

# Remembering the end of the Second World War

VE Day celebrations in London

In 2025 we mark 80 years since the end of the Second World War, with Victory in Europe (VE) Day on 8th May and Victory over Japan (VJ) Day on 15th August.

The ending of the most devastating war in history would not have been possible without the combined efforts and resources of all the Allied nations, from east and west, from the Commonwealth and beyond.

As the champion of Remembrance, the Royal British Legion honours those who served. Through their courage, resilience and dedication they reshaped the modern world and gave us the freedoms we enjoy today.

By marking these momentous anniversaries together, we preserve their legacies and ensure their sacrifices are always remembered.

The Royal British Legion pays tribute to the Second World War generation by telling their stories.
