide information and reports required by the Group.

It is for each Branch to determine how their representative is provided (by election/voting, nomination by Branch committee) and to determine who is eligible to be nominated (Branch Officer, Branch Committee member or Branch member).

Only the nominated Branch Representatives are authorised to vote at Group meetings, irrespective of the number or standing of any other Branch member(s) present at the time. Only one voting member per branch is permitted. Normally a Branch Representative is brought onto the Group Committee at the Group AGM. It is recognised that Branches need continuity of representation and change may be necessary outside the normal routine. The Branch is to notify the Group Chairman when there is a change to the nominated representative.

There are to be 2 Group Officers, the Chairman, and the Secretary. If the Group is to hold a R&P Account then a Treasurer must be appointed. If the Group has a Standard then a Group Standard Bearer is required. The Group is entitled to appoint and send Group Representative(s) to the County Committee in accordance with the County direction in force at the time. The Group Representative(s) will be nominated and named at the Annual Meeting of County Conference and considered elected to the County Committee. Should it be necessary to change Group Representatives between the Annual Meetings of County Conference, the Group will inform the County Chair/MSO of the change. The new Group

Representative will be formally co-opted at the next available County Committee meeting and have voting rights from that point forward.

The Group Chairman is to run all Group meetings. The Group will elect its Group Representative to take their place on the County Committee. The Representative can be any branch member from within the Group. The Group Representative must be willing to take full part in County Committee business; to positively participate in discussion and activity; and to be a member of County sub committees as appointed. If the County rules in force at the time allow more than one Group representative, the additional Representative(s) is/are to be elected by the Group at its AGM. If a Group is permitted more than one Representative under the County rules in force at the time and cannot, or does not wish to, provide more than one Group representative to the County Committee then that Group will so inform the County Chairman/MSO prior to the Annual Meeting of County Conference. The Group Representative position released by a Group will be filled at the Annual Meeting of County Conference by electing, from the floor at the conference, an individual member who is formally proposed and seconded to the vacant position. Anyone so elected is not required to represent the Group whose position they fill. Once elected, the individual will hold the position for the period of election, after which the Group may choose to fill it themselves or continue to release the position.

If it is necessary for the Group Committee to vote on any proposal then this will follow the voting rules laid down within the Membership Management Handbook (MMHB). As there are no specific rules for Group voting, the Group will follow the rules for Branch voting as the Group is made up of elected Branch members.

The Group Representative(s) to the County Committee is/are to provide a written record of action or major information points to Branch Representatives of the Group following the County Committee meeting. This is to be concise, distributed as soon as possible after the meeting but not more than fourteen calendar days, and is not to be seen to replicate or replace the County's official record of the meeting. It is for Branch Representatives to distribute the notes within their Branches according to their Branch Committee requirements.

The responsibilities of the Group Officers are to be found in the MMHB. There is no County requirement for a Group to have a Group President. The role of the Group is communication.

Management of Group Finances is covered in the MMHB. There is no requirement for a Group to hold a Branch Funds initiative (BFI) Account but some Groups may need to hold an R&P Account, to cover administration costs, which is limited to £250 and they will be required to submit an annual account for audit. The County Committee are responsible for authorising a Group to hold an R&P Account. The expenditure is limited to those items allowed under the current RBL regulations. Income can be raised in the form of Branch subscriptions. Groups should consider raising Branch subscriptions that enable the Group to conduct its business.

This should meet the requirements the MMHB by ensuring the Group raises its funds at a fixed rate and manages its business without generating any excessive funds. A Group may fundraise for a specific purpose and accept donations.

It is for Branches to correctly record their subscriptions to the Group in their financial records. These are normally in the form of expenses only.

The Secretary is to record and distribute action points made at Group meetings.

Branches are to provide concise written notes on points that they wish raised at the next County Committee meeting to ensure accuracy of the Branches' intent. The Group Representative(s) will then have all points to take forward to the next County meeting.

The Group Secretary is to issue an agenda no less than seven calendar days prior to a previously arranged Group meeting. Any Branch wishing to add an agenda point must do so through their elected representative to the Group Secretary prior to the issue of the agenda.

The Group meeting agenda will follow a set format, as will the Group AGM.

A quorum will consist of (group to insert number) Branch Representatives.

Group Officers and Representatives shall be elected for a (two or three year appointment – Group is to decide, but a one year appointment is not recommended), which is to coincide with the County Committee calendar. For continuity, Group Officer and Representative appointments should be staggered so that the Chairman and Secretary and any other Group Representative to the County Committee do not change in the same year.

A voting system of a simple majority of those present and authorised to vote will be used.

Group Representatives may become full members of the County Committee at the Annual Meeting of County Conference if the County so decides.

The Group meets at the same intervals as the County Committee meeting (currently quarterly). The Group meets in advance of the County meeting in order that Branch Representatives can provide the Group with a report on activities over the past period, a forward plan of activities for the next twelve months (where known), and raise in writing any issues that Group needs to bring to County attention.

These rules can be changed at any Group meeting by a simple majority of those authorised to vote, provided that the proposed change is submitted in writing to the Secretary in good time for the Secretary to distribute the proposed changes one month (31 calendar days) prior to the next Group meeting. This is to ensure that each Branch has a chance to review the proposed changes at a regular Branch meeting prior to the next Group meeting. Guidance is to be sought from the County Committee to ensure that there are no breaches of County rules/regulations and the County Committee agree to the proposed changes.
