

Inspiring the next generation to remember

Inspire young people to learn about Remembrance and their connection to it through the Royal British Legion's Teaching Remembrance Learning Programme for schools, community and youth groups, and families.

What we offer:

- Free downloadable learning resources** — available all year round.
- Free events** — in-person and online workshops, assemblies, and more.
- Learning activities** — supporting the National Curriculum & Curriculum for Wales.

To access free Remembrance learning resources and sign up for events visit:
