

Ballot Rules for Ticket Allocation

1. Eligibility Criteria

- Only active members at the time of ballot selection will be eligible, and they must still be members on 8th November 2025.
- Members must register their interest via the ballot registration form on the website within the specified deadline.
- Lapsed members will not be eligible unless they renew before the ballot process concludes.

2. Ballot Entry Process

- Members must submit their membership number and name for verification.
- Members can choose to enter for:
 - Afternoon performance only.
 - Evening performance only.
 - Both performances (subject to ballot rules below).
- The ballot form will be hosted on a non-public webpage to limit external access.

3. Selection and Allocation Process

- Random Selection Method: A fair and automated selection process will be used (e.g., Excel-based randomisation).
- Event-Specific Rules:
 - The evening performance ballot will be conducted first (as it is expected to be more popular).
 - Members successful in the evening performance ballot will be removed from the afternoon performance ballot.

A Charity Registered in England and Wales, Charity Number:219279.

Registered Address: Haig House, 199 Borough High Street, London SE1A 1AA

- Members unsuccessful in the evening performance ballot remain eligible for the afternoon performance ballot.
- Members will be assigned a unique, non-transferable code to purchase their tickets.

4. Ticket Purchase and Expiry

- Successful members will receive an email with a personalised link to purchase their tickets via See Tickets.
- Tickets must be purchased **within 7 days** of receiving the email.
- If a member does not complete the purchase within the deadline, their allocated ticket will be forfeited.
- A second ballot phase will be conducted using the existing waitlist to reallocate forfeited tickets.

5. Accessible Seating Allocation

- Members requiring accessible seating must indicate this on their ballot entry.
- A separate ballot for accessible seating will be conducted to ensure fair allocation.
- See Tickets will manage the verification process for accessible seating reservations.

6. Fairness and Error Handling

- Members can only enter once per membership to prevent duplicate entries.
- The membership database will be cross-referenced to prevent ineligible entries.
- In case of an error (e.g. duplicate ballot entry), the first valid entry will be considered.
- See Tickets will manage error messages and prevent multiple purchases with the same code.
