ROYAL BRITISH LEGION

About the Membership Handbook

Welcome to the Membership Handbook

The Membership Handbook is a vital resource for all members of the Royal British Legion. Mandated by the Royal Charter, it provides essential guidance to ensure that our work is carried out in alignment with the principles and legal obligations enshrined in this cornerstone document. The handbook is designed to help members navigate their roles effectively, offering both policy guidance for day-to-day activities and detailed information about the structure and operation of our membership organisation. By following the guidance and instructions contained within, you will not only ensure compliance with UK charity law and the Royal British Legion's policies but also contribute to the smooth and successful running of your branch, County, District or Section. This handbook is an indispensable tool to help us work together to achieve our shared mission, and it complements the Royal Charter by providing practical advice and clarity for all aspects of membership activities.

It has two purposes:

- To ensure that you to comply with UK charity law and with the Royal British Legion's policies when going about your RBL activities. Where you see the words 'must' and 'must not', or 'do' and 'do not', these instructions are a requirement of law or of RBL policy.
- To help you to run a happy and successful branch, County, District or Section. It is good practice to follow the instructions in the handbook as many have legal or policy requirements that will help with compliance of the Royal Charter and RBL policies.

This book is detailed but not completely comprehensive, so if you have any questions that aren't addressed here, ask your MEO (Membership Engagement Officer) for help.

A formation is branch, County, District or Section. Where you see the word 'County' or 'Counties', these terms cover all Counties, Districts and Sections.

The Royal Charter

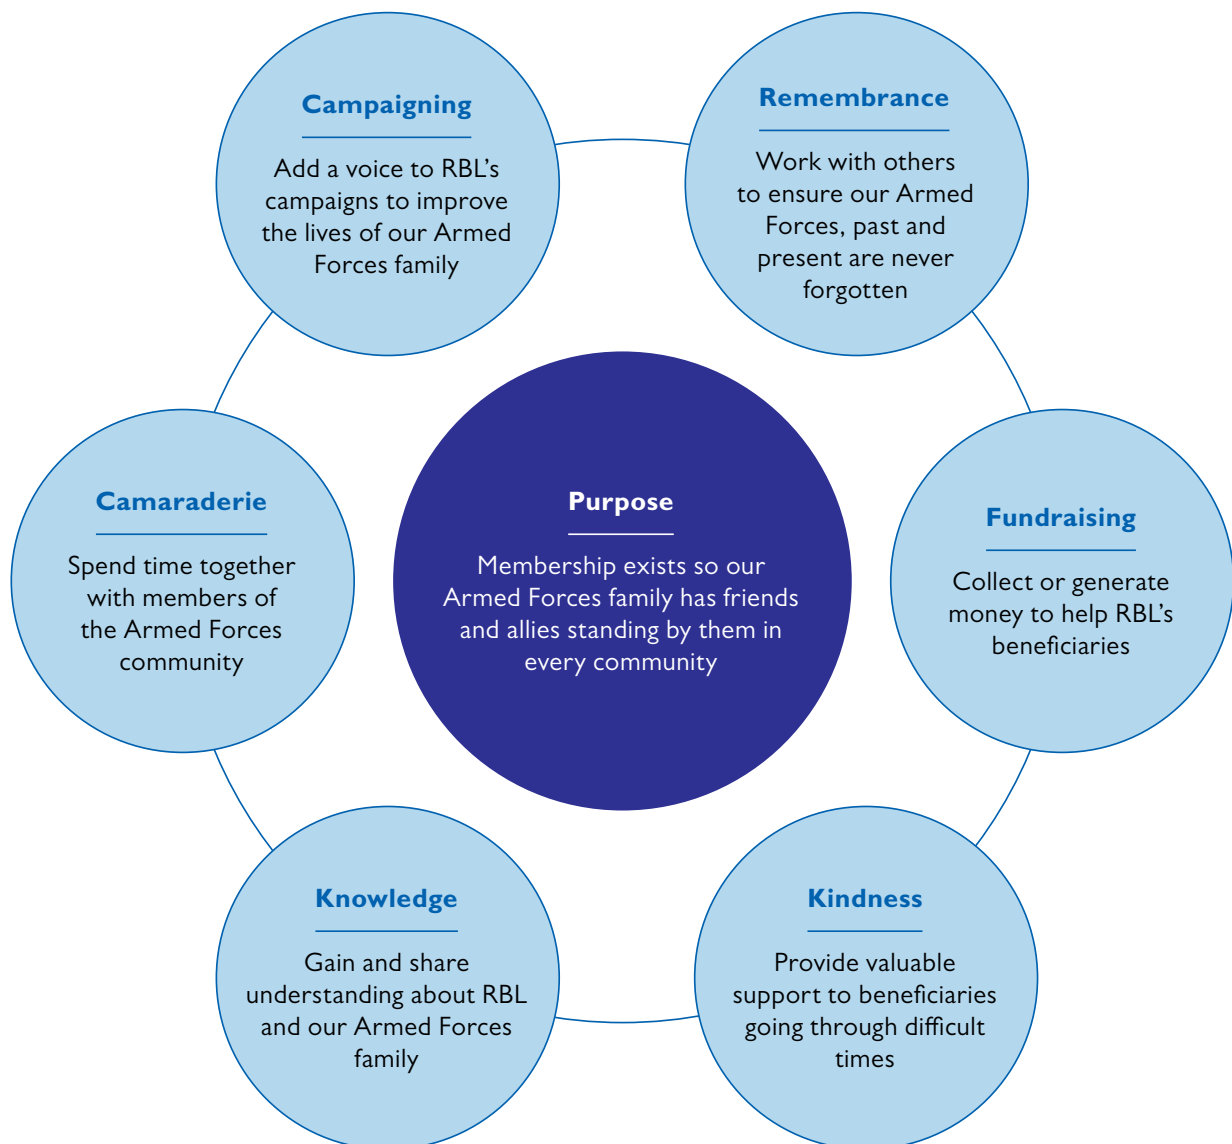

The Royal Charter directs all of the Royal British Legion's work. It is a governance document that is recognised by the Government and the Charity Commission. It is enforceable in law. You can read the Royal Charter through the RBL's [website](#).

This handbook sits alongside the Royal Charter. It was created to help RBL officers; committee members and RBL members make sure they're acting within the rules of the Royal Charter.

Purpose and Value of Membership

Membership exists so our Armed Forces family has friends and allies standing by them in every community.

Our members bring value to the RBL through six core functions as shown below:

What it means to be a RBL member

Values and conduct

As local representatives of the Royal British Legion, members are expected to behave with integrity, to work together and to trust each other. Our values apply as much when dealing with people face to face as when communicating online, whether through official RBL channels, social media or personal emails.

We have ten guiding principles:

1. Respect and maintain the confidentiality of RBL information (unless you need to disclose something to prevent harm to yourself or to others, or to prevent financial or reputational risk).
2. Follow the organisation's policies and procedures.
3. Remain neutral and unbiased in all RBL activities.
4. Promote equality and diversity without being discriminatory.
5. Be dedicated to the responsibilities you have agreed to.
6. Be respectful and considerate towards others.
7. Guard the reputation of the RBL and build positive relationships internally and externally.
8. Ensure that no personal benefit or conflict of interest arises from your actions.
9. Be responsive and proactive in dealing with others.
10. Put comradeship at the heart of what you do.

We have five values that we maintain:

1. Service

We support and serve.

We are compassionate.

We provide great customer care to all the people who come into contact with us. We are accountable and act with integrity.

2. Excellence

We strive to be the best we can.

We are effective and efficient.

We are bold.

We are open to innovative ideas and approaches, challenge each constructively, and are willing to learn.

3. Collaboration

We value working together and with partners to achieve shared goals. Through strong communication and support, we build trust with each other and treat everyone with respect and honesty.

4. Valuing our people

We support, encourage and provide opportunities for all our people, ensuring we recognise and value everyone's contribution.

5. Passion

We are passionate about our role and contribution.

With a positive outlook, we are committed to our work.

About the RBL

Overview

The Royal British Legion (RBL) stands at the heart of a national network dedicated to supporting our Armed Forces community. Since our founding in 1921, we have been unwavering in our mission to ensure the unique contribution of serving personnel, veterans, and their families is never forgotten. From those who have served just seven days to those whose service is far behind them, we are here to provide assistance whenever it is needed, every day of the week. As the UK's largest Armed Forces charity, we cannot do this alone, the RBL's strength is its 180,000 members, 110,000 volunteers, and wide network of partners. We work tirelessly to deliver practical, emotional, and financial support to the Armed Forces community. Our roots lie in the aftermath of the First World War, when the British Legion was formed by uniting four ex-service organisations. This commitment to care and remembrance began with initiatives like the Poppy Appeal, launched in 1921 to support WWI veterans, and continues today with a modern, professional organisation driven by our shared values of Service, Collaboration, Passion, Excellence, and Valuing our People.

The Royal Charter, which governs all we do, ensures we uphold our responsibilities with integrity and accountability. Whether through direct support, remembrance, or advocacy, the Royal British Legion remains a steadfast presence for all who have served and those who continue to serve.

How the RBL is financed

All funds held by the RBL (by branches, Counties and centrally) are charitable funds and are the responsibility of the Board of Trustees. The funds must be used only according to instructions and policies from the [Board of Trustees](#). These instructions and policies are always in accordance with the Royal Charter, charity law, financial laws and other regulations concerning use of charitable funds, as well as codes of practice, rules of good practice and other professional compliance advice the RBL receives. The use of charitable funds for purposes other than those laid down by the Board of Trustees is strictly forbidden and may be illegal. The Board of Trustees is responsible for two funds defined in the [Royal Charter](#).

The Benevolent Fund

This contains gifts of money or property from public or private subscription or other sources, and is the charity's main source of income. The Poppy Appeal provides a large part of this income. The Royal Charter requires formations to give active support to the organisation of the Poppy Appeal, which is a year-round activity, and not just confined to Remembrancetide.

The General Fund

This funds the membership organisation. It draws its income mainly from the annual membership fees paid by members and from Gift Aid on those fees. It covers:

- Membership administration, governance, grants, training grants and events grants (the application process for which can be found [here](#)) for Counties.
- Producing RBL magazine
- Membership Support
- Membership Training
- Membership staff costs

Both funds will be examined annually by an independent examiner or a qualified auditor.

The RBL's governance

The Board of Trustees is the RBL's governing body. It instructs and advises the Membership Council, Counties and branches. Find out more about how the Board of Trustees works on our website [here](#).

The Membership Council represents the members of the Royal British Legion. Find out more through your local branch. RBL staff implement the policies and procedures agreed by the Board of Trustees and the Membership Council.

Annual Conference

Annual Conference is the biggest RBL Membership event of the year. It is an important meeting supporting the governance of the charity where the annual accounts report, Director General's address and voting on motions take place. Alongside the business of conference, which is set out in the Standing Orders for Conference, the event also provides the opportunity for engagement and discussion between membership, staff and invited guests.

The Annual Conference is a great opportunity to catch up on Royal British Legion news, meet fellow members from across the UK and abroad as well as RBL teams. The RBL website has a dedicated [page to Annual Conference](#). As well as Annual Conference being a social engagement event, there are specific requirements set out in the Royal Charter for the business of Conference, which include:

- a. presentation of reports and accounts for the past year;
- b. the Director General's address to Annual Conference;
- c. consideration of Motions proposing amendments to the Charter;
- d. consideration of issues of general policy raised by way of Motion by the Board of Trustees or County/District Conferences or overseas or non-territorial Branches; and
- e. nominations for membership of the Conference Committee.

All decisions at Annual Conference are taken in the form of voting by branch delegates. Eligibility to attend as a delegate is dependent on the branch being confirmed compliant, please see Glossary. Branches that have not met this requirement can still attend as a visitor but will not have the opportunity to submit motions or vote at conference and must meet the expenses for attendance, whereas there is support available for delegates to have a proportion of their expenses met.

The Conference Committee

The Board of Trustees has delegated authority to the National Conference Committee to oversee that the business of conference is planned and carried out in order with the Royal Charter and Standing Orders for Conference. This committee consists of:

- One member of the Board of Trustees nominated by the National Chair.
- Two members of the Membership Council nominated by the Membership Council Chair.
- Three members or life members elected by Annual Conference.

Members of the Board of Trustees, Membership Council and staff members may attend and can speak at Annual Conference. However, they may not vote or attend as the delegate of any branch or County Committee.

Each compliant County Committee is entitled to send one delegate to Annual Conference who can speak but not vote on any motions

The National President presides at the opening of Annual Conference. The conference is chaired by the RBL National Chair (or in the Chair's absence by the RBL National Vice Chair).

Annual Conference information is available on the main RBL website, with information pertaining to previous years available on MAP at this link.

Membership Council Meetings

At meetings, there needs to be at least one trustee member and seven elected members present for the meeting to be quorate. In addition, the RBL's Executive Director of Membership should be present and heads of department and managers from the RBL's membership division if they are needed. Other members of RBL staff may be invited to help with specific agenda items. The RBL's Director of Operations may have a standing agenda item so that they can brief the Membership Council and feedback on matters relating to the RBL's operation.

The Chair of the Membership Council chairs the meetings. Therefore, they need the skill and experience to guide the council, including good knowledge of the RBL's activities. Anything they say in this role should reflect RBL views and policy. In the absence of the Chair, meetings are Chaired by the Vice Chair of the Membership Council.

The meeting participants work through the agenda. Reports that have been produced for the Membership Council to consider (including sub-committee work) are circulated at 14 days ahead of the meeting to Membership Council members by email.

The Membership Council provides the Board of Trustees with minutes of meetings and detailed reports on specific proposals where needed. Members of the Membership Council can see meeting agendas, briefing papers and decision minutes on the RBL intranet. Confidential items are published in the secure area.

The Membership Council can also advise the Conference Committee on motions for Annual Conference.

Members of the Membership Council represent the views of themselves and their regions. However, once a majority decision is taken by the Membership Council, it must be honoured by all members. The Chair can ask a Membership Council member to relinquish their position if there is a conflict with the RBL's values and aims, they do not accept a majority decision or if they have been absent for three consecutive meetings in a year.

What Membership Council members do

Membership Council members always act in the best interests of the Royal British Legion. They must not gain financial or other benefit from membership of the Council. Council members take decisions together and are collectively responsible for their implementation. They delegate responsibility for the day-to-day running of the membership to the Membership Department.

They ensure that the Membership Organisation acts within the terms of the Royal Charter. They are also responsible for organising briefings in their electoral regions.

Membership Council members undergo training when they take up their role. They are paid reasonable expenses. They should attend Annual Conference and can attend County Committee meetings in their electoral region without invitation. They should attend the annual general meetings of Counties in their electoral region.

Membership Council members must not be Chair or Vice Chair of Counties or branches, or voting members of County or Branch Committees. They can only take the role of a President. Any conflict of interest must be declared.

Membership Council Administration of a County

1. Counties entering Membership Council Administration

- 1.1. The decision to take a county into MC Administration is a serious matter and is for the judgement of the Membership Council (MC). MC Administration is a temporary measure where the county is supported by the MC instead of a County Committee and all county affairs, including bank account, are under the control of MC until the County can return to normal.
- 1.2. Every effort should be made to prevent the need for MC Administration. Issues within counties should be identified as early as possible in order to resolve them. The MC should monitor the counties through the County Development Registers and associated Action Plan in order to achieve this. Where issues are identified the MC Rep should work alongside the County Chair and Committee, Audit and Compliance team, MEO and the MEM to support the county to resolve the issues within a given timeframe.
- 1.3. A County may be taken into MC Administration where:
 - The County Committee is not effective due to the committee structure. This may be due to:
 - A County is unable to form a committee or a committee stands down.
 - The County Chair stands down, is removed from post, or the role is otherwise vacant and either there is not a county vice chair or vice chair is unwilling to act as interim Chair (see note below 1.4).
 - A County Committee is temporarily unable to function effectively, for example, where there are insufficient committee members or the county officer roles cannot be filled.
 - There is no likelihood of potential Committee members coming forward.
 - The County Committee is not functioning effectively in its role. This may be because:
 - The County Committee is unable or unwilling to fully comply with the Legion compliance requirements (governance and financial).
 - The County Committee has demonstrated a lack of effective management of the county's branches leading to multiple issues.
 - A County Committee is not demonstrating the Legion's values and behaviours, have not followed the rules as laid down in the Royal Charter and the Membership Handbook or have not followed relevant RBL instruction, policy and procedures.
- 1.4. Where this situation occurs, the MC should consider whether the remainder of the county committee is functioning and effective and whether standing the committee down for MC Administration would therefore be detrimental to the county. If this is the case then the MC may choose to put in place a temporary County Chair, selected by the MC Rep from the existing committee, and agreed by MC, who will remain in place until elections are conducted.
- 1.5. The decision to take a county into MC Administration should be agreed by the MC and noted in the MC meeting minutes. In exceptional cases there may be a requirement to take a decision on a county's status outside of the routine MC meeting schedule. In such a case, the decision is to be taken by email vote and discussion and the decision is to be ratified and recorded at the next MC meeting.

2. MC administration process

- 2.1. Once the decision has been taken to take a county into administration, the MC should appoint two MC Reps as Points of Contact who are responsible for implementing and managing the MC Administration for the county.
- 2.2. There are two approaches (described in more detail below) to managing the administration period depending on the situation within the county:
 - **Approach 1:** this intervention is undertaken when the branches within the county are in a positive state and the primary issues lay within the County Committee itself. The aim of MC administration in this case is to maintain business as usual and provide oversight of the county until an election can be held to establish a new committee.
 - **Approach 2:** this is a more intensive intervention where the issues within the county extend to the branches and there are multiple and complex matters which require resolution. This may include where the MC Administration process is expected to be in place for a prolonged period ie: beyond one election cycle. The aim of MC Administration in this case is to resolve the issues within the county while maintaining business as usual and oversight of the county. This ensures that, once established, the new county committee is able to function and manage the county effectively.
- 2.3. To take a County into administration the following process should be followed:
 - A letter should be sent to any existing County Committee members informing them that the County is being taken into administration and that they no longer hold committee roles.
 - County Officers should be informed that all required documentation should be handed to the MC Points of Contact, giving a date by which this must occur.
 - County Officers are to be informed that all county resources are to be handed over to the MC points of Contact including any laptops or event resources such as gazebos (or the contact and keys for the location in which these items are stored). All such items should be listed on a county asset register.
 - Outgoing officers are requested to amend the bank mandate by a given date so that the signatories are the supporting County Chair and supporting Treasurer
 - All branches of the County should be informed that the County has been taken into administration.
 - The County President and County Chaplain, unless also being removed from role, should be informed of the Administration process and should support the process where appropriate.
 - The fundraising PAM should be informed of the Administration process.

3. MC Administration Approaches:

- 3.1. **Approach 1.** A working group should be formed to manage the administration process which includes:
 - MC points of contact (one of which is to chair the meetings)
 - A supporting County Chair
 - A supporting County Treasurer

- Membership Engagement Officer (MEO)
- Membership Engagement Administrator (MEA)
- Audit and Compliance staff member
- Membership Learning & Organisational Development (L&OD) member of staff
- A member of the finance team.

3.2. The role of the County Chair and the treasurer are not intended as interim County Chair and Treasurer but are to support the MC Points of Contact in the administration process, including managing county funds and acting as mentors to the new County Chair and Treasurer once a new committee is in place.

3.3. Approach 2. For this more intensive intervention two groups are established:

3.3.1. Oversight Group: The aim of this group is to resolve the key issues within the branches and at county level, which prevent the county from functioning effectively and in a compliant manner. The group will produce a clear action plan for the branch and county level matters and deliver resolution of these issues prior to a new county committee being established. The Chair of the Interim Committee (details below) is to feed into, and report back from, this group.

- MC points of contact (one of which is to chair the meetings)
- A supporting County Chair
- Membership Engagement Manager (MEM)
- Membership Engagement Administrator (MEA)
- Audit and Compliance staff member
- Membership Learning & Organisational Development (L&OD) member of staff
- A member of the finance team.
- A member of the legal team (as required)
- A member of the property trusts team (as required)
- The Regional Property Manager(as required)
- The Regional Clubs Relationship Manager (as required)

3.3.2. Interim Committee: The aim of this committee is to ensure that the county continues with business as usual, that branches receive appropriate BAU communication and support and that the county has representatives at key activities such as county chairs' seminar.

- MC Rep
- A supporting County Chair (chair of the committee)
- A supporting county treasurer
- Membership Engagement Manager (MEM)
- County Parade Marshall
- An interim committee including CTO and branch or group representatives.

4. Administration of the County

- 4.1. Throughout the MC Administration period, all county branches are to be kept informed of progress and are to be informed of the contact details for the MC Points of Contact.
- 4.2. There is no restriction placed on Branches within counties that are in MC Administration; branches should continue to carry out their usual role and compliant branches are eligible to vote. County Officers who are stood down as part of MC Administration may continue to sit on the branch committee.
- 4.3. The MC should consider whether the ceremonial roles of Standard Bearer and County Parade Marshall have contributed to the reasons that the county has been taken into administration. If this is not the case they may both remain in post while a county is in MC Administration and the County Standard Bearer will retain the standard throughout. Authorisation to parade the standard during this time should be sought from either the MC Point of contact (Approach 1) or the interim County Chair (Approach 2). During the period of administration the standard bearer competition should take place as usual.
- 4.4. County Conferences should take place as usual during the period a county is in MC Administration and are to be organised and organised by the MC Point of Contact (Approach 1) or the interim County Committee (Approach 2) with support from the staff team.
- 4.5. Following each County Chairs' seminar a face to face back-brief session should be conducted for all branches within a month.
- 4.6. Where the county has a group structure, the Group committees are unaffected by the MC Administration. Unless they have been specifically stood down as a result of the MC Administration process, those elected by the group committees to be Group Reps on the county committee will continue to hold that appointment throughout the process and will move onto the new committee once formed. Group Reps should continue to provide support to branches, support the MC Administration process and brief the MC Points of Contact and Interim County Chair as required.
- 4.7. Branches in County Administration and those which are CSBs at the time that the MC Administration begins will be administered by the supporting County Chair and County Treasurer.
- 4.8. The L&OD team should continue to deliver any branch training that has been scheduled or is required by the branches. The MEO should liaise with neighbouring counties and inform the branches of any training taking place in neighbouring counties that it would be appropriate for the branches to attend.
- 4.9. Any commitments that the county had made, such as events, should be honoured.
- 4.10. The appointment of County Poppy Appeal Co-ordinator is unaffected by the Administration process and should continue to carry out their role. Updates are to be provided to the relevant contact.
- 4.11. Processes relating to effective county management of branches should continue during the period of MC Administration. These include branch closures or a branch moving to CSB.

5. County Finances

- 5.1. Any funds within their County continue to be held as a restricted fund for the County – these funds are available to the MC Points of Contact for such expenditure as is required to manage the county and re-establish a county committee. The funds should be monitored and managed by the supporting County Treasurer.
- 5.2. The county will not be classed as compliant for the duration it is in MC administration.

6. Resolution of issues

- 6.1. The Points of Contact should establish a clear plan of action to resolve any issues or matters outstanding that were factors in the county moving into administration or would be a barrier to a new committee effectively managing the county. The Branch Risk Register and an Action plan should be maintained throughout the MC Administration period.
- 6.2. The MC Points of Contact will also be responsible for ensuring any Compliance and Audit recommendations have been properly actioned and such activity is properly recorded to support the county coming out of administration.
- 6.3. The Points of Contact should report to the MC at every meeting on the progress of the county administration process.

7. Forming a new committee

- 7.1. In some instances, the working group may deem it necessary to inform one or all of the previous committee members or officers that they are not permitted to stand for election and these members must receive written permission from the Membership Council Representative to stand for any future officer appointment or to become a committee member. Any previous committee members who are still subject to an LCC Investigation during the formation of the new committee will not be considered for a role on the new committee until the conclusion of the investigation.
- 7.2. In order to form a new committee and elections process should take place. This may take place outside of the usual elections period, if deemed appropriate by MC:
 - Meeting time and date are decided.
 - 12 weeks prior all branches are notified of time, date and location and nominations are requested.
 - 8 weeks prior – nominations for the following are received:
 - County Chair
 - County Vice Chair
 - Treasurer
 - County Committee members
 - 4 weeks prior to the meeting the branches are provided information on the respective nominees for each role. If only one nomination is received for an officer role, then that individual is appointed without the need for a vote.
 - At the meeting a ballot will take place – only compliant branches are permitted to vote. The vote will take place using ballot papers. Where no ballot is required as there is only one nominee for the role, then that role will be announced at the meeting.

- Should a situation arise whereby no county chair and vice chair are nominated, the county will remain in MC Administration while the process of election for chair and vice chair elections is run for a second time. The nominated committee members will become the county committee in abeyance. If no nominations for chair and vice chair are received at the second election MC is to consider the future of the county.
- 7.3. Within a month of the meeting the new committee is to hold a committee meeting during which it will:
- Appoint the county officer roles: CYO, CTO, CRO, County Secretary, CCSC and County Parade Marshal.
 - Co-Opt members onto the committee members to fill any vacant roles.
 - Sign the MS1
- 7.4. The MC Points of Contact are to liaise with the Membership L&D team to arrange the appropriate training to be delivered to all committee members and officers within 6 months of the formation of the new county committee.
- 7.5. Once a new committee is in place, the supporting Chair and Treasurer should remain as a point of contact and mentor for the new committee until it is properly established.

8. Counties leaving Membership Council Administration

- 8.1. The process for taking a county out of MC administration should be a phased one and should not automatically occur when a new county committee is formed. The working group and in particular, the MC Reps who are the county Points of Contact, should remain in place to support, guide and mentor the new committee.
- 8.2. Once the MC Points of Contact are satisfied that the criteria below have been met, they should submit a final report to that effect to MC recommending that the county be taken out of administration. The MC decision should be noted and minuted.
- 8.3. The following should be used as a guide to indicate a county which is stable and effective enough to be taken out of administration:
- The County has formed a full committee with all elected and appointed officers in place.
 - The County Chair and Vice Chair have completed County Management Training, the treasurer has completed the required treasurer training and the majority of officers have undertaken the appropriate training, or they are scheduled to do so.
 - The county has demonstrated effective monitoring and management of the county and their branches' compliance and an increase in compliance has been recorded.
 - The county committee has adopted an effective approach to the management of the branches, activities and funds branch, with county committee members each responsible for acting as the link for a number of branches.
 - The issues highlighted in the action plan and factors which led to the county being taken into administration have been fully resolved or moved to a position which is manageable through the county committee.

Branch Officers (Chair, Vice Chair), Secretary, Treasurer (appointed, not elected) & Committee members

General notes:

Only Current, Adult, or Life Members may be nominated.

- There can be only one nominee per branch for each position.
- If branch members nominate more than one member for County or National elections, a vote is held. The nominee who gets the most votes is the winner. If there is a tie, the final nomination is determined by lot between the tied candidates.
- If only one nomination is received, the candidate is deemed elected.

Standing for election

Candidates are not allowed to canvas. But they can:

- Create a CV no longer than one page of A4, with a passport-size photo attached.
 - Consider what will help the decision of voters: for example, RBL-specific experience, relevant professional experience and a personal statement.

They should bear in mind that CVs may be edited before they're distributed to voters. Candidates may be asked to make alterations (which they can accept or decline).

Nominations	<ul style="list-style-type: none"> The nomination sheet listing branch office and tenure must be made available to members 21 days before the branch Annual General Meeting. Completed nomination sheets – including the name of the nominee, membership number and name of the proposer and seconder – must be sent to the Branch Secretary at least seven days before the branch Annual General Meeting.
Actions prior to election	<ul style="list-style-type: none"> The Branch Secretary must check if candidates are current members and if they consent to stand for position. The master nomination must be created and circulated to members.
Voting	<ul style="list-style-type: none"> By ballot by eligible members present, unless the position is unopposed, in which case the person is elected automatically. Election of Branch Officers takes place before the election of Committee members.
Term	<ul style="list-style-type: none"> To be decided by the Branch Committee.
Vacancy occurring mid-term	<ul style="list-style-type: none"> The position must be filled until the end of the original term by co-option to the Branch Committee, which will be subject to confirmation by election at the next branch Annual General Meeting. Co-opted members may propose, second and vote.

Policy Guidance

ROYAL BRITISH LEGION

Law and Governance

This section of the handbook will guide you in day-to-day Royal British Legion matters. If you follow the guidance in the following pages, you will be acting within the law and in accordance with the Royal Charter and RBL policy.

Everyone is welcome to become a RBL member. You can join via www.britishlegion.org.uk, by phone or by calling our free helpline, or by completing a membership application form available from branches. Every member has to join a branch and pay an annual fee. Membership will be renewed annually, and unpaid membership will be cancelled. If you decide not to be a member for any reason, your membership can be easily cancelled at any time.

Data Protection

Members' details are held in the central database managed by Royal British Legion staff. Branches and members should report any changes, such as changes of address, by emailing membershipservices@britishlegion.org.uk to or via the Membership Self-Service Portal [Log In](#) (britishlegion.org.uk).

It is the responsibility of those who process people's data to do so within reason and within data protection laws. You can read the RBL's privacy policy and promise [here](#).

Protecting People's Data

The Royal British Legion is committed to using good practice in the handling of personal data in order to comply with the requirements of the General Data Protection Regulation (GDPR). The RBL aims to be fair and lawful in the way it uses, processes and stores personal data, and will keep members informed about the purpose for which we collect their data, adhering to individual rights of access to their data and any objections they may have regarding the use of their personal information.

All general RBL policies and procedures relating to data protection can be obtained from the MEO.

Members must inform the MEO or membershipservices@britishlegion.org.uk of any data breaches.

General Data Protection Regulation (GDPR)

All members, including the Membership Council, County and Branch Officials, who process personal data which includes collecting, accessing and storing, must adhere to the following principles:

Obtaining data	<ul style="list-style-type: none"> • Personal data obtained on the membership application form should be sent to the relevant office as soon as possible, preferably by recorded delivery. Any copies kept locally must be kept securely and destroyed as soon as the new joiner's membership is confirmed. • Members who collect personal data from others must always clearly explain the purpose for which the information is being collected and how it will be used.
Accessing data	<ul style="list-style-type: none"> • Membership listings can be accessed online via Microsoft Office 365 (O365) system. Users must not share their login details with others. Only authorised Branch Officers who signed the form can have access to membership listings. • Membership data can also be obtained via email or post from the MEO or the Membership Department staff. Only Branch/County Officers who signed the MS1(A) form and Membership Council members can obtain membership data.
Storing data	<ul style="list-style-type: none"> • Personal data must be stored securely. • Hard copies must be kept in a safe place e.g. locked room, drawer, cupboard, or box. • Electronic copies must be kept on a device which is password protected (e.g. laptop, memory stick); ideally the folder/file should also be password protected. Members must take care to avoid having the devices lost or stolen. • Where a device, or paper record containing personal data is lost, you must report this as a data security breach to the MEO or Membership Services as soon as possible. • Data should not be kept if it is no longer needed and should be securely disposed of or deleted.
Processing data	<ul style="list-style-type: none"> • Members' data must not be used for any other purpose than communicating information relating to RBL. Mailings or information unrelated to RBL activities, in particular third party marketing materials, must not be sent or emailed. • Membership listings or any other materials based on these listings (e.g. address labels) should be used within one week of receipt and then destroyed, as they quickly become out of date. The central database is modified on a daily basis as a result of address changes, lapses, deaths, resignations, changes of membership type and new members. • When emailing more than one person, members' email addresses should not be typed into the 'To' field, but placed in the BCC (Blind Carbon Copy) section.
Retaining data	<ul style="list-style-type: none"> • Data must not be retained for longer than necessary. General retention rules can be found in the Members Retention Schedule in paragraph 12 below. If you cease to be a RBL member you must hand over to the branch or Head Office any paper materials containing members' personal data such as lists or labels, and delete any electronic formats of membership data you hold.
Sharing data	<ul style="list-style-type: none"> • Members have not given consent for their details to be made available to anyone except RBL authorised staff and Branch Officers. Consequently, a member's personal details (including addresses, telephone numbers and email addresses) must never be shared with the public, other organisations, other members, unauthorised staff or other volunteers, without the member's prior written consent. • All communications relating to RBL business are to be sent from an rbl.community email address by membership formations. Any sent from personal email addresses will be in breach of the data protection policy from 1st April 2024.

Public Relations (PR)

All local PR work is coordinated by Regional PR Officers. Any members who are contacted by the media for comment or interview should direct the journalist to the RBL Regional Press Officer for the area, the contact numbers for which can be found on the website at www.britishlegion.org.uk/quick-links/press-office-contacts.

The Press Officers will ensure that an appropriate response is provided or will be able to give you a brief and advice on how to respond. The press team will also help if a crisis occurs or if you are simply unsure of how to handle an issue.

Compliance

What Compliance means

To be compliant, branches and counties must fulfil their financial and administrative obligations by submitting their annual accounts and membership forms within the specified deadlines set by the Royal British Legion.

Branches and Counties cannot be considered compliant if they are in administration, as this status indicates they are not fully operational or meeting the required organisational standards.

Compliance for Branches

A compliant branch is one that fulfils its financial and administrative responsibilities in accordance with the Royal British Legion's policies. This includes submitting its annual accounts by 30th September for the field financial year ending on 30th June of that year. In addition, the branch must submit its MSI form, which details its committee membership, by 31st December of the same year. For County Supported Branches, compliance is solely determined by the timely submission of the MSI form by 31st December.

Compliance for Counties

A compliant county meets its obligations by adhering to both financial and administrative deadlines set out by the Royal British Legion. This requires the submission of annual accounts by 30th September for the field financial year ending on 30th June of that year. Additionally, counties must submit their MSIA form, detailing county-level committee membership, by 28th February of the following year.

Benefits of Being Compliant

Compliant branches are eligible to send a delegate to the Annual Conference, providing an opportunity to contribute to key decisions that shape the organisation's future. They can also nominate candidates in elections, send delegates and vote at County Conferences, and take part in elections at various levels. This active involvement not only strengthens the branch's voice within the Legion but also reinforces its role in supporting the wider Armed Forces community.

Summary of General Compliance Requirements

While not part of the Royal Charter compliance criteria, adopting certain good practices can significantly enhance the effective running of a branch.

- It is required to have three or more signatures on bank mandates, ensuring that every cheque/bank transfer is signed by at least two signatories who are not related to each other.

- Branches should hold less than £5,000 in local branch bank accounts, transferring surplus balances into branch BFI accounts maintaining practical financial management.
- Additionally, registering for and using an RBL.Community email address ensures secure and professional communication, aligning with the standards expected across the Royal British Legion.

These practices support transparency, accountability, and operational efficiency.

Audit and Investigation Criteria

The Audit Compliance & Investigations Team is part of the Internal Audit Department and work on behalf of the Audit & Risk Committee and the Membership Council, providing them with information and assurance to help support them to fulfil their responsibilities.

Each year a number of RBL branches and counties are selected to have a compliance review. The prompt for a review can be from various sources and the reasons are varied, including routine reviews of branches or counties that have not been audited in the past. However, the majority of reviews are due to failure by a branch or county to comply with the policies and procedures set out in the Royal Charter and Membership Handbook.

The purpose of a compliance review is to identify what, if anything, is not as expected/required and the underlying reasons why. The overarching reasons are to protect charitable funds and ensure the RBL complies with Charity Commission requirements.

If a branch or county is selected for a review, officers will generally be asked to provide:

- The branch or county ledger / cashbook / spreadsheets showing income and expenditure
- Cheque books, paying-in books, bank, and BFI statements
- Payment & Receipt vouchers; together with supporting invoices, receipts, and expense forms
- Branch or county meeting minutes showing the authorisation of expenditure
- Other appropriate documents, such as asset registers and Independent Examiner (IE) reports (if applicable).

This will normally cover a three-year period, and branches and counties are required to supply all documentation requested and answer any queries raised by the team. Where issues are identified, remedial actions will be identified and explained/communicated to the appropriate individuals.

Finances

RBL funds – general notes

All money held by branches, Counties and Districts are charitable funds and belong to the RBL. The Board of Trustees is responsible for the management and administration of this money.

The RBL's corporate financial year runs from 1st October to 30th September. The financial year for branches, Counties and Districts runs from 1st July to 30th June. The RBL's accounts are audited annually.

To find more information about funds held by the RBL, please consult the [Royal Charter](#).

The General Fund

Membership fees go into the General Fund, an unrestricted fund. General Fund and Gift Aid claimed on those fees and donations also go here. It pays for:

- Membership governance and administration, including Annual Conference.
- Grants to Counties and Districts for administration, training and events.
- Producing RBL magazine.
- Membership support, development and training.
- The costs of staff involved in activities that support the membership.

About formation finances

Branch and County funds

They are unrestricted funds, the day-to-day administration of which has been delegated to Branch and County Committees. These funds must be used to further the Royal British Legion's charitable aims through activities, almonisation of welfare grants or through donations to the Poppy Appeal or other RBL services and activities.

Some branches and Counties also have their own restricted funds. These funds may contain money from Branch Property Trusts, legacies and other donations and can only be spent in accordance with the relevant terms or wishes of the donor.

Branch Crisis Grants

Branches, who are registered and have trained supporters conducting Branch Community Support, can issue a Branch Crisis Grant up to £200 where an immediate response is required out of office hours. This enables branches to respond quickly where support is needed by our

beneficiaries who are facing a crisis need for the basics of life, food, shelter etc. The Branch Crisis Process must be adhered to when issuing a grant.

The Branch Funds Initiative (BFI)

BFI is a savings scheme administered by Head Office. Funds are pooled and invested on long-term deposits with banks approved by the Finance Committee. This helps branches and counties to benefit from a higher rate of interest than they would normally achieve independently and keeps their funds secure. See page 16 for the rules and requirements relating to the BFI; all funds exceeding £5,000 (or a lower figure if you are a smaller branch not requiring as much operating cash) must be placed in the BFI.

RBL Online Accounting Management System (LOMAS)

LOMAS is an electronic accounting system for branches, Counties and Districts maintained by the Finance Department. Its purpose is to provide branches and Counties with a secure online platform for maintaining their accounts and to automate the production of the annual branch return. LOMAS is not an online banking platform.

If your branch is interested in using LOMAS, contact your MEO.

If you need help with LOMAS, email membershipservices@britishlegion.org.uk

Branch Property Trusts

Some branches are connected to properties that are held on trust.

If you need more information on your Branch's Property Trust please contact the Regional Property Manager.

Financial Management

Branch and County banking

UK Branches must have only one bank account. This must be a current account held preferably with Lloyds Bank or Barclays. It must be held in the name of 'The Royal British Legion – [branch name]'. Personal accounts or accounts in the name of Committee members must not be used for branch transactions, even as a temporary measure.

If a UK branch has more than one account, it must close the additional account(s) and transfer any balance within it to its main current account or to the Branch Funds Initiative (BFI). If you're not sure what to do with a bank account, contact your MEO for help.

Branches should only keep enough money in their current account to meet their day-to-day requirements. For most branches, this will be £1,000 or less. The maximum amount of funds that branches are permitted to hold in their current account is £5,000. The maximum amount of funds that counties are permitted to hold is £15,000 (not including BFI or specifically ringfenced funds, such as CSB funds). All funds that are surplus to day to-day requirements/exceeding limits must be placed in the Branch Funds Initiative (BFI) account that is administered at RBL's Head Office. Women's Section are required to send surplus funds to the VWS Benevolent Fund.

Overseas branches are not required to deposit surplus funds into the BFI due to the risk of unfavourable exchange rate variances and foreign transaction fees when sending money in and out of UK bank accounts. Instead, overseas branches are permitted to have one additional bank account besides their current account, to keep surplus funds in. This must be a bank savings account, with a reputable, registered financial banking institution; we would recommend using the same bank that holds your current account where possible. The savings account should generate a (higher) rate of interest on the funds it holds. For clarity, only overseas branches are permitted to have a second bank account, being this savings account.

No branch, being overseas or UK, should hold investments of any kind (besides CCLA investments in the UK) without prior written approval from RBL's Chief Financial Officer.

Having run an internet banking pilot with Lloyds in the first half of 2024, RBL is due to roll out access imminently to counties and branches in tranches based on eligibility and priority. Counties and branches must wait until they are contacted by their MEO with an invitation to set up online banking and are not permitted to do so in advance of that contact. Branches banking with other banks are not currently permitted to set up internet banking without the express permission of the Finance Department. This is to ensure that appropriate financial controls are in place over all branch transactions. In particular, dual payment authorisation must be set up as part of the initial registration for internet banking and instructions for how to do this will be sent to you when you are invited to register for the Lloyds internet banking programme.

Branches are not permitted to operate a Debit Card for payments as this does not provide dual authorisation.

Branches are not currently permitted to operate a Contactless Terminal, QR code or any similar arrangement for income.

How to manage branch funds

The Branch Committee, under the leadership of the Branch Chair, is responsible for the branch funds. It must make sure:

- That there are adequate controls and accounting records.
- That branch expenditure complies with the policies and procedures of the RBL and with charity law.

Branches should create a simple budget for the year, setting out the income they expect to generate and what they expect to spend.

Day to day, the Branch Treasurer maintains the branch accounts. The Branch Committee should approve the Branch Treasurer's delegated authority limit, generally between £250 and £500, depending on the size of the branch.

Branches should record their income and expenditure in separate funds (Benevolent Fund or General Fund). A fund is simply a way of recording income, expenditure and cash separately in the branch accounts. This does not mean that each fund requires a separate bank account. A branch can have more than one fund in its current account and Branch Funds Initiative. At the end of the financial year, the sum total of all funds held by the branch should equal the total

amount of cash held in the current account and BFI.

If branches have funds that are surplus to requirements, they should consider making a donation to the [Poppy Appeal](#), making a transfer to the County Welfare Fund or donating to a Royal British Legion care home. This will ensure that the funds are used to support the RBL's beneficiaries. You can ask your local Community Fundraising team or check the Fundraising Handbook about other projects and ideas.

Branch Funds Initiative (BFI)

To withdraw funds from the BFI, you can apply by emailing a completed BFI Withdrawal Form to membershipservices@britishlegion.org.uk or via your Royal British Legion Online Membership Accounting System (LOMAS) account if you are a LOMAS user.

To deposit funds in the Branch Funds Initiative, complete the BFI deposit form and email this to membershipservices@britishlegion.org.uk. To pay by cheque, post your cheque addressed to the Branch Accounts team at Head Office. For branches registered for internet banking, to pay by direct bank transfer we will provide you bank details once we have received your completed form; ensure you put your Branch Number and the text "BFI Deposit" in the reference field on the bank transfer.

The interest rate paid to BFI accounts is determined by the RBL's Finance Committee and reviewed regularly. The current rate of interest can be found on your latest BFI statement. Interest is credited and statements are generated as at each calendar quarter end. Statements are available to download on LOMAS for LOMAS users, or emailed to non-LOMAS users, within a maximum of four weeks of the calendar quarter end. If a branch has not received a statement this can be requested from their MEO or membershipservices@britishlegion.org.uk

Dos and donts for spending branch and County funds

Do:	Don't:
<ul style="list-style-type: none"> • Use funds to further the charitable aims of the RBL. • Spend funds on events (for example, to recruit new members, for Remembrance events or to raise funds for the RBL). • Keep invoices or receipts for everything you buy with RBL money. By law, all invoices, receipts and vouchers must be securely retained for seven years. If you don't have an invoice or receipt, the person who has spent the money must create and sign a voucher, detailing what the money was spent on and how much. The voucher must be countersigned by a Branch Officer who had nothing to do with the purchase. Please refer to the 'Spend Guide — Local Commemorative Events' located on MAP for further guidance. • Keep the branch cheque book and paying-in book in a locked safe or drawer. 	<ul style="list-style-type: none"> • Use funds for the purchase, construction, repair or maintenance of memorials unless the memorial is owned by the branch and responsibility hasn't been passed on to another party. Memorials are usually the responsibility of the local authority. • Use funds to accumulate more money. • Sign blank or partially completed cheques. • Sell goods. The Royal British Legion as a charity cannot trade; that is why goods can only be sold through a separate trading company (Poppy Shop). Branches and Counties are part of the charity and therefore must not trade under charity law. However, they can offer low-value items sourced from the RBL (such as pins, pens and wristbands) for a suggested donation (not a minimum donation) to raise funds. Please note that any income from items produced by the Poppy Appeal must be sent to Poppy Appeal. • Use funds to subsidise another branch, a RBL club or any other third party. That includes loans or making reductions or deferments of charges due to the branch. If this happens, the Branch Committee members responsible may be found personally liable to reimburse the charity. • Give grants or make donations to other charities. The only exceptions are a donation to a local ex-Service charity with the approval of the Operations Directorate through the local MEO, or a donation to the Central Benevolent Fund to be allocated to a grant that the Board of Trustees has already agreed. • Use funds for paid employment. • Procure your own resources – branded products are available via your MEO all year round and from Poppy Shop during Poppy Appeal. • Enter into any financial credit or lease agreement (including the rental of property or equipment).

Rules on cheque and cash handling

You can read the full policy (SOP131) if you request it from your MEO, but below are some day-to-day rules to help you keep your transactions in order – and to help protect the Royal British Legion from fraud.

- A branch's bank account must have up to four mandated signatories, all of whom must be Branch Committee members. At least two signatories

who are not related to each other must sign every cheque. It is the Branch Committee's responsibility to make sure the list of mandated signatories is up to date when members leave or join the Committee.

- Check bank statements as soon as you receive them. Investigate any unexplained entries immediately. If you suspect fraud, tell your MEO.
- Reimburse petty cash only when you see a receipt and only directly to the claimant.
- Keep the branch petty-cash float as low as possible and reconcile it monthly. Any expenditure above £50 should be reimbursed by cheque. You can find the petty cash policy (SOP3) on Microsoft Office 365 (O365) or request it from your MEO.
- All expense claims should comply with the RBL's expenses policy (SOP42), which is available on Microsoft Office 365 (O365) or from your MEO. All claims must be submitted on the correct form, signed by the claimant and with receipts attached. All expense payments must be approved by the Branch Committee (at least their Treasurer and Chair) before payment.
- Issue a receipt for any cash or cheques given to the branch, unless the donation is part of a cash collection. Any cash received should be counted as soon as practically possible in the presence of two people. Use the SOP131 form, available on Microsoft Office 365 (O365) or from your MEO, to record the amount counted.
- If cash or cheques cannot be banked immediately, they should be placed in a sealed envelope, petty-cash tin or collection box and locked in a safe or a drawer.
- Cash and cheques must be banked within three days of receipt. Any cash receipts in excess of £1,000 must be banked within 24 hours. The longest you can leave it to bank cash and cheques is one week after receipt.
- No signatory is to sign a blank cheque. Authorised signatories should not be family members or cohabitants.

How to submit your annual return

Please refer to the Guide to Completing the Year-End Branch Return, which is updated annually and sent to Treasurers with the Branch Return Forms. You can also get a copy of this guide electronically from your MEO, or on the Membership Administration Portal (MAP).

New branches are not required to submit a branch return in their first financial year until they have been operating for six months.

Each year, a number of branches are selected for audit by the Royal British Legion's statutory auditor or the internal audit and compliance team. Branches are more likely to be selected for audit if they are holding substantial RBL funds, have failed to submit their return on time or have failed to respond to queries on their return from the MEO, or the Finance Department.

Funding and insuring branch events

Branches must attempt to secure services for their events at little or no cost where possible.

Any expenditure associated with the event must be reasonable and proportionate. All branch events should be discussed and approved at a minuted Branch Committee meeting in advance of the event.

The Royal British Legion holds public liability insurance in the event that it is held legally liable for injury to a third party or for damage to third-party property.

Branch events are covered by the RBL's insurance policy. This includes branch Standards paraded at such events, whether within the UK or overseas.

As far as Remembrance events are concerned, responsibility for organising Remembrance Parades should be passed to the local authority.

Parade safety for Remembrance events is the responsibility of a Civic Authority. Temporary Traffic Management Operations (TTMOs) may only be organised and deployed by the Civic Authority and on no account should RBL staff or volunteers be deployed to manage. Where RBL has to be the event organiser (because the Civic Authorities refuse) RBL may take this role but there can be no street Parade, no road closure and, therefore, no need for a TTMO unless this aspect of the event is owned by a Civic Authority. Whilst the branch can be involved in determining a Parade route, it should not itself contract with a third party and may not take responsibility for the design, and deployment of a TTMO.

RBL does not own or insure TTMOs. That is because the law relating to the safe deployment and removal of a TTMO is complex and should be left to local authorities or the police, who are the experts. These are formal arrangements and branches should not seek to make local arrangements with their local police or any other organisation or individuals as these would also not be covered. The requirements of the various Health & Safety regulations and Road Traffic Acts are complex, leaving the branch and RBL vulnerable to the human cost of dealing with serious road accidents and liability issues. As a result, our insurers will not provide cover. This policy does not only apply to Remembrance events, but any branch event where a road closure is being considered.

Therefore, any branch owned and organised event, including Remembrance events, must be:

- i. Static i.e.: no Parade on the public highway or movement of participants and crowd from one location to another along or near roads.
- ii. Completely off-road for both participants and other observers, including ensuring that any attending members of the public would not be on or near to a road in such a way that management of traffic would be required to ensure safety.
- iii. Organised by and agreed by the branch and recorded as such in branch minutes. Individual members may be the lead for a branch event but should not organise events, including Remembrance events, acting as an individual.

Any events organised by members that are of a social nature, such as Christmas meals, or travel, such as trips to the National Memorial Arboretum, visits to Regimental Museums or trips overseas, are not RBL events and therefore are not covered by the RBL's insurance policy. Any income and costs related to these events are not charitable income and expenditure and should not pass through the branch accounts. They must be held and accounted for separately. Under no circumstances may RBL funds be used to subsidise social events for members.

If you're planning a large fundraising event (with expenditure of more than £1,000), please check with your Community Fundraiser that it doesn't clash with any other large event.

Value Added Tax (VAT)

Branches and Counties sit outside of the Royal British Legion's VAT arrangements. This means that branches and Counties are unable to register for VAT. Branches must not charge VAT on any invoices they raise and are unable to reclaim any VAT they are charged by suppliers and other third parties. Branches cannot sell merchandise and cannot give away merchandise for a suggested donation of more than £1, e.g., jewellery, bags, clothing, etc. Doing so would constitute a vat-able supply. It is permissible to give away small items in exchange for a suggested donation, provided the value of the item is £1 or less, e.g., a pen.

Gift Aid

Members are encouraged to Gift Aid their membership fee when they join. Gift Aid Members can add or remove a Gift Aid declaration at any time by contacting the Membership Services team via email to membershipservices@britishlegion.org.uk or by logging into the Membership Self-Service Portal.

Note: any Gift Aid donations cannot be paid into branch funds as branches cannot claim Gift Aid directly. The RBL will claim Gift Aid centrally and only on donations and gifts received directly to its accounts.

Independent Examiner (IE)

The role of the Independent Examiner is to independently examine the branch's books, records, and annual accounts maintained by the branch or County/District Officers and express an opinion on them annually. The Independent Examiner is more commonly referred to as an IE.

The branch or County is to approve the appointment of an IE annually.

An IE, who is not a qualified accountant, must attend RBL training and successfully pass the examination. Only then will the IE be declared qualified by the RBL. The qualification will be valid for a period of three years, after which requalification training must be attended, and examination passed.

Where the IE is not a CCAB qualified accountant, they are limited to examining branches with gross income of up to £30,000 only.

Terms of Reference

1. A related party cannot be appointed as an IE. The definition of a related party is:

- a. A major donor to, or beneficiary of the branch or County/District; or
 - b. The child, parent, grandchild, grandparent, sibling, spouse, civil partner, business partner or employee or a Branch Officer or Committee member or of someone who is a major donor to or beneficiary of the branch.
2. The IE should obtain an understanding of the RBL's constitution, branch organisation, branch accounting systems, the size and complexity of the branch and the nature of its income, expenditure, assets and liabilities. The IE should review the accounting records and be satisfied that they are adequate for the size and complexity of the branch. Detailed checks should then be conducted. Upon completion of the examination, the IE will sign their report and note any matters to be brought to the attention of the Board of Trustees.
3. The IE must keep a record of the work undertaken with schedules of any relevant information extracted and explanations obtained from the Branch Officers which have been used to support the IE's opinion of the accounts. The IE should retain one copy of the final accounts after signature.
4. IE must refer to the 'Guide for Auditors and Independent Examiners' issued annually by the Finance Department before completing their examination.

Legacies

How to deal with legacies

In all instances where a branch is notified of a legacy, the branch must contact the Legacy Management Team at the earliest opportunity at membershipservices@britishlegion.org.uk or call 020 3207 2100 and ask for the Legacies Management Team.

The Legacy Management Team manages, receipts and allocates all legacy income to ensure that the correct amount is received and that funds are used in the manner specified in our Royal Charter and the Will. All correspondence relating to legacies must be sent to the Legacy Management Team as soon as possible.

Where a legacy is specifically gifted to the branch, the legacy shall be paid to the branch if under £5,000; legacies over £5,000 will be placed into a Trust held for the benefit of the branch. The Royal Charter sets out that legacies should only be used for furthering the RBL's objectives which means use is restricted to welfare and Remembrance activities, so it is not possible to place the legacy income into the branches BFI account.

To make a withdrawal from a Legacy Trust the branch should complete form SOP163 Appendix A and submit this to your MEO for approval. The MEO will check the planned expenditure is permitted under the Legion's general spending guidelines and confirm with the Legacy Management Team it is also permitted under the restrictions of the legacy before requesting payment to the branch by the Branch Accounts Team. In accordance with Charity Commission requirements to prevent funds being held in trusts indefinitely, the Legacy Management Team will review the Legacy Trust Portfolio annually and, where funds remain unspent, will liaise with the branch to find ways to spend it.

To prevent double accounting, legacies held in Legacy Trusts at Head Office should not be listed in branch accounts as this would mean they are accounted for twice.

Fundraising

Counties and branches have a key role in fundraising and should play their part in the Poppy Appeal. There will be committees looking after County funds and branches will look after branch funds.

In addition, Counties and branches may raise funds for their General Funds but must keep this activity separate from the Poppy Appeal and not use Poppy Appeal branding for this purpose. This is because Poppy Appeal branding may suggest fundraising for the Poppy Appeal and create confusion over how the funds will be spent. Also fundraising for the General Fund must not take place during Remembrancetide.

Counties/Districts and branches are not permitted to produce their own branded merchandise.

It is good practice for Counties to form a County Fundraising Committee. This may comprise people who are not Royal British Legion members but have been chosen because of their local standing and influence or their experience in fundraising.

Bear in mind that fundraising is a regulated activity with its own [national code of practice](#). This code applies to volunteers as much as to paid fundraisers, so if you're doing any fundraising at all, you should be aware of it. If you have any questions, contact your Poppy Appeal Manager (PAM) or Supporter Care at memberships@britishlegion.org.uk.

The Poppy Appeal

Key timings

The Poppy Appeal is the Royal British Legion's largest fundraising campaign; it launches at the end of October and concludes on Remembrance Sunday. The Poppy Appeal dates will be communicated each year. Street collections take place during this time with London Poppy Day generally being held in early November.

Roles and responsibilities

The Poppy Appeal is run by a community of just under 4,000 Poppy Appeal Organisers (PAOs). PAOs oversee the behind-the-scenes organisation of volunteers, collection locations and stock, and are inducted and trained before they start their role. Branches should support the PAOs and PAMs in the successful delivery of the Poppy Appeal. It should be noted that individuals appointed as PAOs are not required to be members of the RBL.

PAO and volunteer appointment and removal

PAOs are recruited and appointed by the Community Fundraising Team who have overall responsibility for delivering the appeal. Please note that new PAOs can only be recruited by the Community Fundraising team and not by branches.

As well as the above, the Community Fundraising team also manages the retirement, resignation and, in some cases, removal from post of PAOs. The decision to remove a PAO from post will be at the discretion of the Director/Head of Poppy Appeal only.

Charity and trading activity

Please be aware that during the Poppy Appeal both charity and trading activities take place.

All products sold, or given as a donation should be compliant with a legislative requirement to ensure that they are safe. RBL underscores the utmost importance of strict adherence to legislative requirements governing the sale or donation of products. To ensure the safety of consumers and uphold the organisation's reputation, all products must undergo rigorous testing and documentation verification.

RBL, supported by an experienced product team and a product safety adviser, meticulously assesses and guarantees compliance for all items available in the Poppy Shop or associated with RBL appeals. It is imperative that all products be procured through approved processes, with branches strictly prohibited from independent procurement.

Additionally, the usage of the Seal, incorporating a royal crest, is restricted to specific purposes and cannot be employed for fundraising without the Lord Chamberlain's consent. This comprehensive policy serves to maintain the integrity and success of RBL initiatives, requiring unwavering adherence from all staff members and branches.

If you have any questions regarding the difference between charity and trading activity, please consult your MEO.

Where to go to for help and support

If you have any questions regarding Poppy Appeal activity or collections, please contact the Community Fundraiser for your area. In the event of a complaint or concern please contact your MEO and they will be able to escalate the issue according to the appropriate procedure.

For branch members who are also PAOs, please refer to the PAO Handbook, as this is the primary source of information for the Poppy Appeal. This is reviewed on an annual basis and may be updated, so please ensure you are referring to the most recent version, along with any communications from your Community Fundraiser during the year, such as the seminars and various mailings.

Counties and the Poppy Appeal

Counties should work with PAMs to ensure that proper arrangements are in place for the distribution of Poppy Appeal materials (poppies, trays, posters, etc.) and merchandise, and for the collection, security and banking of the monies received.

Remember that this merchandise can be used only for raising funds for the charitable objectives of the RBL and not for the running costs of the branch. Branches must make it clear to their

donors if they raise funds (outside of the Poppy Appeal) for the branch funds and not the Poppy Appeal.

PAMs will organise regional seminars as required, so that PAOs can be trained and briefed.

Counties should also make full use of awards and certificates for achievements in the Poppy Appeal for Counties, branches, clubs, individuals and businesses.

Branches and the Poppy Appeal

Branches should be guided and assisted by the Community Fundraiser to organise the Poppy Appeal. The Community Fundraiser will appoint a PAO with support of the branch and needs to be kept up to date if the person holding the role of PAO changes.

All fundraising during the Poppy Appeal must be for Poppy Appeal and not the General Fund.

Poppy Appeal merchandise can be used only for raising funds for the charitable objectives of the Royal British Legion via the Poppy Appeal and not for the running costs of the branch. Outside of the Poppy Appeal, branches must make it clear to their donors if they are raising funds for the branch funds and not the Poppy Appeal.

This is important because charities are subject to VAT regulations when they trade. The PAO does not need to be the member of the branch to be appointed for this role.

Please refer to VAT section, under Financial Management.

Raising money for other causes

Branches may sometimes join with other charities but it must be made clear to donors who they are giving their money to. When Royal British Legion merchandise is being used, the funds raised are always for the RBL charity.

If branches want to raise money jointly with other charities, this is not permitted during the Poppy Appeal period and the RBL logo and merchandise must not be used for it.

With any questions, contact your local Community Fundraiser or MEO.

Grants

Branches may apply for funding from statutory funding bodies, trusts, and foundations or from Local Government organisations. Bids for grant funding must:

- Be agreed by the Branch Committee at a committee meeting and the decision minuted.

- Be for projects or activities which are within a branch's remit.
- Reflect the purpose and functions of Membership.
- Be ringfenced within the accounts, and the associated expenditure must be accounted for as restricted.
- Only be made where there are insufficient funds within the branch funds, BPT or BFI, the use of such funds would leave the branch with insufficient funds for their normal operation or where branch funds are not permitted to be used for the required purpose.
- Branches must inform their MEO, County Chair, and the Donor Relationship team at Head Office at membershipservices@britishlegion.org.uk of their proposed bid.

A member of the Donor Relationship team will confirm whether the Royal British Legion already has a relationship with any potential funders and so whether the proposed application can go ahead. This is to protect significant relationships with trusts, where the relationship can be managed without breaking prior agreements (e.g. limited number of applications permitted per year) which the branches may not be privy to.

In addition, where the bid is for a specific purpose, such as being property related, the relevant staff from that department must also be informed.

Branches must not submit any grant applications without prior agreement from the above staff. Doing so could harm the RBL's reputation, interfere with the national fundraising efforts, or even break legal requirements. Fundraising regulations may force a return of grant obtained without prior agreement.

If a bid is successful, the branch should inform the MEO, County Chair, Donor Relationship team and any other departmental staff who were required to approve the bid submission. Depending on the period of the funding, the branch will be required to report to the above staff as the project progresses and must inform them of any issues or concerns with either the use of funds against the project or any failure to achieve the outcomes set by the funder.

Any funds from a successful bid must be placed into the branch bank account and must be kept ringfenced for the specific project for which it was granted.

Complaints (LCC)

The Royal British Legion takes seriously all complaints about the services it delivers to its members and stakeholders; about the integrity and propriety of all its employees, members and volunteers; and about its policies and procedures.

The RBL is committed to making its complaints-management process accessible, fair and transparent. All complaints made will be appropriately investigated as quickly as possible and, where appropriate, the complainant informed of outcomes and any action taken in line with the current complaints and grievance procedures.

Procedures for different kinds of complaints

If you have received a complaint about a member or you want to make a complaint about a member, you can contact the RBL Complaints Committee (LCC) via email membershipservices@britishlegion.org.uk or on the Membership Administration Portal (MAP) on Microsoft Office 365 (O365). More on handling complaints is covered under the Membership Council section of this handbook. In exceptional circumstances, the Membership Council Chair has the power to expel a member where necessary.

If you are unhappy with how your membership queries have been handled, please contact membershipservices@britishlegion.org.uk

For complaints about fundraising activities, refer to the Poppy Appeal Organiser Handbook, available through Microsoft Office 365 (O365) or your Poppy Appeal Organiser/Manager. Where you receive a complaint about a BCS Supporter or a BCS Supporter makes a complaint, this should be referred to and dealt with by the Head of Membership Engagement and handled in accordance with the Operational Complaints Procedure.

Following the investigation, the branch will be informed of the outcome. It should be noted that if a complaint about a BCS Supporter is upheld then action may be taken to remove that person from the BCS role. The branch must uphold any decision made. If you are making or have received a complaint that relates to club membership, the club committee should be approached first.

Photography and Social Media

RBL uses social media to drive year-round awareness of our services and support, demonstrate our impact through positive storytelling content, and engage with our community.

Whether you run a social media account on behalf of your branch or County, or use social media in a personal capacity, this code of conduct exists to help you use social media effectively and responsibly, in a way that supports RBL and protects its reputation.

This code of conduct must be followed when using social media on behalf of your branch and in a personal capacity, including commenting on a post, sharing content (posts, updates, photos, videos or links), using it as a messaging tool, or simply maintaining a profile on any social media site. Even content shared in private messages or closed groups can become public so please think before you post. The caveat 'all views my own' is not sufficient. Please refer to the ten guiding principles (page 5) and RBL's values (page 6) when conducting yourself online.

Code of conduct

To avoid bringing your branch or RBL into disrepute, you must not share content or comments on social media that may cause offence to another member, employee, volunteer, partner organisation, MP or member of the public.

RBL is committed to creating a diverse and inclusive organisation, and we often share content on our national social media channels that reflects the diversity of the Armed Forces community and of wider society. You must not share personal opinions or public posts, private messages or post comments that are offensive or degrading (including sexist, racist or homophobic language).

You must not share content that implies you are a spokesperson for RBL or associated charities or partner organisations.

If you have a complaint about your branch, another member, or RBL, you must raise this directly with your Branch Official or RBL MEO (see page 34 for more information). Do not air this on social media as this will simply draw unwanted attention to the issue rather than help resolve it.

Unless you're running an account for your branch or County, you must not use the Royal British Legion, RBL or any derivative as part of your username for any social media channel. You must not use the RBL logo or Membership emblem, or any modification of these logos, as your profile picture.

You must not share information deemed confidential or meant for RBL members only. In accordance with GDPR you must not share personal information about another individual.

Using social media to intimidate, bully or harass another individual through public or privately shared posts or comments will not be tolerated.

You must not speculate or comment on political affairs; as RBL must always remain politically neutral.

Dealing with issues

Things can escalate quickly on social media. If you spot a potential issue or anything that could pose a reputational risk (e.g. other staff, volunteers, individual members or supporters publicly discussing matters such as other members, volunteers, RBL services or events, or using discriminatory or offensive language) please flag this immediately to your MEO.

Inappropriate behaviour

Inappropriate behaviour involving social media sites or digital communications platforms, inside or outside the workplace, will normally be dealt with under our internal performance procedures and serious cases could be viewed as gross misconduct. We may also ask people to remove internet postings that are considered a breach of this Social Media Framework. If you're ever in doubt about what's considered acceptable, please contact a Branch Official, MEO or RBL's social media team before publishing. Unacceptable behaviour on social media could result in a complaint being made to the LCC.

Photography

In order to ensure that RBL has lawful basis in collecting personal data under data protection laws you should always consider getting consent from the relevant person. If you organise an event or activity where you are taking photographs or making visual recordings of a person, you should make it a priority of getting consent from the person before going ahead. If the person is under the age of 18 sufficient consent must be obtained from their legal guardian. In events or activities where consents are not normally sought, you may display a suitable notice. For more information or guidance on this area, please contact membershipservices@britishlegion.org.uk.

VIP, Royal Household Invites and Politics

Contact with key influencers

Often our counties and branches will hold events and feel that they would like to have media coverage or guests there who will help to:

- Raise the profile of the RBL
- Raise the profile of the branch or county
- Promote the event, including with the intention to increase attendance

Many branches and counties have strong relationships with the civic dignitaries including the Lord Lieutenant or Mayor and we would encourage branches and counties to foster these positive connections, but sometimes we know that you want to have an even greater impact and may wish to invite media outlets or individuals with a more significant influence, reach or profile, including celebrities, MPs or members of the Royal Household. All of these are possible, but counties and branches should not approach these individuals directly but must follow the appropriate guidelines below. This is to ensure that:

- We go through the appropriate member of staff, where a connection may already be in place – this increases our chance of them accepting any invite.
- To ensure the correct channels are used – often invites will only be accepted if they go through a specific office or individual.
- We avoid duplication, where one individual receives multiple contacts, which can impact our positive relationship with them.
- We ensure that we manage our engagement with high status supporters where the most impact will be made from their involvement.
- That we avoid breaching our political neutrality (applies to MPs)
- Our press coverage is at an appropriate level with the right messages being conveyed.
- Any message that we promote around an individual's involvement with us is appropriate.
- And finally, that we avoid the Legion approaching people we should not, for a variety of reasons.

If you wish to invite regional or national press, celebrities, MPs or members of the Royal Family to an event, you are required to contact your MEO who will ensure that your request is passed to the member of staff in the appropriate department. Please also contact your MEO prior to

agreeing any involvement should any celebrity, MP or member of the Royal Household contact you directly to be involved in an event or activity.

- Royal Household requests – the Governance Office.
- MP requests – the Compliance, Policy and Research (CPR) Team
- Celebrity Requests – the Celebrities Relationship officer within the Fundraising events team
- Press – the local PR officer.

We would encourage you to connect with your local press and local councillors and want to support you better to ensure that we have a consistent message about the RBL's work. Your MEO can put you in touch with the local CPR team member or Press Officer who can provide advice and support.

National

ROYAL BRITISH LEGION

Activities for members

Members who take part in activities with their local branch or County will often find that they get more out of their membership and feel more connected to the Royal British Legion's work. During the course of the year, branches should carry out their fundraising and community support responsibilities, but they should also spend time on other activities.

Events of a social nature (funded by members and not by branch funds) might include trips to the National Memorial Arboretum, Christmas meals, visits to Regimental Museums or travelling to places of interest. Members can also participate in sports competitions with other branches at County and Regional level. There are currently competitions for bowls, snooker and darts in some areas.

Members driving on behalf of the RBL in a volunteer role must be legally entitled to drive and have a full driving licence. Once a person reaches the age of 70, they have to renew their driving licence every three years. When a volunteer is using their own vehicle in their voluntary activities, they should tell their insurers but make it clear that they will only receive out-of-pocket expenses and that this is not commercial use of the vehicle. Association of British Insurers insurance companies do not charge an extra premium for volunteer drivers. Branches often help with local Remembrance events and funerals. Guidance for ceremonial activities for branches can be found [here](#).

Recruiting and retaining members

Branch members, County Recruiting Officers and Recruiting Advisers are responsible for recruiting activities, but it's up to every member to bring new people into the Royal British Legion. Find out everything you need in the Recruitment Handbook, available through Microsoft Office 365 (O365) or from your MEO.

Training

Training is provided by the Learning & Development team in Head Office or by the County Training Officers. Any queries about membership training should be sent to the Learning & Development team via email on membershipservices@britishlegion.org.uk. More information about training can be found in the Membership Training Policy, available in the MAP.

Sending delegates to Annual Conference

Every compliant branch and County can send a delegate to Annual Conference. Branch and County delegates can speak, but only branch delegates can vote. Branches with more than 300 members may send a second delegate. Branches with more than 1,000 members may send one further additional delegate for every 500 members over 1,000.

Members of Royal British Legion staff should not attend Annual Conference as voting delegates. Branches and Counties may put forward motions for Annual Conference, as long as they have been approved at the relevant Annual County Conference. Two delegates of the same branch may not propose and second the same motion.

How things work at conferences

Read the Standing Orders, available through Microsoft Office 365 (O365) or by request to membershipservices@britishlegion.org.uk for conference protocol and process.

Delegates' expenses

Delegates are able to claim their travel expenses, part of which will be paid by Head Office and the remainder by the branch or County.

Awards

The Royal British Legion recognises outstanding contributions or achievements that go well beyond what might normally be expected of a RBL officer or member.

National Awards

To be considered for a national award, a person must have already been awarded a County or Branch Certificate of Appreciation. National awards are decided by the National Chair.

- The National Certificate of Appreciation is the highest honour. It may be awarded to a member who has made a conspicuous contribution to the RBL for at least 12 years. Certificates are presented at Annual Conference and are accompanied by a lapel badge inscribed 'For Merit'.
- Life Membership is awarded to a member who has given at least 10 years' meritorious and conspicuous service to the objectives of the RBL as defined by the Royal Charter. This member usually holds the RBL Gold Badge. The recipient remains a member without having to pay a membership fee for the rest of their life. When Life Membership is approved, a certificate is sent to the member, together with a Life Membership card and badge.
- The Gold Badge may be awarded to a member who has given at least eight years' meritorious and conspicuous service to the objectives of the RBL as defined by the Royal Charter. Following the National Chair's approval, the branch or County proposing the award must meet the cost of the badge. When the recipient passes away, the badge becomes the property of the next of kin, who may retain it or return it to the branch.
- Application forms for national awards can be obtained from the MEOs or from Microsoft Office 365 (O365). Applications must:
 - Demonstrate the individual's service to the RBL.
 - Be signed by the Chair of the nominee's branch, Group or County. If the Chair is the nominee, the application must be signed by the President. Where two or more offices are combined, it may be necessary to involve the Treasurer.
 - Be recommended by the County Committee.

It is advisable not to tell the nominee about recommendations to avoid disappointment if the application isn't successful.

Every member, excluding Youth Members, Life Members and members awarded a National Certificate of Appreciation, must pay an annual membership fee to the RBL.

County award

A County Certificate of Appreciation may be awarded to a member who has made a conspicuous contribution to the County.

Branch Award

A Branch Certificate of Appreciation may be awarded to a member who has made a conspicuous contribution to the branch or RBL in general.

King's Birthday and New Year Honours

RBL members may be recommended for inclusion in the King's Birthday and New Year Honours List. Recommendations are normally for the Order of the British Empire – Officer of the Order (OBE), Member of the Order (MBE) or British Empire Medal (BEM). The RBL has its own Honours Group who oversee the nominations process; the Honours Group is chaired by the National President.

The member being nominated should have given exceptional and outstanding service to the RBL. Citations must be submitted on the dedicated Cabinet Office Citation form which contains a record of offices/roles held and dates, and demonstrates the distinctive nature of the nominee's work. References should be made to service in HM Forces and any voluntary work with other organisations and in the local community.

The RBL has guidance on the Honour process, which along with the form can be requested via your MEO or the Director General's Office. Please note only the Cabinet Office citation form will be considered, no additional information such as supporting letters will be reviewed as part of the citation. All citations should have the 'nominated by' completed in case any queries arise.

The timetable for nominations is set by the Cabinet Office and therefore subject to change.

The Director General's Office will email County Chairs and MEOs with the timetable with an expected return date of end of January for New Year Honours and end of August for the King's Birthday Honours. Please send these to:

Executive Assistant to the Director General, The Royal British Legion, 199 Borough High Street, London SE1 1AA or email your County Chair or MEO for forwarding to the Director General's office.

Due to the complicated process around Honours, it is better to avoid telling the nominee that they have been nominated to avoid disappointment if the recommendation is not successful.

Counties

ROYAL BRITISH LEGION

About counties

What counties are and how they are structured

- Counties, Districts and Sections are administrative regions of the Royal British Legion. They have different names but the same functions.
- A branch is a group of RBL members, which may be formed based on locality or shared interest. Counties are made up of several branches.
- No more than two branch representatives, elected or co-opted, will hold positions on Group, District, and County Committees unless approval to waive this is granted by the Membership Council Representative for the area concerned.

Committees and the roles people can hold

	County/District
Committee roles	Chair, Vice-Chair, County Community Support Committee or Representative, County Recruiting Officer, County Training Officer
Committee-appointed roles (but not committee members)	President and Treasurer (both compulsory)
Number of additional committee members allowed	Seven to 15
Quorum	Half the members entitled to attend and vote

Rules for all Royal British Legion Officers

They must:

- Follow the duties and responsibilities outlined by the Board of Trustees and the Membership Council.
- Adhere to all RBL policies and procedures.
- Ensure the formation complies with charity law.
- Serve the interests of the RBL at all times.
- Undergo appropriate training for their role.
- (For Branch Officers) not serve as officers of an associated club Committee.
- (For Branch Officers) not be a tenant or representative of a tenant of properties held in trust by the branch.
- Any Membership Officer (Branch Chair, County Chair, Membership Council Representative, Board of Trustees member) cannot hold a position of National Parade Marshal, Deputy or Assistant National Parade Marshal whilst in membership office.

What happens if a role suddenly becomes vacant?

If this happens to the role of Chair or Vice Chair, the next highest placed candidate in the latest election fills the vacancy. If there is no such person, the Committee should co-opt a temporary replacement for the remainder of the term unless there are more than 15 months until the next election. In this case the Committee must initiate an election within one month and complete it within four months to fill the vacancy.

If a vacancy occurs for any other position, the Committee should co-opt a suitable member of a branch within the County as a temporary replacement until the next annual meeting or special meeting, when a fresh election must be held for the rest of its term. A member elected or appointed in this way may be elected for up to three further terms in the office concerned.

What County Committees do:

- Oversee the activities of the branches in their Counties and establish Groups.
- Recommend to the Membership Council the closures, openings and status changes of branches.
- Prepare County Plans.
- Authorise any person, whether or not a member of the RBL, to visit any meeting of any branch or Branch Committee in its County at any time on its behalf and to have access to all deeds, documents, books and accounts of this branch.
- Take a branch into administration where necessary, keeping the Membership Council informed at all stages. A branch unable to form a committee or in other ways unable to temporarily function, is supported by the County Committee instead of Branch Committee where all branch affairs including its bank account, are under the control of County until the branch can return to normal.
- In case of a local resolution which identified a need for a member to be suspended or excluded, the County Committee refers this back to the LCC for action.

- Make sure every branch submits copies of its annual branch accounts to Head Office.
- Hold an annual meeting, which may put motions forward to the RBL's Annual Conference.
- Help the [Board of Trustees](#) and the Membership Council to carry out the work of the RBL.
- Help to organise the Poppy Appeal and any other fundraising activities in their Counties.
- Establish sub-Committees.
- Act on resolutions passed at the Annual Meeting of County Conference (or at a Special Meeting of the County Conference), as long as they do not conflict with the Royal Charter or with the Board of Trustees' instructions.

Groups

Counties can use a Group system if they wish. All Counties need an efficient method of two-way communication with their branches. The Group system, used correctly, can be a valuable, vital, administrative and management tool for any County Committee. Group meetings, held at regular intervals, provide a local point of contact and advice, mutual support and assistance. County Officers can make good use of Group meetings to discuss policy matters and plan forthcoming events where Group/branch support would be advantageous.

Optimum Group Size

Counties wishing to adopt, and use, the Group system should look carefully at the size and shape of the County area when it is deciding the Group areas and in which Group to place a branch. Equally, it is important to determine the optimum Group size to provide an efficient and effective structure. Too large a Group can be cumbersome to organise, too small a Group can have little effect to which there is no advantage. The ideal size is therefore thought to be between seven and ten branches for a large, widely dispersed County, and between five and seven for a smaller County.

Group Naming

Groups are to be named to identify them. It can be by known and accepted regional terms, by town name, by district name or by reference to the area through points of the compass.

Model Group Rules

The Membership Handbook provides guidance for the management, responsibilities and work of the Group. The County Committee is charged with defining their responsibilities. Counties should provide a set of model rules for Groups which are to be endorsed by the County Committee. Where the model rules are to be modified for local use, again, they are to be endorsed by the County Committee before they are taken into use.

Group Members on the County Committee

The workload of County Committee members can be demanding. These members must be individuals who are able and willing to give their time freely throughout the year. A heavy and demanding workload can lead to a paucity of Committee members, which may require some committees to co-opt individuals to vacancies. Having to co-opt individuals can have an adverse effect on the committee, reducing the number of elected Committee members and therefore can affect the numbers required for a quorum. This in turn can restrict the committee from carrying out its business on behalf of the County membership.

County Committees should consider using one or two members from each Group to populate their County Committee. This spreads the County Committee members across the entire County area giving representation to all branches and ensures that the County remains quorate.

Communication between County, Group and branches.

Communication is the key to County, Group and branch harmony. The County, its Groups and branches must embrace technology and remain current.

Counties, Groups and branches should use a calendar for planning events/activities. This requires effective and consistent co-ordination with the full co-operation of all concerned. This will reduce conflicts with shared dates for some smaller events and may ensure that larger County events can be supported by the Groups and branches.

Compliance

Group officers will be elected by the branches they represent at the Group Annual General Meeting. See County Model Rules for Group Officers.

Group Finances and Accounts

There is no requirement for a Group to hold a BFI Account and this fund, if held, should be closed immediately and the income disposed of within the current rules.

If a Group needs to hold a group bank account a justification case should be put forward to the County Committee and the Group must comply with the guidance given. The Group bank account must not exceed £250, unless authorisation is given by the County Committee, and the Group must submit its account for audit annually within the given timeframes. A failure to comply may result in the County withdrawing its permission for the Group to hold an account and the account will be closed.

The principal expenditure will be on travel expenses of Committee members (those named on the Group MS1) and on administrative expenses incurred by the Group Secretary. It may also be necessary to provide for the hire of a hall for meetings (if branches within the Group are unable to provide premises). On this basis there is no need to build up a reserve for financial contingencies.

A Group Committee does not qualify for financial support from membership fees and there can be no official RBL source of funding for Groups. All Group funding must be raised from within the Group. Groups may raise subscriptions from their branches and hold Group fundraising activities to provide funds to finance their activities. Branch subscriptions to the Group should be at a fixed rate per branch to be decided at the Group AGM and made annually. The money obtained constitutes charitable funds and must be treated as such.

Formation of Groups

Each County Committee may divide its area into geographical divisions to be known as Groups (a number of branches that the Committee thinks appropriate for administrative purposes). As communication is the main priority, the Group structure should be based on the geographical

proximity of branches. Groups are to conduct their business using the same policies and procedures as those for branches contained within the Membership Handbook, with the following exceptions:

Groups can operate in one of two ways:

1. A Group of branches operating with Group Officers. They hold meetings with Branch Representatives at regular intervals. A Group Representative is appointed to represent the Group and its branches at County Committee meetings where they are appointed to the County Committee.
2. A Group of branches operating without Group Officers. They do not hold meetings. Each branch is contacted as required by a County Committee member who is nominated by the County Committee to look after each Group of branches.

If a County operates either Group system, every branch within the County must be allocated to a Group, without exception, the Group name should easily identify the Group and its area.

Groups operating with Group Officers are to submit a MS1 containing the contact details of the Chair, Secretary and if applicable the Group Treasurer, Standard Bearer and Group Representative.

Each branch within the Group may send a representative to Group Meetings to discuss and vote on issues and whilst any branch member can attend Group Meetings only one representative from each branch can vote.

Forming, amalgamating and closing Counties

Amalgamating Counties

These are the steps that must be taken:

1. The Chair and Committees of the Counties agree to the restructuring, and to write to the Chair of the Membership Council for approval, copying in the relevant Membership Council representative.
2. Once the Membership Council has agreed, the Counties (branches) must call a joint Special General Meeting of their County Conferences at which branch delegates must vote by simple majority whether to approve the formation of the new County. The relevant Membership Council representative should be at this meeting.
3. If approved, branch delegates must elect the new County Committee, Chair and Vice Chair to serve until the next Annual Meeting of County Conference. Following the election of the new County Committee, Chair, and Vice Chair, the previous County Committee, Chair and Vice Chair retire immediately. Branch delegates must also elect three non-County Committee Members as members of a new County Conference Committee.
4. County Treasurers must close their accounts on the date of the Special General Meeting at which the amalgamation was approved, prepare them for independent examination or audit and for adoption of the annual accounts at the next Annual Meeting of County Conference.
5. All of the funds of the constituent Counties must be passed to the new County Treasurer to form the new County funds.
6. The old County Standard should be laid up, with a new one obtained and dedicated.
7. Alternatively, the panel of one of the previous County Standards may be altered.
8. Remembrancetide must continue to be conducted on the basis of the constituent Counties until the new County is formed at the first Annual Meeting of County Conference. After that, the new County assumes responsibility for the co-ordination of events during Remembrancetide.
9. As soon as possible after their election, the new County Committee must set the date of the Annual Meeting of County Conference and draft new County byelaws for approval by the Annual Meeting of County Conference. The Committee should appoint:
 - A County Treasurer
 - A County Secretary
 - A County Training Officer
 - A County Recruiting Officer

- A County Youth Officer
 - A County Parade Marshal
 - A County Standard Bearer (until the next competition)
10. For the remainder of the first RBL financial year, the new County budget is to comprise the sum of the budgets of its component Counties. The balance of the County budgets for the financial year is to be channelled through the new County instead of the former Counties. The County must propose its own budget bid for the following year.
 11. At the next Annual Meeting of County Conference, delegates must approve the accounts of the constituent Counties closed at the date of formation of the new County. At the conference, the results of the postal ballot for County Chair and Vice Chair should be announced. The Chair should be elected for three years and the Vice Chair two years, to allow for continuity. After that, the Vice Chair's term should be three years. The full County Committee should also be elected following normal election rules. Retiring Committee members may stand for re-election. The County Treasurer should be appointed and the County byelaws adopted.
 12. This process is followed for amalgamation of branches.

Forming a County

These are the steps that must be taken:

1. The Chair and Committees of the branches wishing to form a new County agree to the restructuring and to write to the Chair of the Membership Council for approval, copying in the relevant Membership Council representative.
2. After the Membership Council has approved the new County, the branches that will form the new County must organise branch meetings to put forward nominations for the County Founding Committee. Head Office staff will distribute nomination forms for Committee Officers and members, guidelines and a timetable to all branches concerned.
3. The nomination forms are to be returned to Head Office and the subsequent election will be coordinated by Head Office.
4. The founding County Committee consists of seven elected members, a County Chair and County Vice Chair. All are elected for three years. The seven candidates with the most votes will be the members of the County Founding Committee.
5. Less than four weeks after their election, the County Founding Committee must appoint a County Treasurer and County Secretary. Each must be appointed until the first Annual Meeting of County Conference.
6. The County Founding Committee should set the date of the Annual Meeting of County Conference and start the process of drafting new County byelaws for approval by the branch delegates at the Annual Meeting. The County Founding Committee will act as the County Conference Committee for the first Annual Meeting. Minutes of the first meeting of the County Founding Committee must be sent to Head Office.
7. At the first Annual Meeting of County Conference after the Special General Meeting, up to a further eight Committee members may be elected by branch delegates. County Committee members will serve for one, two or three years (initially decided by County Conference to avoid all the Committee changing at once).

8. The branch delegates must elect a new County Conference Committee.
9. As soon as possible after their election, the new County Committee should appoint a County Training Officer, a County Recruiting Officer and a County Youth Officer. The County Treasurer and County Secretary appointed at the first County Founding Committee meeting remain in post until the Annual Meeting of County Conference the following year.
10. The County Committee can appoint a County President.
11. A new County Standard is to be obtained and dedicated in accordance with Royal British Legion practice. The County Committee shall also arrange the appointment of a County Standard Bearer.
12. The County Committee must appoint a County Parade Marshal.
13. Remembrancetide must continue to be conducted on the basis of the constituent Counties until the new County is formed at the first Annual Meeting of County Conference. After that, the new County assumes responsibility for the co-ordination of events during Remembrancetide.
15. Once a bank account has been opened, all branches in the new County will make a donation to the new County Committee in order to meet initial administration costs. The County Founding Committee will make a recommendation to branches on the amount to be paid into the County account.
16. The County must propose its own budget bid for the following year.

County administration of a Branch

The decision to take a branch into County Administration is a serious matter and is for the judgement of the County Committee. County Administration is a temporary measure where the branch is supported by the County Committee instead of a Branch Committee and all branch affairs including bank account, are under the control of County until the branch can return to normal. To take a branch into administration the County Committee should appoint two County Committee members as Points of Contact for the branch.

A branch may be taken into County Administration where:

- A branch is unable to form a committee or a committee stands down.
- A branch is temporarily unable to function.
- A branch is not demonstrating the Royal British Legion's values and behaviours, has not followed the rules as laid down in the Royal Charter and the Membership Handbook or has not followed relevant RBL instruction, policy and procedures. In this circumstance, prior to taking a branch into administration, the County Chair should appoint a member of the Committee to work alongside the MEO to support the branch to resolve the issues within a given timeframe.

The County Committee should advise the Membership Council Representative why it is felt necessary to take the branch into County Administration. The Membership Council must then be kept informed at all stages. To take a branch into administration the County Committee should appoint two committee members as Points of Contact for the branch.

A letter should be sent to any existing Branch Committee informing them that the branch is being taken into administration, that they no longer hold committee roles and that all required documentation should be handed to the County Point of Contact.

All members of the branch should then be informed that the branch has been taken into administration. The Points of Contact should then work with the MEO to resolve any existing issues within the branch before aiming to re-establish a Branch Committee via a Special General Meeting (SGM). Once a new committee is in place, a member of the County Committee should remain as a Point of Contact and mentor for the new committee until it is properly established.

In many instances it may be necessary to inform one or all of previous committee members that they are not permitted to stand for election at the SGM and these members must receive written permission from Membership Council Representative to stand for any future officer appointment or to become a committee.

The process for the Membership Council taking a County into administration should follow the same guidance as above.

ROYAL BRITISH LEGION

About branches

What branches are and how they are structured

- A branch is a group of RBL members, which may be formed based on locality or shared interest.
- To become a member of the RBL, a person has to join a branch. Every RBL member is therefore a branch member.
- A member can join up to four branches, so can belong to a maximum of four branches at one time and pays only one membership fee. They will have to pay admin fees for each branch they joined.
- A member who sits on more than one Branch Committee, must be a member of that branch and this does not exceed four branches at any given time.
- An individual, who is a member of multiple branches, is not allowed to be nominated as a Conference delegate by more than one branch.
- No more than two branch representatives, elected or co-opted, will hold positions on Group, District, and County Committees unless approval to waiver this is granted by the Membership Council Representative for the area concerned.
- Where it may cause confusion, branches which share a geographic name with branches in other areas in the UK or Overseas can request permission to include the County or District in their branch name. The MS5D form should be used for this purpose.

Four kinds of branches:

- Branches that cover a defined geographical area. These are the most common kind and each one comes under the responsibility of a County.
- Overseas branches. Read more about these [here](#).
- National branches. These are non-geographical and are often created by special interest Groups. National branches are overseen by the National Branches District.
- Branches of the Women's Section.

A branch must have a Committee of at least seven members, elected and appointed. If a branch isn't able to form a Committee, it can apply to its County for CSB status.

A CSB has no Committee, just two Points of Contact, and no bank account. The County manages its funds.

All branches are part of a County (with some exceptions Overseas and National) and are

guided by their Counties. A branch not happy with any decision of its County Committee, may within 28 days raise a complaint to the Membership Council. A copy of the complaint must be sent to the County Committee at the same time.

Branches can form Groups, particularly in large Counties. Groups can help branches to support each other, act as a forum and provide a link between branch and County.

Counties and branches each have their own Committee. Counties also have their own Conference.

Rules for all Royal British Legion Officers

They must:

- Follow the duties and responsibilities outlined by the Board of Trustees and the Membership Council.
- Adhere to all RBL policies and procedures.
- Ensure the formation complies with charity law.
- Serve the interests of the RBL at all times.
- Undergo appropriate training for their role.
- (For Branch Officers) not serve as officers of an associated club Committee.
- (For Branch Officers) not be a tenant or representative of a tenant of properties held in trust by the branch.
- Any Membership Officer (Branch Chair, County Chair, Membership Council Representative, Board of Trustees member) cannot hold a position of National Parade Marshal, Deputy or Assistant National Parade Marshal whilst in membership office.

What happens if a role suddenly becomes vacant?

If this happens to the role of Chair or Vice Chair, the next highest placed candidate in the latest election fills the vacancy. If there is no such person, the Committee should co-opt a

temporary replacement for the remainder of the term unless there are more than 15 months until the next election. In this case the Committee must initiate an election within one month and complete it within four months to fill the vacancy.

If a vacancy occurs for any other position, the Committee should co-opt a suitable member of a branch within the County as a temporary replacement until the next annual meeting or special meeting, when a fresh election must be held for the rest of its term. A member elected or appointed in this way may be elected for up to three further terms in the office concerned.

Administering Branch Fees

Branch membership lists are kept online on the Microsoft Office 365 (O365) portal. For access and information, speak to your Membership Engagement Officer (MEO). Branches should decide to set a joining fee and/or an annual subscription fee, both of which must be decided by the members at branch Annual General Meetings. Each of these fees must not be less than £1. Membership fees are not payable by youth members as stated in The Royal Charter.

A member that is unable to pay their membership and branch subscription fees may be permitted to remain a member, despite non-payment, at the discretion of the Branch Committee. This is further subject to the requirements and restrictions laid out in the Royal Charter.

Branch Committees must tell Head Office what their membership, joining and subscription fees are using the branch rates letter each year. Should a branch wish to maintain its current branch fee structure into the next financial year, no action is required. If Membership Services does not hear from a branch before the deadline, the existing rates will be maintained. Branches should actively help members to renew their membership. Their MEO can help with any queries. Please forward any cheques or applications within 30 days of receipt to avoid delays processing them.

Members should transfer their membership to another branch. If they have paid their membership fee and any subscriptions due to their current branch, they will not need to make any additional payment in their current membership year.

Branches must not refuse membership unless they have valid reasons. Any objections to an application must be made to the County Committee via the MEO. The Membership Council will make the final decision on whether the application should be accepted in consultation with the County Committee.

Everything you need to know on building safety legislation is in the Branch Occupied Premises Statutory Compliance Policy available through the Commercial Team at the Head Office.

Branch Treasurer

The role of a Branch Treasurer is to administer the financial management of the branch, ensuring that the Chair and Committee are always aware of the financial state of the branch.

The Branch Treasurer is a post held by an appointed member of the Branch Committee. They are responsible for running income and expenditure accounts. At branch level, the use of the RBL On-line Membership Accounting System (LOMAS) or other approved Excel accounting template is optional but recommended. There is also LOMAS training available for Branch Treasurers.

Branch Treasurers look after all financial matters and must submit audited annual accounts by 30th September following the end of the field financial year on 30th June.

Terms of Reference

The Branch Treasurer must be conversant with the relevant provisions pertaining to all financial matters as prescribed in the Royal Charter, the Membership Handbook and other relevant policies and procedures, and must be prepared to advise the Branch Committee, accordingly, seeking advice from the County Treasurer, as required.

1. The Branch Treasurer must always bring to the attention of the Chair and Committee the financial implications of any decision they are considering.
2. The Branch Treasurer must report the branch income, expenditure, and cash balances to the Branch Committee at least quarterly. The report must be accompanied by a quarterly bank reconciliation, which reconciles the cash book balance with the amount on the bank statement. They should present the accounts in a clear and intelligible way at meetings including at the AGM, bearing in mind that many members may not be familiar with accounting procedures and should answer any questions in an open manner and in a way that will be understood by a lay person.
3. Undertake or attend the RBL Branch Treasurers' training and/or LOMAS training within timescales stated in the training guidance, and any refresher training in accordance with RBL policy.
4. Be responsible to the Branch Chair and Committee for all the financial affairs of the branch, including the annual accounts and the branch bank account.
5. Control all monetary transactions, ensuring that they meet with guidelines contained within the 'Use of Funds Policy' and record these in the branch receipt and payment ledger. All receipts and supporting documents are to be held by the Treasurer on behalf of the Branch Committee. See below for further advice on storing information.
6. The Branch Treasurer is also responsible for maintaining records of branch transactions, either electronically (in Excel or LOMAS) or hard copy (in a ledger book or similar). These transactions should be summarised by income and expenditure type in order to produce a quarterly report for the Branch Committee. The report should explain any large or unusual transactions or instances where income or expenditure differ significantly from what was planned. The report must be accompanied by a quarterly bank reconciliation,

which reconciles the cash book balance with the amount on the bank statement.

7. When keeping records electronically, Branch Treasurers are advised to keep regular backups, using the Microsoft Office 365 (O365) auto-save function, to ensure that records are not lost. In addition, the Branch Treasurer is responsible for safeguarding the branch cheque book, paying-in book and bank statements, as per the Membership Handbook.
8. The Treasurer is to ensure that the branch accounts are examined/audited within the required time scale and are required to submit the branch account return with supporting documentation to the MEO. Branch Treasurers should always refer to the 'Guide to Completing the Year End Branch Return' issued annually by the Finance Department before completing their return. They should contact their MEO if they have any queries.
9. The Treasurer is to ensure that all cheques for payment are made out correctly and clearly show the registered Charity number and branch title. All cheques must be signed by at least two of the authorised signatories, one of whom is to be the Treasurer, that they are clearly endorsed 'A/C Payee only'. No signatory is to sign a blank cheque. Authorised signatories should not be family members or cohabitants.
10. The Treasurer can request the Branch Committee to authorise the limit the Treasurer may expend on a single item without prior reference to the Committee. This authority should be reviewed annually. The request and action taken must appear in the minutes of the meeting at each review.
11. The Treasurer is to ensure that all expenditure, other than petty cash, is by cheque. However, if the RBL's Finance Department has approved electronic banking by Lloyds bank appropriate procedures are to be observed.
12. The Treasurer is to report the details of all proposed expenditure to the Branch Committee at their regular meetings for their approval. All such reports are to be shown in the minutes of the meeting.
13. The use of petty cash must be Authorised by the Branch Committee and operated as an impress system. The petty cash book is to be checked monthly by the Treasurer and at least one other Branch Officer and must be countersigned by these individuals as being correct. The petty cash limit should be no more than £50.
14. Should include knowledge of the MAP and Microsoft 365 for storing financial documentation including accounts and sending emails.
15. The Branch Treasurer should be conversant with the MAP and Microsoft 365 (including membership listings)

Branch Parade Marshal

A qualified Branch Parade Marshal should be actively involved in the planning and organisation of all branch ceremonial events.

They are to be fully conversant with the RBL's Ceremonial Handbook, bearing in mind that when appearing before the public that the prestige of the RBL is in their keeping.

Those involved in all ceremonial procedures must always strive to ensure continuity and uniformity in that their dress, turnout and bearing are of the highest order.

A qualified Branch Parade Marshal is subject to the RBL's screening programme detailed within the RBL's Safeguarding Policy. All screening and mandatory online training must be completed prior to commencing duties.

Terms of Reference

1. A Branch Parade Marshal must be aware of and actively promote the RBL vision, values and code of behaviour for working together.
2. Must have attended and passed the Parade Marshal course and where appropriate subsequent requalification courses every three years.
3. To be fully acquainted with the Ceremonial Handbook, and to give appropriate guidance on ceremonial matters to the Branch Committee.
4. To assist the County Parade Marshal at ceremonial events or training when requested.
5. To assist the National Parade Marshal when requested.
6. To liaise with the County Ceremonial and Parade Marshals in neighbouring Counties and to share best practice.

Branch Standard Bearer

The Branch Standard Bearer is specially appointed by the Branch Committee.

Whilst undertaking Standard Bearer duties and taking part in competitions, the RBL makes every effort to ensure participants' safety. As with any physical activity, all Standard Bearers are required to acknowledge that there may be a risk to one's health and that a minimum level of fitness is required. Should there be any changes to their physical health which would impact their ability to carry out their role safely, the Standard Bearer should make this known to their Branch Officers and the County Parade Marshal as soon as possible.

The Branch Standard Bearer must be fully conversant with the RBL's Ceremonial Handbook, bearing in mind that when appearing before the public that the prestige of the RBL is in their keeping. Those involved in all ceremonial procedures must always strive to ensure continuity and uniformity in that their dress, turnout, and bearing are of the highest order.

Terms of Reference

1. The Branch Standard Bearer must be aware of and actively promote the RBL vision, values and code of behaviour for working together.
2. Must complete MS1B.
3. Must be given authority by the Branch Committee to parade the branch Standard. This authority must be recorded in the Branch Committee meeting minutes. In cases of emergency or at short notice, the Branch Chair alone may grant permission, but that delegated authority must be reflected in the minutes at the next Branch Committee/General Meeting.
4. Must liaise with the County Parade Marshal concerning ceremonial duties and obligations.
5. Provide assistance to the County Parade Marshal as required.

Branch Community Coordinator

Please note that the items below are examples of what a BCC could undertake. BCCS don't need to fulfil all role descriptors. A BCC's role within a branch will depend on the branch's individual initiatives.

Terms of Reference

1. Share resources around Branch Community Activities and BCS, including presentations and talks.
2. Feedback activity from BCS and Community Activities to counties using the reporting dash.
3. Encourage and support new BCS Supporters to sign up for BCS (Home/Hospital visit and Telephone Buddying)
4. Ensure BCS referrals are channelled through the Contact Centre.
5. Keep in touch with BCS Supporters within branches by offering support if needed.
6. Assess eligibility for Crisis Grants when appropriate.
7. Promote the activity of the branch within local press and social media sites, in line with RBL's Social Media Policy.
8. Improve armed forces community liaison and connect veterans with what neighbouring branches and clubs can offer.
9. Offer support and advice around Standard Bearing, including connecting County Parade Marshals with Standard Bearers for training.
10. Organise and facilitate community activities in line with RBL's Branch and County Event Guide, including but not limited to coffee mornings, veterans' breakfasts, events, awareness events.
11. Ensure local veterans are aware of branch activities, which may be of benefit to them.
12. Engage with youth organisations.
13. Support Network Engagement Team initiatives.

Declarations of interest

Declarations of interest at local level should be recorded at a local level and notified to your MEO who can notify the Membership Compliance and Policy team. You should be reminded that in each transaction in which you have an interest you should declare your interest as soon as possible and follow the organisations' rules for managing this.

Forming, amalgamating and closing branches

Amalgamating branches

These are the steps that must be taken:

1. The Chair and Committees of the Counties agree to the restructuring, and to write to the Chair of the Membership Council for approval, copying in the relevant Membership Council representative.
2. Once the Membership Council has agreed, the Counties (branches) must call a joint Special General Meeting of their County Conferences at which branch delegates must vote by simple majority whether to approve the formation of the new County. The relevant Membership Council representative should be at this meeting.
3. If approved, branch delegates must elect the new County Committee, Chair and Vice Chair to serve until the next Annual Meeting of County Conference. Following the election of the new County Committee, Chair, and Vice Chair, the previous County Committee, Chair and Vice Chair retire immediately. Branch delegates must also elect three non-County Committee Members as members of a new County Conference Committee.
4. County Treasurers must close their accounts on the date of the Special General Meeting at which the amalgamation was approved, prepare them for independent examination or audit and for adoption of the annual accounts at the next Annual Meeting of County Conference.
5. All of the funds of the constituent Counties must be passed to the new County Treasurer to form the new County funds.
6. The old County Standard should be laid up, with a new one obtained and dedicated.
7. Alternatively, the panel of one of the previous County Standards may be altered.
8. Remembrancetide must continue to be conducted on the basis of the constituent Counties until the new County is formed at the first Annual Meeting of County Conference. After that, the new County assumes responsibility for the co-ordination of events during Remembrancetide.
9. As soon as possible after their election, the new County Committee must set the date of the Annual Meeting of County Conference and draft new County byelaws for approval by the Annual Meeting of County Conference. The Committee should appoint:
 - A County Treasurer
 - A County Secretary
 - A County Training Officer
 - A County Recruiting Officer

- A County Youth Officer
 - A County Parade Marshal
 - A County Standard Bearer (until the next competition)
10. For the remainder of the first RBL financial year, the new County budget is to comprise the sum of the budgets of its component Counties. The balance of the County budgets for the financial year is to be channelled through the new County instead of the former Counties. The County must propose its own budget bid for the following year.
 11. At the next Annual Meeting of County Conference, delegates must approve the accounts of the constituent Counties closed at the date of formation of the new County. At the conference, the results of the postal ballot for County Chair and Vice Chair should be announced. The Chair should be elected for three years and the Vice Chair two years, to allow for continuity. After that, the Vice Chair's term should be three years. The full County Committee should also be elected following normal election rules. Retiring Committee members may stand for re-election. The County Treasurer should be appointed and the County byelaws adopted.
 12. This process is followed for amalgamation of branches.

Forming a branch

A new branch needs at least 15 members or potential members aged 18 or over to have a meeting about it. It must pass the following resolution:

"That this meeting hereby accepts the Objects of the Royal Charter, the Schedule of Rules and the Membership Handbook and formally establishes a branch."

A County representative must attend the meeting where the proposal to form a branch is being discussed to offer guidance and support. If the meeting agrees to form a new branch, then form MS9, available from your MEO, must be completed. The MEO must send the completed MS9 to the relevant Membership Council rep and to Head Office for approval by the Membership Council. A County Committee may stop the formation of new branches where there is already a branch in existence.

Closing a branch

1. If a branch cannot be revived and it is impractical to amalgamate it with a neighbouring branch or form a County Supported Branch (CSB, branch members or the County Committee can decide to close the branch. Such closure must be approved by the Membership Council.
2. The branch subject to closure holds a Special/Extraordinary General Meeting where the following are discussed, decided on and minuted accordingly:
 - a) to close the branch.
 - b) where the branch members wish branch funds (including any branch legacies or any BFI funds that are not connected to a Branch Property Trust (BPT)), to be allocated. Accounting documents such as cheques or BFI transfer forms to be completed and signed at this meeting. If there is a BPT, and timing cannot wait, then all branch monies must be transferred to the branch general BFI account pending the BPT (Property) BFI

being set up with the branch members indicating their preference for how remaining balances not connected to a branch property or legacy trust should be allocated.

- c) if a branch has a BPT and funds within the General Account are derived from the BPT (rental income) then this money must be transferred into a BPT (Property) BFI account held at Head Office.
 - d) what to do with the branch Standard. Is it going to be laid up or passed to the County/District for either safekeeping or training purposes?
3. MEO contacts Finance to see if there is a BFI, BPT or legacy trust.
 4. MEO also contacts Audit Team to see if there is an open audit or any other concerns.
 5. MEO offers opportunity for members to transfer to another suitable branch.
 6. At this stage it should be clearly identified what type of BFI Account(s) the branch holds, what, if any is BPT or legacy trust money and what is unrestricted branch funds for disposal with the bank balance as per the branch's wishes.
 7. The MEO completes the MS5A and submits it, along with all other supporting paperwork to the Membership Council Representative and County Chair for examination before the application is presented to County/District Committee for approval.
 8. County/District Committee consider and agree to closure application being put forward to the Membership Council once branch has arranged for bank account(s) to be closed, submitted a final set of accounts and cheque(s) for the branch's final balance(s) made payable to wherever specifically within the Royal British Legion, the branch wishes their funds to go to.
 9. Membership Services team sets the branch status as pending closure on CARE, until able to update status on CARE as closed.
 10. Closure forms sent to Membership Governance Co-ordinator (MGC) who checks all necessary parties have signed and then forwards all paperwork to the Branch Finance Compliance Group where Membership Council Representative(s) will request that the Membership Council approve the branch closure to complete the audit trail in the Membership Council meeting minutes.
 11. Once confirmation of closure of bank account(s), including BFIs has been received along with a zero-balance statement(s) uploaded to branch accounts database on SharePoint by the MEO the branch's status can be set as closed on all systems.
 12. The following are worth noting:
 - a) Branch cannot become a (CSB) unless it has fully completed the process of closing its bank account(s), including BFI, and transferring all funds to the County/District.
 - b) The same criteria should apply when a branch is closing.
 - c) Obtaining cheque(s) for the branch's final balance(s) should be an absolute requirement as this ensures the funds are allocated and accountable. In the past branches have claimed they have sent closing balance cheques to various parts of the Royal British Legion, for example the Poppy Appeal, but there has been no record of these cheques having been received or paid in.
 - d) BFI accounts are essentially another bank account and therefore it is important branch members are aware of their existence and given the opportunity to identify where, in the case of BFIs not associated with a property, they wish these funds to go.

- e) Under this approach we should be in control of knowing where the branch funds have gone thereby preventing future phantom branches.

Becoming a County Supported Branch (CSB)

A CSB is a method of operating for branches that are struggling to form a Committee. To become a CSB, a branch applies to County Committee and the Committee will approve the new branch status if:

- The branch is no longer viable in its present form for a specified reason (e.g. unable to form a committee, unable to recruit a Treasurer).
- The branch is unable to fully comply with the Royal British Legion compliance requirements (governance and financial).
- Other than the specified reason for not being viable, the branch is active in its local area and closing would result in a loss of RBL representation in its local area.
- There is no likelihood of potential committee members coming forward, even if the branch were to face closure.

Outgoing officers will close the bank account and hand over any funds to their County to be held as a restricted fund for the branch – these funds are available to CSB through the County Treasurer. The CSB will appoint two members to act as Point of Contact, who must be able to communicate electronically.

On becoming a CSB, the outgoing Treasurer must complete a final set of accounts showing remaining funds transferred to County and supply a ZERO Balance Bank Statement once received. CSB status will not be applied until the Accounts have been received along with the Final Funds.

CSBs are only required to submit their MS1s by the 31st of December to be considered compliant. Once CSBs are deemed compliant, they can participate in elections and send delegates to Annual Conference.

A branch in administration, whereby the County Committee are the surrogate Branch Committee, is not compliant and therefore is not permitted to vote in elections or send delegates to Annual Conference, including where the branch was compliant in the preceding year during a period where it was not in County administration.

For further guidance on the CSB process, please refer to the County Supported Branch Guides, located on MAP.

Returning to full branch status from CSB

CSBs should apply to return to full branch status with their County approval when the branch is able to form a full committee and regain control over their funds. MEO and County Committee will be able to guide a branch through this process which will involve elections of the new committee.

Overseas

ROYAL BRITISH LEGION

Overseas Districts and branches

There are two kinds of overseas branches: those that operate within an overseas District and those that are stand-alone. Stand-alone branches come under the responsibility of the Membership Council.

Overseas Districts (Germany, Spain North and Spain South) operate in the same way as UK Counties but should be aware that some activities (for example, fundraising and property ownership) will be regulated by local laws. If there is a conflict, then the law of the home country of the District or branch must prevail. The Royal British Legion's MEO (Overseas) offers support and guidance to all overseas formations.

Overseas Districts have their own supplementary model byelaws. For further information, speak to your MEO.

Branches in the Community

ROYAL BRITISH LEGION

BCS

Branch Community Support (BCS) is a volunteering programme through membership that enables trained members to become BCS Supporters to promote the objectives of the Royal British Legion by supporting local RBL beneficiaries. Through BCS, Supporters engage in activities such as telephone buddying and home or hospital visits to veterans and their families who are socially isolated. Referrals to BCS are received through the RBL Contact Centre to ensure the suitability of the service.

Branches interested in participating in BCS can register by contacting their MEO. Regional MEAs are available to assist new and existing BCS Supporters with their mandatory training and Disclosure and Barring Service (DBS) requirements. As BCS is a beneficiary-facing service, our training and screening requirements are necessary to protect the organisation, our members and our beneficiaries.

Branches exist to promote the Royal British Legion's work in their communities and the best way to accomplish this is to register for Branch Community Support (BCS). There are three roles that members can hold that support BCS. At Branch level, members can train to become BCS Supporters to help reduce social isolation in the form of telephone buddying, home and hospital visits. Branches can also nominate up to 4 members to be Branch Community Coordinators. Their role within BCS is to promote BCS and share resources. BCS is not:

- 1) Welfare support such as assistance with food, finances, employment, or housing.
- 2) Mental health support.
- 3) Physical support.

At County level there should be a County Community Support Coordinator who encourages and advises branches on the delivery of BCS. They work closely with the BCS Team and MEO who can provide professional advice and support. CCSCs are required to be RBL members and to complete BCS training. Find out more about these roles [here](#).

Clubs

ROYAL BRITISH LEGION

RBL-licensed Clubs

RBL members can join RBL-licensed clubs (referred to here as RBL Clubs). Club membership is additional to branch membership and club members may need to pay an additional club membership fee directly to their club.

RBL Clubs are independent, not-for-profit, registered mutual trading societies, which are not part of the charity. They must apply to the RBL for a licence to use the charity name and logo. They must be run in accordance with the law, the registered club rules and the conditions of the licence under which the club uses the name of the RBL in its title and the RBL logo.

The RBL provides model club rules, approved by the Financial Conduct Authority (FCA), and on the basis of the agreed rules, the club is correctly registered.

Each club is granted a licence in perpetuity by the RBL, allowing it to use the RBL's name and logo. Failure to comply with the conditions of the licence and rules can result in the withdrawal of the licence. Clubs are required to submit an annual application to obtain or renew their RBL licence, attaching supporting accounts and a recommendation from the Regional Club Relationship Manager to obtain or maintain a licence. The County Committee will have the opportunity to challenge or support the Regional Club Relationship Manager's recommendation.

The issue of a full or conditional licence and the withdrawal of a licence must be approved by the Membership Council. The issue of a full licence needs to be approved for the first time; following the first approval, if there are no recommendations for a licence change or withdrawal, the club will be automatically granted a full licence without the need for further approvals from the Membership Council.

The activities of RBL clubs are supported by the following staff members: Regional Club Relationship Managers and the National Clubs Administration Manager. Staff can provide management advice for clubs, but clubs must make their own decisions when it comes to running the business.

If a club occupies a building in corporate trusteeship, the club is the RBL's tenant. The occupation of the club is regularised through a lease or other tenancy arrangement. Rent is charged to the tenant in accordance with the Charities Act 2011, the Landlord and Tenant Act and Royal Institute of Chartered Surveyors standards. For more information about property issues, contact membershipservices@britishlegion.org.uk or your Regional Property Manager.

Overseas Districts must ensure that branches do not use the Royal British Legion's name or their branch accounts in connection with any bar or club used by the branch. They must also make sure that branches do not use the RBL's name on any financial accounts connected with bars and clubs.

Counties should monitor the activities of clubs to ensure that a club is not in breach of its RBL licence and that it is not bringing the name of the RBL into disrepute. Any issues must be reported to the Regional Club Relationship Manager and the National Clubs Administration Manager. Counties must, however, recognise that clubs are independent trading societies and therefore they cannot interfere with the internal running of a club. Counties must work with the Regional Club Relationship Managers and MEOs to recommend the issue and withdrawal of the RBL licence to and from clubs.

Counties must not provide business advice or guidance to clubs – the first point of call for any business matters are the Regional Club Relationship Managers and National Clubs Administration Manager.

Counties are encouraged to appoint Club Liaison Officers.

It is illegal for branches to subsidise RBL clubs (or any other social purpose) from charitable funds. That means they mustn't pay for things that the club should pay for. They also must not loan money to clubs. To do so would be to use charitable funds wrongly and might lead to the Branch Committee members facing criminal proceedings.

Branches must not collect club rent – the RBL's Commercial Department has a duty to ensure that a proper rent is charged in accordance with charity law and the lease, and that rent is received when due.

Branch Officers must not also serve as club officers and vice versa. Committee members who sit on both branch and club Committees must declare their interest and withdraw from that part of a meeting of the Branch Committee when decisions affecting the relationship between the branch and club are to be made.

This section must be signed by the appointed Standard Bearer and Deputy Standard Bearers. During competitions and Remembrance events the Royal British Legion will make every effort to ensure their safety, however, as with any physical activity, there are health risks and a minimum level of physical fitness is required.

I confirm that:

- In accordance with Chapter 6 of the Ceremonial Handbook, I have read and understood the responsibilities and risks associated with Standard Bearing, including but not limited to:
 - Standard bearing is a physical activity and so I must ensure I am both physically fit and strong enough to carry a Standard in all reasonable weather conditions.
 - As a Standard Bearer I will be expected to be able to carry a Standard which is 8ft long and up to 3.5kg in weight (in wet or windy weather conditions Standards may become heavier and difficult to hold upright)
 - Some actions such as Dips may put a strain on the back and shoulders
 - Competitions and Remembrance events may prove demanding and stressful for some.
- If I am in receipt of any disability related allowance or benefit, I will inform the appropriate authorities of my intention to undertake the role of Standard Bearer/Deputy Standard Bearer as this may affect my eligibility status.
- To my knowledge, I have no physical conditions or disability that could potentially put me or others at harm whilst performing my duties as a Standard Bearer/Deputy Standard Bearer. If I have, or suspect I have, a health problem which means I may not be able to fulfil all duties required of the role safely, I undertake to inform the appropriate Ceremonial Officer in charge of the competition/Remembrance event.

Each branch is to provide an official Branch Representative, authorised to take appropriate decisions, within the remit of the Group, on behalf of the branch; otherwise the representative is to refer to their own Branch Committee all matters requiring consultation. The Branch Representative elected to the Group Committee is to provide information and reports required by the Group.

It is for each branch to determine how their representative is provided (by election/voting, nomination by Branch Committee) and to determine who is eligible to be nominated (Branch Officer, Branch Committee member or branch member).

Only the nominated Branch Representatives are authorised to vote at Group meetings, irrespective of the number or standing of any other branch member(s) present at the time. Only one voting member per branch is permitted. Normally a Branch Representative is brought onto the Group Committee at the Group AGM. It is recognised that branches need continuity of representation and change may be necessary outside the normal routine. The branch is to notify the Group Chair when there is a change to the nominated representative.

There are to be two Group Officers, the Chair, and the Secretary. If the Group is to hold an Account then a Treasurer must be appointed. If the Group has a Standard then a Group Standard Bearer is required. The Group is entitled to appoint and send Group Representative(s) to the County Committee in accordance with the County direction in force at the time. The Group Representative(s) will be nominated and named at the Annual Meeting of County Conference and considered elected to the County Committee. Should it be necessary to change Group Representatives between the Annual Meetings of County Conference, the Group will inform the County Chair/MEO of the change. The new Group Representative will be formally co-opted at the next available County Committee meeting and have voting rights from that point forward.

The Group Chair is to run all Group meetings. The Group will elect its Group Representative to take their place on the County Committee. The Representative can be any branch member from within the Group. The Group Representative must be willing to take full part in County Committee business; to positively participate in discussion and activity; and to be a member of County sub-Committees as appointed. If the County rules in force at the time allow more than one Group representative, the additional Representative(s) is/are to be elected by the Group at its AGM. If a Group is permitted more than one Representative under the County rules in force at the time and cannot, or does not wish to, provide more than one Group representative to the County Committee then that Group will so inform the County Chair/MEO prior to the Annual Meeting of County Conference. The Group Representative position released by a Group will be filled at the Annual Meeting of County Conference by electing, from the floor at the conference, an individual member who is formally proposed and seconded to the vacant position. Anyone so elected is not required to represent the Group whose position they fill. Once elected, the individual will hold the position for the period of election, after which the Group may choose to fill it themselves or continue to release the position.

If it is necessary for the Group Committee to vote on any proposal then this will follow the voting rules laid down within the Membership Handbook (MH). As there are no specific rules for Group voting, the Group will follow the rules for branch voting as the Group is made up of elected branch members.

The Group Representative(s) to the County Committee is/are to provide a written record of action or major information points to branch Representatives of the Group following the County Committee meeting. This is to be concise, distributed as soon as possible after the meeting but not more than 14 calendar days, and is not to be seen to replicate or replace the County's official record of the meeting. It is for Branch Representatives to distribute the notes within their branches according to their Branch Committee requirements.

The responsibilities of the Group Officers are to be found in the MH. There is no County requirement for a Group to have a Group President. The role of the Group is communication.

Management of Group Finances is covered in the MH. There is no requirement for a Group to hold a Branch Funds Initiative (BFI) Account but some Groups may need to hold an Account, to cover administration costs, which is limited to £250 and they will be required to submit an annual account for audit. The County Committee are responsible for authorising a Group to hold an Account. The expenditure is limited to those items allowed under the current RBL regulations. Income can be raised in the form of branch subscriptions. Groups should consider raising branch subscriptions that enable the Group to conduct its business.

This should meet the requirements of the MH by ensuring the Group raises its funds at a fixed rate and manages its business without generating any excessive funds. A Group may fundraise for a specific purpose and accept donations.

It is for branches to correctly record their subscriptions to the Group in their financial records. These are normally in the form of expenses only.

The Secretary is to record and distribute action points made at Group meetings.

Branches are to provide concise written notes on points that they wish raised at the next County Committee meeting to ensure accuracy of their intent. The Group Representative(s) will then have all points to take forward to the next County meeting.

The Group Secretary is to issue an agenda no less than seven calendar days prior to a previously arranged Group meeting. Any branch wishing to add an agenda point must do so through their elected representative to the Group Secretary prior to the issue of the agenda.

The Group meeting agenda will follow a set format, as will the Group AGM.

A quorum will consist of (group to insert number) Branch Representatives.

Group Officers and Representatives shall be elected for a (two or three year appointment – Group is to decide, but a one year appointment is not recommended), which is to coincide with the County Committee calendar. For continuity, Group Officer and Representative appointments should be staggered so that the Chair and Secretary and any other Group Representative to the County Committee do not change in the same year.

A voting system of a simple majority of those present and authorised to vote will be used.

Group Representatives may become full members of the County Committee at the Annual Meeting of County Conference if the County so decides.

The Group meets at the same intervals as the County Committee meeting (currently quarterly). The Group meets in advance of the County meeting in order that Branch Representatives can provide the Group with a report on activities over the past period, a forward plan of activities for the next 12 months (where known), and raise in writing any issues that the Group needs to bring to County attention.

These rules can be changed at any Group meeting by a simple majority of those authorised to vote, provided that the proposed change is submitted in writing to the Secretary in good time for the Secretary to distribute the proposed changes one month (31 calendar days) prior to the next Group meeting. This is to ensure that each branch has a chance to review the proposed changes at a regular branch meeting prior to the next Group meeting. Guidance is to be sought from the County Committee to ensure that there are no breaches of County rules/regulations and the County Committee agree to the proposed changes.
